WELCOME and BRIEF EXPLANATION TO INQUIRERS!!

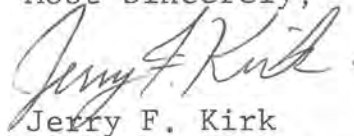

Blessings to Those with Eyes and Ears. To some of those the sense of the coming adventure is raising more hairs on the backs of our necks! Oh, how we enjoy adventure! Thank each and every one of you which are so full of life!

The link to this site has been altered at my request. Only one(1) item per week shall be re-released. Everything which was previously posted has been blocked, again at my request. I have been informed that this is not normal for an inter-net site. Many times in my life I have been called many things; some favorable and some ugly. As of this date, I am somewhat aware that I am 'peculiar', hopefully! And, I hope that you are so also!!!

For whatever little part that I might be allowed to partake in this grand adventure of THE FATHER's WILL, I give praise and blessings to HIM!!!! Items, some old and some new, with additions to some of the old will begin January 7, 2010(pagan time) in an effort to assist some 'inquirers'. And, I am sure that each and every one of you desire to assist the new individuals. For those of you which are currently involved in research on this link, and need to continue un-interrupted, I suggest that you purchase a computer disk from Freedom-School. I ask your patience. I ask your understanding. Thank you so much!

Please see next page(2) for an announcement. Please consider downloading same, sending same to all locations and web-sites of your choice. 5 minutes or 50 minutes of your time would be of great value! I really could use your help. I am sure that others could use your help more than me. Please make a deligent effort. Many thanks!!!!!!!!!!

Most Sincerely,

Jerry F. Kirk

Blessing to those
with Eyes and Ears!

INTENDED DESIGN OF THIS Little adventure!

- 1) Provide materials of subject to be reviewed with enough time for interested parties to be aware prior to verbal-intercourse.
- 2) Proceed in a step-by-step sense of order. Thusly, allowing the possibility of thinking and contemplation to occur on behalf of all parties.
- 3) STOP the presentment of multiple subjects in a much to limited time-frame. STAY ON-POINT!!!!!!! This is difficult for all.
- 4) Eyes-WIDE! Look before one leaps!! Know the ramifications of what one is about to accomplish.
- 5) Define the players. Have a play-book. Have a score-card. Set your one and only one goal. Failure to set one's goal is fatal to ultimate success!
- 6) All with 'eyes and ears' are welcome at any time. If one comes in a little late. It is your responsibility and duty to do your catch-up work. Listen in for first time in week 10; then you must go back to week 1 and catch-up. You easily may accomplish this with your desire.
- 7) You must reach out to your brothers and sisters which have 'eyes and ears'. I am too weak to do much!

You MUST be fully aware that I do not and will not sell, charge, or accept any monetary donations from anyone. I will greatly appreciate your donations of time, knowledge, and understanding to those particular brothers and sisters.

May the blessings of THE FATHER In Heaven and HIS Only Begotten SON, THE CHRIST be upon those which give 'their last drop and their last breath' as so be it THE FATHER's WILL.

I accept full responsibility and acknowledge that upon 'my head' THE LORD will place penalties for any errors and omissions which may or may not occur!

It must be known that the efforts of many, many individuals has been used in this 'little adventure'. The impossibility of thanks or naming names daunts me to the core!

Both the protagonist and antagonist have taught me! Some lessons pleasant and others quite painful.

FAILURE TO SET A GOAL IS TANTIMOUNT TO FAILURE!

THE LEVEL OF MOTIVATION DETERMINES THE LEVEL OF DESIRE: WHICH DETERMINES THE LEVEL OF EXECUTION!
