Filed habeas corpus and Rick Bagwell was released.

Just opened an account with West Publishing so you can get those publications from us, such as Black's 8<sup>th</sup>, etc.

Federal Magistrate Boylan blown off the case in Minneapolis.

Dallas Federal Court acknowledges they have an EIN.

Being an anti-attorney is a high risk job. So far in August, U.S. Marshals in Minneapolis wanted to talk to Robert. FBI in Louisiana wanted to talk to Robert. Officers of the court in Nebraska wanted to talk to Robert.

Meanwhile, thank you letters expressing appreciation continue to come in.

After months of refusing to allow Robert's presence at the defense table in Miami, the court has issued an order for Robert's presence for an August 20<sup>th</sup> hearing in preparation for trial. On August 20<sup>th</sup> Robert sat at the defense table in federal court in a life imprisonment matter, despite the fact the prosecution was adamantly protesting as to what a terrible thing it was for Robert to be at the defense table. The "defendant" filed a serious lawsuit against the federal judge and the process server reports that he is avoiding service.
