

Excuse Me! For the record, on the record ...

I am the free natural man, on the land, John-Joseph Doe. I properly spell My name -- capital Latin letter "J", lower case Latin letter "o", lower case Latin letter "h", lower case Latin letter "n", hyphen, capital Latin letter "J", lower case Latin letter "o", ", lower case Latin letter "s", lower case Latin letter "e", lower case Latin letter "p", lower case Latin letter "h", ...

I am an American national, a Sovereign state Citizen of the states united of America, naturally born in the foreign state of Missouri Republic and currently domiciled on the Land in the territory commonly referred to as Texas in the city known as Austin.

I am here today because of this artifice of an invitation, apparently meant to deceive this court and others, found recently. And I am using the Right of visitation to exercise ministerial powers to be heard in this matter. For the record and as a matter of record I, Me, Myself, reserve all rights at all times without prejudice.

Equality under the Law is paramount and mandatory by law.

I say who I am. I speak for Me - Myself.

I am competent. I, Me, Myself, am competent to handle matters. I, Me, Myself, have capacity! Only I, Me, Myself, can state to matters concerning Me first hand.

No one has authority, license or permit to represent Me! If anyone thinks or feels that they represents Me in any matter - they do not! I am unrepresented. I am unencumbered.

I serenely and proudly walk under the flag of peace, a Title 4 version of the red, white blue presentation of the flag of peace of the States united (of America) in the world.

Do you have claim against Me? Do you know of anyone who has claim against Me?

Does any one have claim against Me?

Let them now come forward and state their claim completely and truthfully.

It appears there are no claimants who have sworn in today, under penalty of perjury, with first hand damage claim against Me.

I request the Order of the court be released to Me immediately.

As it appears as though this public business is finished.

Since there is no further public business for Me to carry on, I am leaving. (repeat if necessary)

**It ain't what you know that hurts you ...
its what you know for sure that ain't so.**
