

Chapter 3 - 'What One Man Can Do: Another Man Can Do!

Part E: T.D.I. / B.G. known as Tearing Down Idols and Burning Groves

"But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire," -

Deut. 7:5.

For most people it appears that altars, idols, and groves have only one definition in the simplicity of their minds. Some individuals can make the transition to understanding that altars could be courtrooms, that idols could be laws, and that groves could be powers. In combination these items could be gods. In Babylon, the Caininites' world run by Satan words have more than one meaning. And, most people are afraid to 'rock the boat'. "Oh, my gosh, I could lose my job, my house, my family members, my popularity, and my enslavement!" Have you heard it? Have you done it? Are you not tired of it? Complaining about it and doing nothing?

"Lay not up for yourselves treasures upon earth,...But lay up for yourselves treasures in heaven,...For where your treasure is, there will your heart be also." - Matt. 6:19, 20,21 parts of.

In the time frame prior to January 2006, I perceived an entangling problem facing all people in the land called America. I choose to face and defeat said problem. I did not know all of the solutions which would be necessary for success. I did know that I did trust in THE LORD and that the word, 'lose', is not in my vocabulary.

The PROBLEM was the seemingly beneficial 911 system with its attachments to one's life, liberty, and property. Such a good thing: 'Just dial three(3) digits on your phone and have ALL the goverment's (king's) men at your disposal to help you with your problem!'! What a good deal! And, if one does not have the 911 system, then one has to go through the agony of dialing four(4) more digits. Of, course, let us not forget that in times past, one only had to dial one digit which was called '0' for operator for reaching police, fire, rescue, etc.

The scope of the problem would actually take many pages to properly describe. Simply put, the 911 system gives access to your home or business by government employees/agents at any time for any reason. And, you have no say-so as to the entrance, time, or requirements which are then forced upon yourself. And, for those which think that by having a 'cell-phone' and not a 'land-line' will prevent such government intrusions, you are wrong. The 911 System includes your address which is on the 911 computers.

The date of this writing is June 12, 2011(pagan time). As time proceeds, individuals will hear more and more of this subject. Screaming, hollering, and gnashing of teeth will be the rule-of-the-day; with solutions offered which sound nice, but, don't work. And, the usual horse-manure of this is not constitutinal, 'my rights'; "the judge cheated me", and on and on and on.

\* \* \* \* \*

Some Observations

The reader will have all of the paperwork which was used to 'exit' this 911 system. This information is presented from '1st' dated material to 'date'. One actually has to study said paperwork to 'get it'! There were some expected results. There was one result in which I had no idea would appear. And, that item still remains a mystery as to how or why 'great results' were accomplished. But, it did happen.

\* \* \* \* \*

Questions for Reader

- 1) Know anyone else which is out of the 911 System?
- 2) Know anyone else which is not paying county, state, or federal taxes on their phone bill?
- 3) How much money is voluntarily given to the government to buy more 'handcuffs' for you on a nationwide basis?
- 4) Is an 'altar' a courtroom?

- 5) Is your solution and others a solution based on a 'political action'? Does this ever work?
- 6) Are you afraid to do this without thousands doing it at the same time?
- 7) Have you read Matt. 10:28 lately? Need to do so soon?

\* \* \* \* \*

Short History

This story could have been over by circa March, 2009. However, at that time the telephone company called me and said that the FCC passed a new law which prevented the telephone company from crediting the 911 service fee back to my account. I was told the FCC passed this law specifically about me and my past actions with respect to the 911 fee. My response was 'just not pay the damned thing' and see what happens. Which in my way of thinking was to escalate the issue. Set them up for a very nice courtroom damages issue. Apparently, wiser heads prevailed and someone decided that going into the courtroom was not a good idea for them.

As a result, I received better results than I first expected. New ground has been plowed and new ground sometimes is harder to plow than previously plowed ground. You the reader may plow some ground which now has some rows in it. You will still have to do some work. You will still have to 'stand-up'. And, when you stand-up, it is my belief that your actions will be recorded in the 'BOOK of LIFE'! Blessings to those with 'eyes and ears' and 'balls'!

Dear ( elected official):

Please excuse the formality of this Demand Letter; but, I have learned(\* do not change this word - learned. and don't type this part) that I am required to use this type of formality.

With all due respect and courtesy, as is befitting, I require and demand that you remove my name, address, and phone number, as given above from ( your county's name) 911 Address - Phone Management System in ( your county and state). No law has been found which 'requires' me to accept or participate in your 911 Address-Phone Management System.

"When jurisdiction is not squarely challenged, the subject matter is presumed to exist.", *Burkes v Laskar* 441 U.S. 471. Thusly, I squarely and completely; with reservation of allowance of more documentation on my behalf, if necessary; challenge your jurisdiction to force me to accept a 911 Address-Phone Management System.

"Where jurisdiction is challenged, it must be proven.", *Hagans v Lavine*, 415 U.S. 528 at 533. I, repeat, I challenge your or your county's jurisdiction.

"Whatever the form in which government functions, anyone entering into an arrangement with government takes the risk of having accurately ascertained that he who purports to act for the government stays within the bounds of his authority...and this is so even though...the agent himself may have been unaware of the limitations upon his authority.", *Federal Crop Insurance Corp. v Merrill*, 332 U.S. 380, 384 (1947). Thusly, I state you have no authority to 'force' me into your system. And, if you do not agree, then you are required to prove your authority.

I require you to answer this demand letter with either your letter acknowledging my removal, in toto, from your 911 Address-Phone Management System by signing a simple letter as attached: or, you prove your complete and exclusive authority on this issue. "Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.", *U.S. v Tweel*, 550 F.2d. 299-300(1977).

You have ten(10) days in which to reply, from the receipt of this certified/ return receipt demand letter and or hand delivered receipted letter as per U.C.C. 3-505(2). Your reply must have proof of jurisdiction and I maintain the right and duty to challenge any and all evidence of your claimed, if any, jurisdiction. Your reply must have proof of all relevant facts which you may want to contest, with your answer under the penalties of perjury.

A fault must be considered to exist if you do not reply, U.C.C. 1-201(16). Said faulty being on your part, would create a fraud through material misrepresentation which would vitiate anything from the beginning as per U.C.C. 1-103.

Dear (elected official) and Successors:

Please excuse the formality of this Demand Letter; but, I have learned that I am required to use this type of formality.

First, foremost, and only, I am servant and in bondage (covenant/treaty) to THE FATHER In Heaven and HIS Only Begotten SON, THE CHRIST, THE EVERLIVING, THE WORD OF THE FATHER. THE FATHER'S LAWS are sovereign, superior, and almighty to all of man's and Satan's laws. (United States Constitution of America, Article VI ...and all treaties made...). I am required to perform in accordance with HIS LAW'S. Any law of man, government, and, or Satan which is not in accordance, fully, with THE FATHER'S LAWS, even to the extent of the 'jots and tittles', are of no effect or affect on or to me. I claim and re-claim my FATHER'S inalienable rights: rights being defined as responsibilities and duties.

"This book of the law shall not depart out of thy mouth: but thou shalt meditate therein day and night, that thou mayest (must) observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success." - Joshua 1:8. The book of the Law is required, in toto, for any challenges, charges, prosecutions, and, or sentences attempted by man, governments, or Satan; as against my individual self.

With all due respect and courtesy, as is befitting, I require and demand that you remove my name, address, and phone number, as given above from ( county name) County's 911 Address/Phone Management System. No law of man has been found which 'requires' me to accept a 911 Address/Phone Management System.

"When jurisdiction is not squarely challenged, the subject matter is presumed to exist.", *Burkes v Laskar* 441 U.S. 471. Thusly, I squarely and completely; with reservation of allowance of more documentation on my behalf, if necessary; challenge your jurisdiction to force me to accept a 911 Address-Phone Management System.

limitations upon his authority.", Federal Crop Insurance Corp. v Merrill, 332 U.S. 380, 384(1947). Thusly, I state that you have no authority to 'force' me into your system. And, if you do not agree, then you are required to prove your authority..

I require you to answer this demand letter with either your letter acknowledging my removal, in toto, from your 911 Address/Phone Management System by signing a form letter, as attached, on your letter-head: or, you prove your complete and exclusive authority on this issue. "Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.", U.S. v Tweel, 550 F. 2d. 299-300(1977). You have a legal and a moral duty to answer this demand letter.

You have ten days(10) in which to reply, from the receipt of this certified/ return-receipt demand letter and, or, hand delivered receipted letter as per U.C.C. 3-505(2). Your reply must have proof of jurisdiction and I maintain the right of duty and responsibility to challenge any and all evidence of your claimed, if any, jurisdiction. Your reply must have proof of all relevant facts which you may want to contest, with your answers under the penalties of perjury.

A fault must be considered to exist if you do not reply, U.C.C. 1-201(16). Said fault, being on your behalf, would create a fraud through material misrepresentation which would vitiate anything from the beginning as per U.C.C. 1-103.

You are required to exhibit instrument(s) that contain my signature which obligates me to your demands to alter my address, enter my address, place certain specific numbers as to size, color, etc. on my box.

Provide me with proof of your claim that you maintain a security interest, U.C.C. 1-2-1(37), in my body, item(s) I own, or the manner upon which I choose to exist: which makes you a Holder, U.C.C. 1-201(20), to make said presentment.

Provide evidence of your authority to make a presentment, and what Territorial Application, U.C.C. 1-105, exists that we have agreed upon which contains my signature??

By evidence of Attachment 'A', Arkansas Premises Identification Form; said form 'requires' ( see form - Must be a 911 address ) a 911 address. The Premises Identification System requires a mark and a number on my animals, and in the future for my body, for my to be able to 'buy and sell'. What Federal Law of the United States exempts (your county) in the State of (your state) from compliance with said law? There is none!!!!

"And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.", Revelation 13:17. So, let's call 'it' by 'it's' real name - The Mark of the Beast. You might want to read Rev. 19:19-21. This is a legal and a moral issue.

I and the things which THE LORD has granted unto my care will not take the Beast's mark, number, or worship. "The fear of THE LORD is the beginning of knowledge: but fools despise wisdom and instruction.", Proverbs 1:7. And, I have that knowledge: and, you can not protect me from the wrath of THE LORD! Do say that you can? Do you despise wisdom and knowledge?

Remove me, my body, items which are in my care, etc. from your 911 Management System irrespective of whatever name by which you or others may call it.

You are advised, as in you are now aware, sufficiently, of the fact(s) and a violation(s) of the aforementioned constitutes 'intent to commit fraud', and that the United States Code and THE FATHER'S LAWS provide for substantial criminal and monetary damages to be assessed should you, your county, (your state), The United States Federal Government, their employees, officers, agencies, or governmental bodies violate my right of responsibility and duty.

I am ordered by my MASTER to perform: "...Come out of her(Babylon), my people: that ye be not partakers of her sins and that ye receive not of her plagues.", Rev. 18:4. Therefore, I know it is possible and will continue my efforts.

I am ordered by my MASTER to perform: "Son of man, "...If thou doest not speak to warn the wicked from his way, that wicked man shall die in his iniquity; but(and) his blood will I require at thine hand.", Ezek. 33:8

I have spoken to warn and have no need to wash my hands.

Govern yourself(s) accordingly.

An attempting servant of THE LORD,

(Your signature)
