Introduction

In The Beginning God created the Heaven and the Earth...

And evil people created Persons. The word Person comes from the Latin word Persona, which means mask. A Person is a fiction entity in an imaginary world. It does not and cannot exist in the real world, where you and I live. The skewing of the definition to include corporations as being a Person, is the crux of the Fraud. A Corporation can not be a Human Being, that is a living, breathing sentient being. Corporations exist in an imaginary world Human Beings do not. The idea of there being natural or artificial Persons in relation to a Human Being is a fraud for a Natural Person is the status given to Banks and to Human Beings. The foundation of all LAW on the planet is to fraudulently equate a PERSON, a fictional entity as being a living Human Being. The main trick that they use is to attempt to get you to sign on fraudulently as a SURETY for the PERSON and thus whatever they do in their imaginary world, they can do to you as the SURETY. Thus because it is an imaginary world they are indemnifying themselves from what they do to you through fraudulent contracts. It is a scam. There is hope though in that by learning the truth you can set yourself free. In time we will all be free, but it will take time. The simple foundation of PERSON is that they want you to buy the fact that a PERSON is the same as a fictional entity called a CORPORATION and as such a Corporation can have GOD status over Human Beings, such as a Country/Government has. Thus because the Human Beings can Create then it is okay to say that fictional entities can create, which their in is the foundation of the Tyranny.

As you read through this book keep one simple thing in mind, simple truths always leads to freedom. There are many people who have been led to believe untrue things or simply go along with the SYSTEM, because it is easier for them to do so. All these people have to do is simply do to become free is to ask one simple question, “Why?”; or rather know the why. This book is a guide for those who stand in the face of oppression unlike any seen before on the planet. For those who dare to question authority and challenge all aspects of it’s validity and purpose. This book is for the few so that there may one day be many who take this path for freedom. For the most part breaking free from the prison of what others think of you is the first step in obtaining freedom. This book is for those who see the world as a mass prison where the masses are forced into slavery while the few enjoy the fruits of that slavery. I will not pretend that I know everything that is happening, but I know enough. Enough to know that what is going on is destroying our planet and humanity. There is a war being raged quietly and most deceptively against us all. It is the most insidious war imaginable where the people pulling the strings sit quietly in the background getting us to enslave and destroy each other on their whims. Perhaps if nothing else you will gain an appreciation for how much you have been made to believe as being true when in fact they were nothing more than a pack of lies, lies in which to enslave you and others; while the few in the background pull the strings, within the illusion.

For your first step on this path, take out your BIRTH CERTIFICATE and look at how your name is spelled. All CAPITAL letter names are fictions, corporations, things of the imaginary. Thus this name is not you it is a CORPORATION created by the Government for which all laws apply too. The laws they create do not apply to you only to that NAME on the BIRTH CERTIFICATE. They trick you into believing that NAME is actually you, but it isn’t. The BIRTH CERTIFICATE is a bond instrument for which you have been made the SURETY for and the Canadian Government along with many other NATIONS borrow millions of dollars against your CORPORATION. The ACCOUNT NUMBER listed on the BIRTH CERTIFICATE is held by the UNITED NATIONS and there are millions of dollars sitting there for you to draw
upon through your exemption held in trust by the Revenue Ministers of the various nations involved in this scam. Nope you won’t be able to find this in your public library and your local politician will look at you strange when you enquire about this. The Social Insurance Number or rather Slave Identification Number is the offset account for the exemption when dealing with taxes. However unless you know about it you can’t access it.

I will be talking a fair bit about Religion in this book. This is not to trample upon your belief system but rather to expose how Religion has been used to enslave you and others through the distortion of the facts and out right lying. Anyone who believes that the Bible is absolute truth and is God’s Word, should be prepared to be challenged on this. We see churches everywhere we go and how could it be that they could possibly be lying to us about anything in the Bible or the Holy Koran for that matter. Well if you believe in the Bible or the Koran than Matthew 22 should be paramount in your life. Love thy Neighbor as thy Self. Seen this practiced much? It is the foundation of all Law in that their be equality under law. Anything that transpires outside of this, is not lawful. However what we see is a set of laws based on slavery and serfdom, where you have absolutely no rights but are extended privileges.

Everything that the LORD God said in terms of Law were trumped by Jesus with the Love thy neighbor commandment stated in Matthew 22. Go and read some of the statutes etc that LORD God made, 636 of them and tell me if they are based on Love thy Neighbor as thy self. Also look in the Holy Koran and see if all the laws that Mohamad created are based on this. I think you will find very few.

The other factor involved here is that the world revolves on Commerce. Commerce is a form of warfare, thus love is not possible within Commerce only winners and losers. This game called Commerce is played in an imaginary world, thus the people who created the scheme benefit the most as they control the money. More exactly they can print as much money as they want too to achieve outcomes that are good for them and bad for humanity, remember this is a war that is going on and it is being raged against humanity. On a spiritual and physical level they somehow may think that they can wash their hands of the enormity of the crimes that they are committing because it all takes place within a fictional world and the dumb people are falling for the trickery. Once you begin to open your eyes to how this war is being played out, it becomes easier to stick your head in the sand rather than watch the horrific calculated battles taking place on a daily basis. However if we are ever going to be free we many of us to be leaders and begin saying no to their games until there are no games. When we say no there is no game, no more war. Peace only comes through love not through killing or harming others. Fighting for Peace is like fucking for celibacy, it won’t work. They want you to lash out for it gives them an excuse to hurt you more. Don’t play their game, you can’t win their games, they are holding all the cards or at least they make the illusion that they are.

The other factor involved with all this, is Judging. The Bible has many versus within it saying not to judge others. So why do we have a SYSTEM that has judges within it? Well that’s the other part too all this. Who are we to judge others? In simple terms the Judging that takes place is the Judging of FICTIONAL entities, not actually you. Thus because the SYSTEM operates in a fictional world for which you are tricked into believing is real, you really just contract away yourself. That is to say signing the Judges Orders, the Judge didn’t judge you he just presented you with a contract for you to sign. If you sign it then you are agreeing to it. However they don’t tell you this. No court has any authority to Judge anyone within God’s Kingdom, so the trick is to create and imaginary world and make you the SURETY for that imaginary fiction called a PERSON. Thus they wash their hands of the abuse they are putting you through, still somehow thinking perhaps they are loving their neighbor as thy self. Very distorted? Yes. Cruel and inhumane? Yes.
The underlying why and purpose to all this is a spiritual one. This will become more apparent as you read through the book and I’ll draw some conclusions based on what I have experienced within my own life and learned from others. In some ways I believe that perhaps we created this ourselves as infinite beings on an infinite journey. However there is a mass awakening taking place and forces outside of our world are gathering to help us and save us. We are not alone in this by any stretch of the imagination, but we need to do some work here to help things along.

Infinite love is the only truth, everything else is illusion, David Icke

What the ruling elite have done is created a giant imaginary prison. They have created a never ending Script Play and using the world as the stage for their actors and actresses. What they have gone and done through fraud and trickery is to get you to volunteer in taking part in their grand play. Of course the ruling elite take part in the play, but they got to pick the best parts. You will take kind notice that they use the word Act on most of their legislation if not all. Look up the definition of the word Act and you will see it has nothing to do with law, but everything to do with acting in a play. They created a new language for the play called Legalese, which looks similar to the language of your primary language such as English, but it is not English. It has it’s own definitions and only Lawyers are allowed to interpret the law within their Courts or rather temple. Once they get you into their prison by becoming an employee through voluntarily getting a SIN number a license of any kind you have become a surety for a PERSON or Actor/Actress inside their play. The ruling elite pretend to have a democracy and say that you are represented. How can 300 people possibly represent 30 million or even 300 plus million people? Well they can’t and that is a fraud in of itself. This book will help you gain your freedom back and expose the extortion SYSTEM for what it truly is. There is a huge awakening starting to take place and the more people that know this information the harder it is going to be for them to keep us locked up in their prison.

In terms of getting out of this prison it will take a great deal of love to do so. Revenge will be on the upmost of a lot of people’s mind, but they thrive on conflict and evil. It is their way, not ours. They want us to thrash out at them their illusions instead of finding peace. Their fraudulent use of law based on fictional values and fictional maxims and use of brutal force against peaceful people has to stop. The simple way to do this is to stop playing their games. Putting our energy towards helping each other poor and rich alike to bring about stability and harmony will go a long way. I know this is not going to be easy, but it is much easier to do this than to be slaves for the rest of our lives. I don’t see how they can stop all of humanity uniting in peace against their SYSTEM. They can only lead us to misery and hardships, we can take back our world and live in truth. If we simply insist on living in truth love will always be there. The ones that use force against those who are living in truth to perpetuate a lie to gain power over others will find over time it will be harder and harder to do so. It is time to choose freedom over enslavement.

Legal Maxim

Everyone is equal before the law, which is mandatory and paramount.
(Always put this at the top of any Notices or Letters you write in regards to Law.)

Countries

So who created Countries and what are they anyways? Well simply put they are a form of Kingdoms which the Pope, the Emperor of Rome, delegates authority too. You know,
QUEEN ELIZABETH II and others with various impressive sounding titles. Did God create them? By the way did you ever notice that there always seems to be someone between you and God? Yes God being all powerful and creative, doesn’t have time to talk with his children, but he does to key selected people, such as George W. Bush who said, “God told me to invade Iraq.” Maybe God did, so why isn’t George on the front line invading Iraq? Can anyone say that God told them to do such a thing? Just wondering...

This book is about destroying illusions of power that a small group of evil people have been using to manipulate and control billions of people on this planet. Their objective is to bring in a One World Fascist Global Government, which all will be enslaved at least those that are left alive after they wipe out 80% to 95% of the world’s population, which Henry Kissinger signed off on in 1974. They want this by the year 2012, for a great awakening and transforming creative force will be at it’s peak by then. They can only succeed if we allow them too. This is happening right now and the purpose of this book is to expose the SYSTEM and to help you break free. To do this you must be willing to unlearn what you have learned and come to truth about reality and illusions presented before you. In doing this we shall create the world based on love and peace.

I also want to make it clear that there is a creative force involved here, which is based in infinite love and is more powerful than anything that these people who dwell in darkness could ever imagine. The object is to become disillusioned for through that you find truth, for truth has no illusions. There are some things may hold sacred such as the Bible, Holy Koran and other scriptures, which stand behind faith movements. The Creator has been given numerous names throughout the ages, but I refer to him as the Creator or the Creative Force, which is based in infinite love and thought. These people are at war with the Creator and thus at war with his Children, humanity. They have done much to suppress the truth for the truth destroy’s their illusions of lies.

So lets look at an illusion for a moment. What is your name? Your kidding right? Nope, what is your name? So you say, “John Smith is my name”, for example. You diligently have written this down on some “Official” form somewhere. Is it not a fraud to give hearsay evidence on official documentation? Did you have the mental capacity to know your name when you were born, when your parents gave it too you? I rather think not. Most people don’t remember anything until they were maybe 3 or 4 years of age, thus your name is only hearsay. Further where does it say that God gave himself a name or rather God giving Man or Woman an name? You say, Adam was given his name by God. Really? Read it again, it was LORD God who appears in Genesis Chapter 2 that gave Adam his name. If you go back to the Hebrew text all it says is a description, which was simply, “First Man”, that is what Adam means. Adam named all the animals and everything that there was to name. However are the names true? Just because you name something doesn’t mean that is true name. In the times of Rome people changed their names frequently based on their personality attributes. For what purpose would God have of names anyways, does not God know everyone anyways? Go back to Genesis Chapter 1 again and read it. Note the differences between Genesis Chapter 1 and 2. The fact is that we have given names, not true names. Given means an offer, which means an acceptance, did you accept your name? Is it your true name?

How do you know if the name is true or not? God didn’t feel it was necessary to name man or woman, probably because it wouldn’t be true. Names are descriptions, look up names in baby books and you’ll see. How many people named Mohamad, Smith, Robert, John etc. do you know? Maybe quite a few. If we are individual creations, should we not have individual names, descriptions that is? If God didn’t feel it was necessary for us to have names, why
are we bothering with it, considering a good amount of the planet seems to believe in God and it is suppose to be a democracy right? So the first thing you do when you goto court is you lie by stating your name, of course it is not a true court and we will get into that later as well. In fact Jesus never had a true name. The King James Bible makes use of all capital letters designating him as a PERSON or rather FICTION.

Matthew 1:25
And knew her not till she had brought forth her firstborn son: and he called his name JESUS.

Oh yes democracy, One PERSON, One Vote. So if 50% say we take the property of the other 50% and throw them in the street penniless, that's law right? What if maybe thirteen people say to do that but give an illusion that Elected 300 some people who are pretending to represent the interests of some 30 million people say that it is okay to do that? Democracy right? What if the Country has the ability to print all the money it needs to run it's operations, but chooses to borrow from PRIVATE banks and pay INTEREST payments on the borrowed money, which was created out of thin air and then turn on the PEOPLE of the Country and tell them they have to pay the taxes so we can pay the INTEREST on the imaginary loans and set it up so that the wealthy don’t pay at all, but everyone else does, that's democracy right? Did God create democracy? No. Nature? No. Hmm...

Simply put there is an equation of sorts that these people go by. The one they avoid is Abundance=Choice=Freedom versus Scarcity=Dependancy=Control. Because they control the currencies throughout the world they can set the value attached too them artificially. Thus moving resources in or out of areas of the world creating horrible situations for the people living there, thus dependant on the controlling government well armed by these people to ensure that the status quo is maintained.

Well you will see me mention God at times through the book. If you don’t believe in God that’s okay, the book isn’t about God but I make reference to it because all Countries through some form of facade’ make reference that they’re values and conduct come through Christian, Islamic or other similar religious system of belief, when in fact this is not true, but only used as an illusion to get people thinking that somehow the ultimate authority is God’s will in some way.

What has happened is that they have created an artificial world and overlaid it over the real world. This even includes God as being artificial as we will soon see. They divided up people into various regions over time by introducing different languages so we could no longer communicate with each other and put forward different traditions of which they call culture. Somehow being a culture in a petri dish isn’t my idea of how I would want to live my life, but it is what they have done. They have walled in segments of the world’s population and created boundaries around them, rather than celebrating the diversity. Yes we have been genetically manipulated to look different, but we are all the same. Anyone who says different ought to look at their basics needs of life and see that nothing is different, thus being prejudice against another only serves the interest of those who wish to enslave us. At the moment they are involved in genocide attempting to wipe out all non Caucasian (White) for reasons I will get into later. However the important thing here to note is that they have created an imaginary world and overlaid it onto the real. The imaginary world is based on commerce and everyone and thing in it is a corporation or product. Yes you are deemed to be a corporation. Of course a corporate can not eat, breath or be animated within the real world, but it is an imaginary world.
This imaginary world is based in slavery utilizing the Babylonian Talmud as the source for all law that is to say codified law. You know, postal code, criminal codes, building codes all sorts of codes. The Talmud is the based on how to treat your slaves, it is a guide on Master/Slave relations. And yes they may pass legislation, but in the end the refer to it as POLICY. Yes they are corporations. What happened in 1933 A.D. was there was a gathering of all the countries in the world and the leaders all agreed to allow their countries to go BANKRUPT. Of course the hid the truth of this from their people, because it was high Treason. Thus they brought in an age where they got you register your children’s birth and issue you a birth certificate, thus making your children SURETIES for the bankrupt countries. Then later in life making you pay for the bankruptcy through high taxation, fines, license fees everything they can possibly think of. Of course the bankruptcy is only imaginary, because it only exists in the imaginary world, but they got you signing “official” documents everywhere saying you have too or they use force and/or intimidation on you till you do.

So in essence the few have their hands on trillions of dollars, which is used to pay off corrupt politicians and officials to do their bidding. They have a SYSTEM in place which is based on Master/Slave relations for which you have no rights or freedom, only privileges. And in the end what they are doing is sucking the life energy from you and me and keeping us all in a state of fear, so they can quite laterally feed off of us, as that is their food. Fear is the food of these energy vampires and they have been with us for a very long time. I’ll get into this in more detail later in the book, but for now just know that we are at a cusp of transition and the race is on; they want a prison planet with a reduction of 80% to 95% of the world’s population. For those of you that are in law enforcement or the Justice SYSTEM in any capacity this is what you are involved in. The other side is through education of each other we are increasing the awareness of the world population of what is truly going on and thus resistance to their plans grows. They need us to help them with their plans, thus we are being used as instruments for our own destruction.

The other thing that is going on is the hundred monkey syndrom. That is to say when enough people no the truth and start acting on it, about 10%, transition begins. A study showed that when 10% of monkeys in a group started doing something different all the rest of the monkeys started doing the same thing, without being shown what the 10% of the group were doing. All life is connected and it is through our DNA that we broadcast and receive information. Our entire body is akin to a giant transmission and reception system being constructed through resonant frequencies. The Sun, Earth and Heavens are nothing more than illusions. They are frequencies with being generated, from which our subconscious constructs and our conscious mind observes into what we call reality. However if you look at an atom, you see great distances between electrons and the nucleus and thus nothing is solid. In fact you will remember in you high school physics that a photon can be both a particle and a frequency and also shows intelligence. Particles also have spin and depending on lets say the direction an electron spins will have different effects.

The Bible is a blue print for the New World Order. It is symbolic of what has been going on with humanity over many thousands of years. You and me may not believe in the bible but be sure that the New World Order Elite do. Not only that they use the Babylonian Talmud as the basis of oppressing those that don’t believe and again to a greater extent those who are not one of them. You may believe in the Bible and be a Christian, but more and more it will not save you in a court proceeding. The only way to win a court proceeding is to shut it down anyway possible. You can not win under their system. You only win if they decided that they wanted you to win to further their agenda. The Book Revelations predicted what is going on today and what is still to come. The implanting of microchips into our bodies for the use of commerce, which also have the ability to control and transmit emotions from you.
I recently read an article that the chips were hacked. This beast system is being put in place because the Elite believe the Lucifer is going to win. The world is being converted into a giant prison. Cities are nothing more than giant slave camps, where you are made to pay for your own enslavement. Things may get worse before they get better, but hopefully together we can stop this.

In this book I am going to using Canada as the focal point to explain the SYSTEM mostly because I am most familiar with it and secondly it is a de facto Government, which adds another level of sophistication to it, as they have had to hide things more and put up a greater illusion in which to trick the people into believing that they live in a COUNTRY and a legitimate one as well. Canada promotes itself as a Free world COUNTRY when in fact it is Fascist dictatorship. The USA is pretty straightforward, they put in Article 14 that if you receive a benefit from the State you enter into SLAVERY. Thus if you receive mail at home you are receiving a benefit from the state, because under common law all mail was delivered local mail posts where you could go and ask if there was any mail for you. Then of course all those unlawful contracts such as drivers licenses. Much of this is translatable into every other country on the planet and I will discuss some Countries as well.

It is clear throughout the world that Human Beings are used as slaves by other Human Beings. The rationalization for doing this is varied and in western world, it is hidden through a sophisticated monetary system. Openly you see enslaved people in some African Countries and North Korea, India and China. The United Nations Peace Keeping Missions in Balkans has been caught 3 times now, being involved in white sex slavery, soldiers kidnapping young white girls and selling them. Israel, Great Britain, Japan and other Countries do little to stop the horrific Sex slavery that resides within their boarders.

Saudi Arabia, Kuwait and other such Oil rich COUNTRIES bring in poor immigrants from places such as the Philippines and India. They are used as house servants and are paid very little, but basic needs are tended too. There they have hangings of poor Indians and Filipino people on a weekly bases accused of crimes such as rape. In a COUNTRY where a Kuwaiti can say after rear ending you in a car “accident” for sitting at a red light and saying it was your fault because you were in their COUNTRY, is a travesty of LAW. The COUNTRY is a dictatorship and highly discriminatory against classes of people within the COUNTRY and run by a ruling Family headed by a man named Amir, who hand picks the Leaders of the Institutions and Government. Like Saudi Arabia Amir heads the Royal Family and there are thousands of princes and Princess all related somehow that millions of dollars are shared amongst them leaving the masses with little to live on.

It is ironic that first Gulf War went to save the people of Kuwait from Iraqi invasion, restoring freedom to the People of Kuwait. Saddam attacked because he found evidence that Kuwait had been doing Horizontal drilling into Iraqi Oil fields and the USA gave every indication that they were not going to intervene. The USA and BRITISH maintain military Bases there so to protect them, but rather they are using it as a main staging and headquarters for killing millions of people in the region. The soldiers are not there to bring freedom to Iraq but to bring about a slow moving genocide of the people of Iraq.

It makes me sick to my stomach when I see people singing the National Anthems of Canada and the USA at Hockey Games on the TV or listening too it on the Radio. People take so much pride in signing these Anthems totally believing that they are free, when they have been tricked into mass slavery. The other aspect is that the people signing these anthems can afford the $400.00 ticket prices to the Stanley Cup playoffs or higher and live in comfort compared to the other 99% of the population that struggles to just live. Yes it is the land of the free for the few and privileged. They have all kinds of slaves working for them to prop
up their standard of living. CAPITALISM is slave based system from which the few exploit the masses for their benefit. The System fosters large bank loans to the few and mass tax write offs for those people who are the elite within the system leaving the COMMONERS with peanuts and endless work to make a living. Poverty is everywhere in CANADA, people dig through garbage to find a few bottles sell at bottle depots just to feed themselves, never mind having a place to stay. In a COUNTRY where the oil deposits are quoted at being 2\textsuperscript{nd} only to Saudi Arabia, it is crime against humanity that people have to sleep outside in -20 degree Celsius weather or colder doing the harsh winters because no shelters have room for them. The Shelters only provide people with 5 hours of sleep time and they are pushed out the door, for those lucky enough to have a mat to sleep on in a large room full of people.

In fact Ralph Klein the Premier of Alberta, walked into a Shelter one night drunk throwing money on the floor, calling them names, making them feel worthless and telling them to get Jobs etc. Most of them have jobs working at temp agencies making minimum wages for hard work. They are among the most exploited workers within the SYSTEM and just make enough to feed themselves but not much more. By the way ALBERTANS re-elected him in the next election, with a majority Government. Where welfare gives people a mere $380.00 per month to live on when rent averages $500.00 per month for a cheap single bedroom apartment, there is no escape for some people and many resort to crime just to survive. In fact CANADA crime rate exceeds that of the United States. People for the most part are just desperate. Young women selling themselves on the street and children too. Many Native women within the inner cities go missing every year and numerous people freeze to death in the winters. This just Edmonton, Alberta the “WeALTHIEST” province in the world? When you have a impoverished people they are more easily exploited. In Kuwait people related to the Royal Family are given about $20,000 per month per child they have in order to help raise them. Saudi Arabia the 20,000 related Royal family gobbles up 50% or more of the Countries GDP to finance their life style.

It is interesting how the Leaders of these COUNTRIES all live in luxury and catered to every whim they have and then say they are Leaders of the people. The CLERGY throughout the world all take a vow of poverty but seldom do you see any of them freezing to death on the street begging for money for food as you see in cities across the world. Look at the POPE and other Religious Leaders who have all taken vows of Poverty and see how they live in comparison to you. Don’t get me wrong there are a lot of well meaning people within the churches around the world, but somehow I don’t think they would be there if they had to endure the poverty levels that many people do daily in this world. Imagine having to dig through mountains of garbage and waste everyday just to find a few pennies for food. See if the Pope or other religious leaders would do that and still pound out their dogma. If you are ever going to be free you have to start letting go of the illusions being put before you. Lies and disinformation to conceal the underlying truth of the reality from which you are living.

Thus do you wish to maintain the status quo and remain a SLAVE that’s your choice, however if you don’t have help the few enslave yourself and your fellow men, women and children? Read this book and share it with others. They can only continue to enslave you and others if you allow them too. Nope it isn’t going to be easy, the people running the SYSTEM see you as a SLAVE and they do not want you to fight them in any way. They want your cooperation and servitude to them through their illusions to perpetuate their lifestyle and exploitation and war on humanity. In fact they want you enslaved by them and for you to pay for your own enslavement, which is exactly what is going on.
Chapter 1

The Foundations of a COUNTRIES that Never Were

Canada was Founded on the Supremacy of God and Rule of Law.
(Yes the Supremacy of the Emperor of Rome and his Rule of Law)

There are some defacto COUNTRIES, which means that there is no lawful authority between the PERSONS and the Government. Again I am going to focus on Canada as a model as I am most familiar with the structure. However you can simply look at what I do and you will find similarities with other COUNTRIES. Australia for example has no statements within it’s Constitution connecting it to the Queen’s Heirs and Successors. Everything is very subtle and hidden out in the open for the purpose of giving the Illusion that a Democracy that represents the wishes of the people is Governing them. In truth these Democracies are nothing more than Corporations and a Feudal System of Serfdom has been set up for which the people have no rights or freedoms, only privileges. They do selective enforcement of laws to give the Illusion that the law applies to all when in fact they are robbing the people blind. The objective here is to expose the system and fraudulent controls within that system so you can more easily see it taking place in other COUNTRIES and situations.

British North American Act

CANADA has a constitution. You hear it in the news now and then that there is a big constitutional challenge being brought forward to the courts. The Charter of Rights and Freedoms says this or that and someone is saying that their rights or freedoms were violated. The drone this on to lull you into believing that you live in a COUNTRY and that you are free and you have rights and freedoms. Yet when I talk to people very few have ever read the Constitution. Even those who took some advanced education in received no information on Constitution or very little if any at all. In fact the British North American Act isn’t even taught in Law School. This is after students spend 4 years getting a Bachelor of Fine Arts or Arts degree. Why? Well if you read the constitution you would find very quickly that there is none. In fact there is absolutely no authority for the institutions to be operating and controlling your life to any degree.

Section 2 of the BNA Act was repealed in 1893 which states:
http://www.solon.org/Constitutions/Canada/English/ca_1867.html

Section 2, repealed by the Statute Law Revision Act, 1893, 56-57 Vict., c. 14 (U.K.), read as follows:

2. The Provisions of this Act referring to Her Majesty the Queen extend also to the Heirs and Successors of Her Majesty, Kings and Queens of the United Kingdom of Great Britain and Ireland.

Canada does not have a Monarch because when Queen Victoria Died in 1901, so did the provisions of this Act to the British Monarchy.

Section 9 of the BNA Act states:
9. The Executive Government and Authority of and over Canada is hereby declared to continue and be vested in the Queen.

Queen Victoria died in 1901, so who has executive power in Canada anymore? Further
Executive power is a CORPORATE term, and does not make reference to living beings. Further it identifies people as being PERSONS, which are imaginary fictions, which CORPORATIONS are, imaginary. I’ll get deeper into what PERSONS are and where they come from later in the book. It is important for you to know right now that you are not a PERSON, but a living sentient being of mind, body and spirit. Also take note of the title, “The British North American Act”. Do you see the word Canada anywhere in the Title? Nope so if Canada is to be a COUNTRY should it not have it’s own Constitution? Oops, this is not a Constitution it is merely an Act. More accurately an Act of the U.K. Parliament. You see CANADA was nothing more than a CORPORATION listed on the British Board of Trade. It was used for commercial purposes to run the colony with. That is a Colony of PERSONS.

Now consider this. A person is something of an imaginary, pure fiction. It does not exist in our world. So what evidence do you have that the PERSON Queen Victoria was actually born or died? There is none. That is the whole point of this. The Coronation which I will get into later, is a complete fraud for it is nothing more than a make believe play creating a birth of a PERSON. Thus the foundation of their laws are based in the imaginary not the real. Thus why are we following them?

What was created was the Dominion of Canada. The British North American Act was the tool for creating this. However as seen above Section 2 was repealed in 1893. Thus two days after Queen Victoria Died in 1901, the Statutory Laws could not be reinstated as the Queen was dead, thus all contracts with her were null and void as it were. The international Bankers in London, “The City” a sovereign state within the City of London, much like Washington D.C., claimed Salvage rights to the CORPORATION called Canada or Dominion of Canada and quietly unsurped power from the Canadian People. However nobody was ever a Canadian, but they never told you that. At some point they stopped calling Canada the Dominion of Canada and just started calling it CANADA.

A friend of mine tells me that the Dominion of Canada still Lawfully exists as it was an act of Treason to repeal section 2 of the BNA Act. Statutory Law is actually never dies. A statute once made is always in place because of any prior contracts that relate to the statute being over turned the original statute still stands. Thus the simple fact that the Queen did not inform her subjects that she was withdrawing lawful authority for her heirs and successors without letting us know and agreeing to it, is in of itself validation that her heirs and successors still do have executive power. QUEEN ELIZABETH II is bound by her Oath in making the King James Bible the source of Supreme Law within Canada and throughout the Commonwealth. However as we will see. However the court rooms are not her courts at all, but are temples where people go to be sacrificed. You only are spared being sacrificed through your hefty donations of money, property and or freedom to the greedy lawyers and judges. Yes Judges get 30% of all the fines they lay on you in Court and property the confiscate for the state. Why? It is not a court it is a temple, more precisely the Temple of Baal, which we will get into more later in the Book.

So What makes a COUNTRY a COUNTRY anyways? Well COUNTRIES are created through the Law of Nations. But in reality they are created by the Emperor of Rome for the most part. The current Emperor of Rome is the Pope of course. He holds TITLE to I think most of the COUNTRIES on the planet if not all of them. Yes even the Islamic States. I’ll get into the Islamic religion later in the book, but in truth Mohamad was a Cardinal in the Roman Catholic Church who wanted to be Pope. He was denied this, which always goes by birth right, yes Popes are selected by birth right within bloodline families as are most heads of
states throughout the world. Mohamad created the Holy Quran and created his own empire. You will note that in the Quran there is a heavy use of the word Person, which is Roman Based. If truly Allah was giving Mohamad direction why would God want Mohamad to make use of the word Person? A Person being an imaginary fiction. All COUNTRIES or States have an official Religion that they push, it goes hand in hand with the state. They do this to some how gain some form of legitimacy with the Sheeple.

The Law of Nations makes it Clear that PERSONS within a land mass must come together to form the Government. They form the institutions and type of Government. The Law of the Land was formed by the Native People and it is my assertion that the Native Law System is the only Lawful system of Law within Canada today. I’ll get into this more later in the book, but for now realize the Native System of Law deals with real living People and not imaginary. Further it is based on Love thy Neighbor as thy Self, from which all Law must be based, hence Equality under Law is Mandatory and Paramount. However any System of Law can only be enforced if you agree to that system of law. So far I have seen no one being asked if they agree to any system of law, just being tricked and/or forced into the system of Merchant Law for the benefit of the Bankers and minions that run their SLAVERY System. All Law is, is simply contract. Nothing more or less. We either agree or disagree on everything. The Bible LORD God dished out Laws and Punishments that were extreme in nature, which were not based on equality. So called Christian leaders always seem to ignore Matthew 22, where Jesus states, all laws are based on love thy neighbor as thy self.

What will become more glaring and self evident is that under the Law of Nations only Persons can form these Countries. When did you convert from being a Human being to a PERSON? You can’t only Governments create PERSONS, as they are entities of fictional entities which are Governments. A PERSON is an imaginary entity thus it is not possible for the imaginary to create anything, hence the lie and fraud. I am also yet to see any proof that a Government of any kind can create anything anyways as they are all fictional entities. The simple fact that everyone on a land mass must be persons to form a Country is kind of like putting the cart before the Horse not to mention that PERSONS do not exist in the real world to begin with. It is all about tricks and illusion and suppressing the truth so the masses can not see what is really happening. Giving away your power and critical thinking to those who promise to take care of you. They take care of you only to the extent that they can fleece you for your hard works thus making you a slave. PERSONS were created originally in Rome from what I have read thus far. The truth is simply we only have one planet which we all live on, Countries are imaginary entities and were not created by the Creator of this planet. The System of Ownership is also very deceptive because only PERSONS can own anything which are imaginary things, the truth remains that the Earth is owned by humanity and all the creatures within it.

**Canadian Charter of Rights and Freedoms**

The Preamble says:

Whereas Canada is founded upon the principles that recognize the supremacy of God and the rule of law:

Okay, now if God is number One, then who is number two? Well let me enlighten you, you are not exactly that high up on the food chain. The Government is number two. Who is God then? Well the Romans used to name just about anything a God and people worshiped maybe 50 some deities they called a God. Well in this case because God is not defined, God could be a cockroach. The Same with the Queen’s Coronation Oath. You see unless they
define God, then God can be anything. In this case it would seem HER MAJESTY QUEEN ELIZABETH II is indeed God.

Okay what about the Constitutional Act of 1982? There it is the QUEEN came to CANADA and signed into LAW, giving it ROYAL ASCENT. CANADA is finally a COUNTRY with a Constitution. Right? Er well no actually. I want you to read Section 32 of the Charter very carefully. Her it is:

**Application of the Charter:**

**The Charter applies**

(a) to the Parliament and government of Canada in respect of all matter within the authority of Parliament including all matters relating to the Yukon Territory and Northwest Territories; and

(b) to the legislature and government of each province in respect of all matters within the authority of the legislature of each province.

Now read it again this over again. There is something missing from this. Yes something very, very important. What is missing is simply this, the charter does not apply to the people of Canada, only to the Government of Canada. Yes this is absolutely true. The Government itself confirms this on one of there own web pages, see bellow for the link and info. That’s right the charter doesn’t apply to the people, it only applies to Government.

**GUIDE TO THE CANADIAN CHARTER OF RIGHTS AND FREEDOMS**

**Part II : The Contents of the Canadian Charter of Rights and Freedoms**

**Section 32**

**Application of Charter**

This Charter applies

- to the Parliament and government of Canada in respect of all matter within the authority of Parliament including all matters relating to the Yukon Territory and Northwest Territories; and

- to the legislature and government of each province in respect of all matters within the authority of the legislature of each province.

Notwithstanding subsection (1), section 15 shall not have effect until three years after this section comes into force.

The purpose of this section is to make it clear that the Charter only applies to governments, and not to private individuals, businesses or other organizations.

Now Section 52 of the Constitutional Act of 1982 states:
The Constitution of Canada is the supreme law of Canada, and any law that is inconsistent with the provisions of the Constitution is, to the extent of the inconsistency, of no force or effect.

Take Sections 32 and 52 together and you now have it, all Laws in CANADA only apply to Governments, not to the people.

So lets say that somehow you still don’t believe that this can’t be true. Take a look at Section 1 of the Charter:

**The Canadian Charter of Rights and Freedoms** guarantees the rights and freedoms set out in it subject only to such reasonable limits prescribed by law as can be demonstrably justified in a free and democratic society.

Okay, now who gets to determine what is “reasonable”? Pretty vague isn’t it? And exactly which law are they referring too? What this actually is, is an offer of enslavement. The Charter has nothing to do with granting anyone any rights or freedoms. It is used as a tool to subdue the masses into believing that they have a Constitution and a legitimate Government running the COUNTRY. The other aspect to this is it makes use of the word Citizen, which is a PERSON. You are not a Citizen. Can you show me how you live within a fictional COUNTRY? Countries are just lines drawn on the map, you live on the Earth, nothing more or less. I think for the most part democracy can work if proper controls are put in place to ensure transparency and freedom for the people. The democracy being practiced today is nothing less than in name only and is in fact a dictatorship. In truth though democracies or any body politic are not necessary for they only serve to separate us from each and the world that our creator made for us.

Look at Figure 1 again and take note that it makes mention of the fact that it is a Human Rights Program. Did you take note of the All Capital Letter naming? It’s a Title is should be like that, so one may think. But as you will have noticed that FICTIONAL things are capitalized in this book, because that is the basis of the SYSTEM. The System is based on creating FICTIONAL entities called PERSONS. PERSONS are created by the GOVERNMENT so thus they are the property of the GOVERNMENT. Thus because the GOVERNMENT created the FICTIONAL entities, the GOVERNMENT takes the role of being GOD over those FICTIONAL entities. According to the Bible God Created Man and thus your creator God, is the ultimate judge of your actions and grants you’re your freedoms as laid out in Genesis Chapter 1. However God is not recognized as a Source of Law within this SYSTEM. Thus where does the GOVERNMENT OF CANADA get it’s moral guidance for the laws it creates? The Babylonian Talmud of course. The Talmud is taught by Rabbis and deals with Master/Slave Laws. Rabbi actually translates into to the words My Master. Now I am not going to say all Jewish People are involved in this, but rather a small faction of people are engaged in using this as a basis of Law. Many Jewish people will tell you Zionism is not part of their Religion from which much of this stems. Torah actually means “the Law” and it contains the Laws of God 636 of them for which was actually created by LORD God and not God. Again go back to Section 1 of the Charter, which Law are the referring too?

Now the way the SYSTEM functions is that it works on layers of lies. Yet everything is hidden out in the open, it is the nature of the belief system at work. Thus as you begin to dig into this you find that one lie leads to another, until the truth is finally revealed because of one simple premise, lies can only reside within illusion, find the source of the illusion and you find the truth. Ultimately where the truth will lead you is the premise behind this book. I won’t reveal it to you at this point as there is plenty of illusions going on at the moment that need to be dispelled first. Thus jumping ahead will actually slow you down because it
will generate so many questions for you that you won’t have a good grasp of what is really happening. I will do my best to keep you on the edge of your seat as we go through the layers of lies. The lies are there to distract the masses from the truth, controlling them yet allowing the people who run the SYSTEM to be free of the Laws that apply to the masses. There are laws which the masses are not told about but are used in the background for those running the SYSTEM. One such system of laws is the Uniform Commercial Code, from which the UNITED STATES operates under. Canada or rather the Crown in Right of Canada has signed onto the UNCITRAL Law system. This can be viewed at: 

At this point I have not much to say about the UNCITRAL system as I have not researched it. I will be making more information available on this topic later in the book.

Now let's move onto SOURCES OF CANADIAN LAW. Read through what was printed on the Canadian Government website first then I will discuss what they are really say.

Sources of Canadian Law as stated by the Canadian Government
Link:

Canada's present legal system derives from various European systems brought to this continent in the 17th and 18th centuries by explorers and colonists. Although the indigenous peoples whom the Europeans encountered here each had their own system of laws and social controls, over the years the laws of the encroaching immigrant cultures began to prevail. After the English defeat of the French at Quebec in 1759, the country fell almost exclusively under English law. Other than in Quebec, where the civil law was codified on the model of the French Code Napoléon, Canada's criminal and private law has its basis in English common and statutory law.

The common law, which developed in Great Britain after the Norman Conquest, was based on the decisions of judges in the royal courts. It is called judge-made law because it is a system of rules based on "precedent". Whenever a judge makes a decision that is to be legally enforced, this decision becomes a precedent: a rule that will guide judges in making subsequent decisions in similar cases. The common law is unique in the world because it cannot be found in any "code" or "legislation"; it exists only in past decisions. However, this also makes it flexible and adaptable to changing circumstances.

The tradition of civil law is quite different. It is based on Roman law, which was consolidated by the Roman Emperor Justinian. The law in ancient Rome was scattered about in many places: in books, in statutes, in proclamations. Justinian ordered his legal experts to put all the law into a single book to avoid confusion. Ever since, the civil law has been associated with a "civil code", containing almost all private law. Quebec's Civil Code was first enacted in 1866, just before Confederation (as the Civil Code of Lower Canada), and periodically amended over the years. The reformed Civil Code of Quebec came into effect in 1994. Like all civil codes, such as the Code Napoléon in France, it contains a comprehensive statement of rules, many of which are framed as broad, general principles so as to deal with any dispute that may arise. Unlike common-law courts, courts in a civil-law system first look to the Code, and then refer to previous decisions for consistency.

When discussing the law as it pertains to Aboriginal people in Canada it is also necessary to consider Aboriginal rights and treaty rights which are protected under the Constitution. Aboriginal rights are those related to the historical occupancy and use of the land by
Aboriginal peoples; treaty rights are those set out in treaties entered into between the Crown and a particular group of Aboriginal people.

What we see here are dictatorship law systems. Roman Civil Law has but one principle within it, that being that the Emperor’s will has force and effect. Thus any laws that may apply to a case be circumvented by the Emperor’s will to do so. Napoleonic Code, is based on the simple fact that you are guilty until proven innocent. If you are already judged as being guilty how can you be innocent? British-Common Law being a Judge Made Law is a shame, because the Judge can make a new precedent at anytime, thus it doesn’t matter what previous rulings are, it is simply what the Judge wants; no rule of law here or rights or freedoms to consider.

Now notice that something very important is missing. It has to do with the foundation of Law. Yes that’s it, Where is God mentioned? You know, the Charter of Rights and Freedoms the preamble says, “Canada was founded upon the Supremacy of God and Rule of Law.” Interesting that it is not mentioned here. Thus as it implies the King James Bible with the Letters of Patent is the Supreme Law within the Dominion of Canada. Oh yes, the Dominion it still exists in theory, but the Bankers unsurped power in 1901, two days after Queen Victoria died. This was done I was told because Canada was a Corporation listed on the British Board of Trade. The Bankers simply claimed Salvage Rights of the Abandoned Ship. They front these various law systems, but in truth they are using Admiralty Law, wherein the Captain (Judge), may over-ride any laws at will for the safety and security of the Crew and Ship. Thus all PERSONS have privileges not rights. However Common Law still exists and they must get your approval to proceed every step of the way. Why, because Law is Contract. That is all that Law is and ever will be. However they don’t tell you this and use numerous tricks to gain your permission to proceed against you, which is unlawful.

For now just be aware that you are absolutely totally free. The Laws of the International Bankers Corporation Canada do not apply to you. In truth no laws apply to you unless you agree that they do. Law is Contract. If the judges had absolute authority then why do they ask you to sign their orders if found convicted after a trial? It is contract. Don’t be deluded though, never goto their court system willingly as you are implying that their laws apply too you. We will get more into this later but for now realize that the courts are not based on truth or fairness but rather based on extortion and lies.

Native Law Decimated
Under international Law all PERSONS on the land mass must come together to form the COUNTRY. Thus they form the type of Government and Institutions that they want. When was this ever done in Canada? Never. The Quebec Conference that went to London to have the Canadian Constitution drawn up in 1866 were completely shut out of the process. The BNA Act was created by one U.K. Minister of Parliament and Officers in the Colonial Office. Everyone born within Canada would automatically become Subjects of the QUEEN. Where is the fairness in that? Further where were the Native People ever considered? They had numerous treaties set up, however these treaties were under Admiralty law of fictions. Were they told this? No. How can anyone contract with something that doesn’t exist in real life? No one can and thus the fraud. Further if you look at all the Treaties they all make use of capital letters in the names of all the people involved, thus indicating they are fictions and thus getting the Chiefs to sign on as Sureties for these fictions, without telling them this of course. Now Ottawa was free to do whatever they wanted because the Natives only had privileges not rights. The underlying truth is that they got the Native Chiefs to identify themselves and the people associated with them in Tribes as being PERSONS, thus the QUEEN doing her upmost to uphold the laws of God, i.e. LORD God, has no respect for PERSONS and thus the Babylonian Talmud applies. Well you jump up and down saying the
QUEEN is a PERSON and indeed it is, but the QUEEN was made SOVEREIGN that is to say above the imaginary laws, hence the CORONATION.

The Law of the land was the Native Law System, which primarily focuses on restoring balance and being in harmony with nature. The people that made their way into Canada had no respect for the Native customs or laws. They came to destroy and conquer. In the Eastern region of Canada some tribes were completely wiped out, while others were forced to accept vague “Treaties”, which would not provide clear adequate help to the Native peoples. The treaties said that the Government would take care of them, if they would just move onto tiny reserve lands and farm for a living. Because the people were mostly starving they had little choice but to agree to the terms.

Interesting aspect to the treaties was the fact that the Native people were to take up farming. However they were not given adequate equipment or instructions on how to go about farming. The open pages of the Talmud talk about how one treats their slaves who work the fields of their farm. Hence to say, this was very symbolic to the history of this oppressive group of criminals. They were indeed using the Talmud then as they are today in organizing their master/slave operations.

Prior to the treaties being signed a large portion of the Native population were wiped out by small pox. They were knowingly given blankets that were contaminated with small pox and of course it spread fast through the population. The spread of the white people through out North America was fast and the people had hardened attitudes about taking over land which belonged to the Native people. They gave no consideration to their way of life. It would seem to me that when you give people small pox knowing that it spreads quickly and kills then cut off their food supply and give them no support, you are involved in a genocide. This is exactly what was going on and continues to this day. Entire communities go without safe water to drink filled and the Government does nothing. If you visit Reserves you find people living in 3rd world conditions and even the oil wealthy reserves may still live in poverty.

As time went on money grew short and instead of helping the Natives the Government opted to put into building the Railroad. Interestingly the Railroad was built primarily by Chinese immigrants who had to pay a large head tax to come to the country. The pay was so little that it caused great hardship for them. Further many died from lack of vitamin C, scurvy. Prime Minister HARPER in 2006 made an apology for this to the Chinese community after many of the people who built the railway had died.

So money for buying food for the Native people on these tiny pieces of land grew short and hunting and fishing for food was very difficult. The farming equipment sent to the Native people was inadequate and few if any cattle were sent out as well. People began to starve. The Native people in Rupert Land, Western Canada, sought out Louis Riel for help. He was a deeply religious man and teacher, who knew how to read and write in French and English. He had fled to the United States earlier in his life for trying to help form a new province in Canada called Manitoba, which was based on having rights and freedoms for people living there. Imagine that rights and freedoms.

When he came back the native people were in very bad shape. They were starving. Food was stolen from one of the Farming Instructors to feed the people as he was instructed via
wire from Ottawa not to give the people the food. The 1885 Northwest Rebellion was simply started because starving people who were promised help in signing treaties took food and equipment they needed from Forts and white people’s settlements in order to survive. Some people were killed in the process and instead of trying to help the Native People, the Canadian Government sent troops out to capture the Natives responsible for the thefts and killings. In the

In the end Louis Riel and 8 other natives were was hung for trying to help starving people. One Arrow was believed to be Batoche and was convicted for Treason and put in prison for 3 years. The Charge was did levy and make war against our said Lady the Queen.... her Crown and dignity. Of course the law is based on PERSONS and the fictional world thus there was never any Subject matter at the trial to show that the QUEEN was a living breathing human being with real title to the Land. Still waiting to see the document signed by God for that one.

Poundmaker allowed a letter to be sent to Louis Riel with his name on it, which called for war. Poundmaker was given 3 years for Treason. Bigbear had done nothing wrong and in fact evidence presented to the court showed that indeed he had done much to help the Government during the Rebellion. He and his people never harmed anyone. He gave a 2 hour speech here is part of that speech:

Your Lordship, I am Big Bear, Chief of the Crees. The North West was mine. It belonged to me and to my tribe. For many, many moons I ruled it well. . . .

I am old; my face is ugly; my heart is on the ground. In future this land will be ruled by White men with handsome faces. . . .

When White men were few in this land, I gave them my hand in friendship. No man can ever be witness to any act of violence by Big Bear to any White man. Never did I take the White man’s horse. Never did I order any one of my people to one act of violence against the White man. . . .

I ask for pardon and help for my tribe. They are hiding in the hills and trees now afraid to come to White man’s government. When the cold moon comes the old and feeble ones, who have done no wrong, will perish. Game is scarce. . . .

Because I am Big Bear, Chief of the Crees. Because I have always been a friend of the White man. Because I have always tried to do good for my tribe. I plead with you now; send help and pardon to my people.

After this it only took 15 minutes to find him guilty of Treason. Of course he had a jury of his peers and there was no prejudice amongst the jury right? Consideration was given to fact that the whole rebellion was instigated by the Canadian Government in the first place by willfully disallowing support to these people and putting them in a position of either starving to death or take what they needed to survive. Next Chapter I will be on the Courts themselves and exposing the fraud that they are. Don’t skip ahead there is still much for you to learn about.
Louis Riel was hung for Treason primarily because he did have power. He was a politician in Ottawa and did have the ability help the Native People. There was a strong outrage amongst both Canadian and European people of the hanging of Louis Riel and also the fact that the QUEEN should have intervened. It was in fact a Kangaroo Court where the facts of genocide against a peaceful people was being ignored. The people committing the Genocide running the court selecting the Jury and making all decisions concerning identity of people and what would be considered as evidence. These were not trials they were mere optics to get the settlers to go along with the idea that Justice was being served and truth prevails.

Residential schools were set up at one point where native children were subjected to corporal punishment for the most frivolous things. Sexual, physical and mental abuse by institutional employees was awful. In one school an electric chair was used as a form of punishment. The objective of course was to traumatize a generation of children making it difficult or impossible for them to mature naturally. Thus effectively destroying their way of life, culture and sense of love. Also forced sterilization programs took place. There is a good book out called WAR AGAINST THE WEAK, which details the massive war that took place against impoverished people in the USA and to some extent in Canada after the second world war. Nazi’s fled Germany to set up shop in the USA after the war, trading their uniforms for Suits. That is a book in of itself and well worth the read. You can find out more by going to:

http://www.waragainsttheweak.com/

There is a very good website which goes into the Hidden Genocide against the Native People of Canada. There has been much hush money paid out and many threats put against the the people promoting the site. I strongly suggest you goto the site and read up on the info they have there.

http://canadiangenocide.nativeweb.org/

Remember the people behind the scenes are seriously into Slavery. Christian people found it okay to have African Slaves work for them in the United States on farms etc. Many of them died in the journey from Africa to the United States from lack of food, water and clean environment in which to live. It is unknown how many people died as they threw the bodies overboard as the sailed or reached the harbors in the USA, the home of the free and the brave. The people orchestrating the Genocide do it in a way that allows them to do it with impunity. If the objective had been to open up North America to European Settlers in a peaceful way, much work would have been done to protect the Native People’s way of life and create harmony. Instead it was an outright invasion to destroy as much of the ancient culture and independence, freedom and way of life as they possibly could. They destroyed as much as possible to hide the true history of the planet and humanity. If you can control the knowledge of the past you can give a false picture of the present, making it easier for people to go along with what you want them to do.

The Native people of Africa were brought to the USA as a slave labour force. It is slave owners who created the Protestant work ethic. That is that you must work for a living. You don’t work you starve. Well that’s all well and good if you are a slave owner. Who is the slave owners today? Slavery was abolished and it is a human right not be enslaved, the United Nations Declaration of Human Rights even says so. So why is it exactly that the world is operating on premise of slavery today? It isn’t, well it is but they just changed
some of the wording around to make you think that you are free. It will become much clearer as you read more, but for now realize that it is hidden out in the open and just because you don’t see people being whipped for not working hard enough, doesn’t mean that the whip has been taken on in other forms. Interesting that the Governmental Parties find it necessary to have a Party whip? Are the people that are sent to govern free to vote anyway that they want too on things? Who is making the real decisions? Further after 1901 who exactly had authority to exercise executive power within Canada? The Treaties signed by the Native people were with the QUEEN, who allowed all authority to be relinquished once she died.

Statute of Westminster of 1931

The Statute Confirms that Canada is under Admiralty Law and not Common Law based on the King James Bible.

5. Without prejudice to the generality of the foregoing provisions of this Act, section seven hundred and thirty-five and seven hundred and thirty-six of the Merchant Shipping Act, 1894, shall be construed as though reference therein to the Legislature of a British possession did not include reference to the Parliament of a Dominion.

6. Without prejudice to the generality of the foregoing provisions of this Act, section four of the Colonial Courts of Admiralty Act, 1890 (which requires certain laws to be reserved for the signification of His Majesty's pleasure or to contain a suspending clause), and so much of section seven of that Act as requires the approval of His Majesty in Council to any rules of Court for regulating the practice and procedure of a Colonial Court of Admiralty, shall cease to have effect in any Dominion as from the commencement of this Act.

There you have it complete disclosure that Canada was founded under Admiralty Law. Why is this so important? Well Admiralty Law has but one principle, the Captain may break any laws he/she wishes for the safety and security of the ship. However there is one problem, nobody is at sea here and nobody is on a ship. Thus you are granted privileges not rights and freedoms. This is common throughout the world not just CANADA or the Commonwealth. However they don’t tell you this. Why, well you’re a Slave, remember.

Although the U.K. Parliament gave up all controlling power over Canada, Schedule 17 of the Constitutional Act reinstated section 4 of the Statute of Westminster in 1982, giving the U.K. Parliament complete and direct control over Government of Canada. Thus those elected to Canadian Parliament must do as they are told by the U.K. Parliament. Thus CANADA is controlled by the U.K. Parliament under Admiralty Law.

4. No Act of Parliament of the United Kingdom passed after the commencement of this Act shall extend or be deemed to extend, to a Dominion as part of the law of that Dominion, unless it is expressly declared in that Act that that Dominion has requested, and consented to, the enactment thereof.

[Note: As far as Canada is concerned, section 4 was repealed by the Constitution Act, 1982.]
Note they never removed the repealing of Section 2 of 1893. The QUEEN has no power. So what is going on? Who is running the Asylum? Well no one is actually running it for then there would be someone to be held accountable, such is the nature of a defacto Government. They Acts are merely policy manuals for the CORPORATION.

The Statute of Westminster was put forward to show that the U.K. Parliament had no say over Canadian affairs at all. Done just prior to the BANKRUPTCY of CANADA and over 100 other COUNTRIES in 1933. This was done so they could apply Talmudic Law against the FICTION PEOPLE called PERSONS and use the unsuspecting living real people as sureties. Of course some caught onto the scam, but the courts being Admiralty in nature gave nobody any avenue for an impartial and fair trial to plead their case. In the United States all rulings prior to 1933 were abolished, hence rulings which agreed that people were not PERSONS, were thrown out in one fell swoop. That’s fair right? Common Law courts all over the United States were closed down and Commercial Admiralty Merchant Courts took their place, of course the people were not told this. Treason? Yes, beyond Treason as the Bankers seized control over the Judicial processes, thus ensuring that they could force their will against the people. Canada never had anything but Admiralty Merchant Courts. Thus all laws from the inceptions of Canada are invalid and unlawful.

In essence what the Statute of Westminster was all about, was to simply decommission the ship called Canada, listed on the British Board of Trade. Thus preparing it for the Bankruptcy that happened in 1933 to most of the countries of the world. This was done so they could bring forward the Babylonian Talmud as the rule of law for the planet. Creating a world of debtors with no rights or freedoms, for which real people are tricked into becoming the sureties for. Also enabling the Bankers to create massive wealth for themselves at the expense of the world. Why? Because the Agenda must progress and be in place prior to 2012, which is the end of the Mayan Callander and possibly the end of the world as we know it. However I’ll leave that open to speculation for now. Much thought by many has been put into it, however whatever is going to happen in 2012, these Ruling Elite are working hard to see to it we don’t get there as free people.

So what was 1982 all about anyways? Well it is the Jubilee of course. Jubilees go back to the time of Ancient Egypt where after 49 years the Slaves would get 1 year of freedom and then be re-enslaved. 1982 is 49 years after 1933. These people are seriously into Slavery and see us all as their property to use and dispose of as they wish. As you read through this book you will discover more about this. They built those Pyramids in Jubilees the Great Pyramid taking 3 Jubilees to build. So what are the building now? Well they are getting you to help them build a New World Order as announced by George Bush Senior. The New World Order is a One World Government based on enslavement of the people for the benefit of the Ruling Elite. Thus unless you are one of them, you might want to sit up and start taking notice of what is going on.

**Magna Carta**

From time to time you hear the Magna Carta discussed and how it relates to law. It takes about ½ hour to read through. It was written to stop the abuses coming from the Royal Officers and King against the Barons mainly, but all men in General. The Magna Carta was signed by King John in 1215. The difficulty I have with the Magna Carta is it makes a lot of use of the word PERSON. Which is a fiction. Thus the foundation of this law is founded in fiction and thus you can promote that men are free as much as you want, but within the Courts, you are talking Commercial Law and fictions have no rights only privileges.
The Magna Carta did not deal with the fact that the King had no title to begin with over the lands. The simple fact is that the QUEEN is part of the Black Nobility, which if you go back and look has no ties to the land at all. El-Lizard-Birth II or rather ELIZABETH II a title, holds title to imaginary lines on a map. Okay give her the Map and be done with it. You can all draw up a map of the world and send it too ELIZABETH II and say you can rule your imaginary map, just leave me alone in the real world. The Magna Carta dealt with a Feudal System where the people by large were serfs having no title to any of the land. The Barons were given land to care for by the King and thus they were responsible for the Serfs on their lands, which simply meant extracting their wealth from them in various taxation schemes and getting young men to sign up for military service to oppress the people of the land. Some what similar to what is going on today.

The Magna Carta was intended to last forever but no one recognizes it as a form of law anymore. The only aspect of the Magna Carta that I find important is the first section:

"1. First, that we have granted to God, and by this present charter have confirmed for us and our heirs in perpetuity, that the English Church shall be free, and shall have its rights undiminished, and its liberties unimpaired. That we wish this so to be observed, appears from the fact that of our own free will, before the outbreak of the present dispute between us and our barons, we granted and confirmed by charter the freedom of the Church's elections - a right reckoned to be of the greatest necessity and importance to it - and caused this to be confirmed by Pope Innocent III. This freedom we shall observe ourselves, and desire to be observed in good faith by our heirs in perpetuity. We have also granted to all free men of our realm, for us and our heirs for ever, all the liberties written out below, to have and to keep for them and their heirs, of us and our heirs:"

In simple terms we do not live in realms, yet another fiction. Pope Innocent III, a title not a real man, no proper noun expression of his name. The Church shall be free statement, is saying that a fiction shall be free. Interestingly in 1207 King John had a quarrel with the Pope over who should be the Archbishop of Canterbury. The result was the Pope excommunicated John and put England under a Church law saying that only christened people could goto Heaven. People born out of wedlock would be condemned to Hell. Then in 1214 the Pope proclaimed that anybody who tried to overthrow John would be legally entitled to do so. Hence who is running the Countries the Pope or the people? So John signing anything into Law such as the Magna Carta in 1215 had no merit as the Pope, the Emperor of Rome was ruling and still rules to this day. Except that the Sovereignty of the British Crown was transferred to the Chancery of Temple Bar in 1215, which is The City, inside London, which is a Sovereign State that is not under Cannon Law of the Pope.

The other point of interest was that once the Pope had taken over control of England people were made to work on Church Lands for no pay. The control that the church had over the people was total and any work that they did outside of the church lands was taxed to the level of 10%. This sounds like freedom doesn’t it? Interesting how the Church in section 1 of the Magna Carta can be said to be made free and then went about enslaving the people because it was free. Of course this also meant the church did not have to pay taxes. You have to realize also this was a time where the people were not allowed to read the Bible. Why, because the Bible was and is a complete fraud. There is important truths within the Bible, but it is not God’s Word. If people had read what Jesus stated in Matthew 22 the Son of God, concerning Love thy Neighbor as thy self it would be all over for the slavery system that the Pope and others were “employing”.
The QUEEN’S Oath

The Queen’s Oath is rather important to some for it grants freedom to anyone in terms of laws that appertain to them. Who determines what laws appertain to you? Well you do of course! But the catch is that they don’t tell you this and use all kinds of implied contracts and trickery to get you to comply with their SYSTEM. I have extracted the Oath for you to read below. I will add comments to it as it moves along. Further Elizabeth is only Acting as QUEEN ELIZABETH II, a FICTION. In truth because QUEEN ELIZABETH II is an imaginary entity it is impossible for this entity to take an oath at all, it doesn’t exist in the real world. This is a scam of course and they have been playing this one for hundreds of years.

The Queen having returned to her Chair (her Majesty having already on Tuesday, the fourth day of November, 1952, in the presence of the two Houses of Parliament, made and signed the Declaration prescribed by Act of Parliament), the Archbishop standing before her shall administer the Coronation Oath, first asking the Queen,

Madam, is your Majesty willing to take the Oath?

And the Queen answering,
I am willing,

It is interesting how this deflects the Oath away from the real woman standing before the Archbishop. What he is really saying here is, is your imaginary PERSON willing to take the Oath. Elizabeth is acting as the go between or rather a facilitator. She is not the one taking the Oath. The Majesty is taking the Oath, which is a person. She is saying the words for the imaginary fiction.

The Archbishop shall minister these questions; and the Queen, having a book in her hands, shall answer each question severally as follows:

Archbishop: Will you solemnly promise and swear to govern the Peoples of the United Kingdom of Great Britain and Northern Ireland, Canada, Australia, New Zealand, the Union of South Africa, Pakistan and Ceylon, and of your Possessions and other Territories to any of them belonging or pertaining, according to their respective laws and customs?

Queen: I solemnly promise so to do.

Okay a bunch of stuff going on here. Take note that no where in Canadian Law does it say that QUEEN ELIZABETH II is the Head of State or have any say on anything. Some people take Oaths to QUEEN ELIZABETH II, however they are all false Oaths as we will see later. Another aspect to this is that she states she is going to Govern her Possessions and other Territories. Define Possessions please, like that would not mean Subjects would it? As for the Territories issue, Countries like India, United States of America, that gained their Independence from the QUEEN are still under her rule, just people are not told this. However like most things we are ruled when it is suits their agenda and not ruled when it doesn’t.

Archbishop: Will you to your power cause Law and Justice, in Mercy, to be executed in all your judgements?
Queen: I will.

Exactly what power is being referred too? God never came to me and said that she could Judge things for him. Never mind that God said that an Arch Bishop could grant power for her rule over God’s Children. Lord God never gave mercy to Adam and Eve so why would the QUEEN need too? In fact Jesus never judged anyone for any crimes, so what is it with the QUEEN saying that she has any power at all to pass any kind of Judgement onto anyone? She has no power and neither does the Arch Bishop. I haven’t seen anything signed by God saying this is true and if God could talk to man and woman in Genesis Chapter One, then why doesn’t he simply talk to us all now?

Archbishop: Will you to the utmost of your power maintain the Laws of God and the true profession of the Gospel?

Now this is where the Torah comes into play. The Torah which means the Law, is the first 5 chapters of the Bible. If one breaks a Law of God and that’s 636 of them, then what? Does God come strike you down if you fail to obey one Law? Nope. If you open your Bible you will find that there are two Gods, God and LORD God. Bet they didn’t tell you that in Bible School. Go read Genesis Chapters 1 and 2 and you’ll see. It is LORD God that made Laws, God never made any laws nor did God give man or woman a name. I use the King James Bible unless I otherwise say so. It is the King James Bible for which holds supreme law for which the Queen here swears her Oath upon. This is also important for Jewish Money Changers as the SYSTEM of Usury they deployed throughout the world allows them to do whatever they want to their Beasts. Beasts, nope it is not me saying this it is LORD God saying this.

Will you to the utmost of your power maintain in the United Kingdom the Protestant Reformed Religion established by law?

Will you maintain and preserve inviolably the settlement of the Church of England, and the doctrine, worship, discipline, and government thereof, as by law established in England?

And will you preserve unto the Bishops and Clergy of England, and to the Churches there committed to their charge, all such rights and privileges, as by law do or shall appertain to them or any of them?

Remember the Magna Carta? Well here she is swearing that the Church is free. Note the last bit, “any of them”. Any of them is everyone else who isn’t in their church. So if you don’t belong to the church then where do your rights and freedoms come from? They come from where ever you say they do. Noting that you may do anything you want as long as it doesn’t forcibly interfere with others. I haven’t seen or heard God give her the title too the planet or come to you too say that she has any authority at all, so what’s the big deal here? In terms of Religion being established by Law, what Law? Admiralty Law? A law of fiction? Well yes.

In terms of her granting you freedoms, do you see anywhere in the Oath where it says that she grants you freedom? Nope. Just privileges. She is not ruling by Jesus Christ’s will she is ruling by Admiralty Law, which only extends privileges. Thus the Church is free but controlled by her so is it really free when she only will grant privileges? Nope. Also not it is QUEEN ELIZABETH II being Coronated not Elizabeth-Alexander-Mary: Windsor. It is a title in a fictional world as the planet has no title holder so they make up a fictional world and overlay it over the real. In truth no one but the creator has title to the planet and the creator operates on truth and love for any other mode would bring death and destruction to anything created. That creative loving force is within all of us. We are infinite being caught up in an illusion
being generated by matrix of fear. I will discuss things we can do to break out of the illusion in the later part of the book but for now I just want to concentrate on the SYSTEM.

Queen: All this I promise to do.

Then the Queen arising out of her Chair, supported as before, the Sword of State being carried before her, shall go to the Altar, and make her solemn Oath in the sight of

[The Bible to be brought.]

all the people to observe the premisses: laying her right hand upon the Holy Gospel in the great Bible (which was before carried in the procession and is now brought from the altar by the Archbishop, and tendered to her as she kneels upon the steps), and saying these words:

The things which I have here promised, I will perform, and keep. So help me God.

[And a Silver Standish.]
Then the Queen shall kiss the Book and sign the Oath.

The Queen having thus taken her Oath, shall return again to her Chair, and the Bible shall be delivered to the Dean of Westminster.

If God is real then why all the imaginary stuff? Well the Emperor of Rome established the Roman Catholic Church because he wanted a State religion. Roman law again has but one principle and that is the Emperor's will has force and effect. The Emperor is worshiped as a God. The deification of man into God does not detract from the fact that he/she is still man. However when your objective is to rule the planet you overlook these types of things. So in terms of Church of England what is God? You find this in the WESTMINSTER CONFESSION OF FAITH 1646. It was created by "Learned, godly and judicious Divines", as a document which would provide advice on issues of worship, doctrine, government and discipline of the Church of England and other churches as well that adopted it. The people involved were mainly people from the Church of England. Considering that

WESTMINSTER CONFESSION OF FAITH 1646
Chapter II, section III

In the unity of the Godhead there be three Persons of one substance, power, and eternity: God the Father, God the Son, and God the Holy Ghost. The Father is of none, neither begotten nor proceeding; the Son is eternally begotten of the Father; the Holy Ghost eternally proceeding from the Father and the Son.

WESTMINSTER CONFESSION OF FAITH 1646
Chapter VIII, Section II

The Son of God, the second Person in the Trinity, being very and eternal God, of one substance, and equal with the Father, did, when the fullness of time was come, take upon him man's nature, with all the essential properties and common infirmities thereof; yet without sin: being conceived by the power of the Holy Ghost, in the womb of the Virgin Mary, of her substance. So that two whole, perfect, and distinct natures, the Godhead and the manhood, were inseparably joined together in one person, without conversion, composition, or confusion. Which person is very God and very man, yet one Christ, the only Mediator between God and man.
Thus if Christ is the Mediator for what purpose do we need a Queen for again? Think the job of mediator has been taken by Jesus Christ. Isn’t that why we pray to Jesus and not to the Queen or the Pope? However the name Jesus Christ wasn’t even used until the mid 1500’s when the church settled in on the name and there were no records kept by the Romans of Jesus Christ existing. We’ll get into more of the Bible Fraud aspects later, but for now just realize that the Bible has been manipulated and designed to give credence of authority to those who have none. It is not God’s word, I never seen God write it or tell me about it, how about you?

There are lots of other sections in the WESTMINSTER CONFESSION OF FAITH 1646, which state God is a person. What it also states is that the rest of us are humans. Chapter I, Section III says:

The books commonly called Apocrypha, not being of divine inspiration, are no part of the Canon of Scripture; and therefore are of no authority in the Church of God, nor to be any otherwise approved, or made use of, than other human writings.

This is interesting because it says that humans wrote the Bible, under divine inspiration. Look up the word human in Blacks Law Dictionary and you will not find a definition for Human Being, but rather you’ll find it mentioned under the definition of Monster. Yes that’s right Blacks refer’s to Human Beings as Monsters that have no property rights. The muddling of word Person and Man has been done so to confuse the unaware, but let me make it clear a Person is a Roman invention which comes from the Latin word Persona which means mask. The entire SYSTEM is based on an imaginary world so the people in it have to be imaginary too, hence the word Person. Human Beings are real and thus do not exist within the imaginary world of Countries. For those who say they do, please show me how some one could live and breath inside an imaginary thing?

Now the most important thing you must understand about the Oath is this, Elizabeth-Alexander-Mary: Windsor does not appear on any documents or in any oath. She mouthed the words for an imaginary fiction a person, QUEEN ELIZABETH II. Where is QUEEN ELIZABETH II? She doesn’t exist in the real world. So much for having the right to face your accuser. All laws of LORD God can be broken including the 10 commandments because it is a fictional world in which everything is being played out. Each individual human being contracts as a Surety for these imaginary fictions and so what happens to the fictions happens to the children of God. However they don’t let you know about this do they? Once you get your head around the fact that everything is occurring in an imaginary world you can quickly pick apart the system and see what is going on.

The WESTMINSTER CONFESSION OF FAITH OF 1646, was suppose to be the document which regulates the QUEEN and her Officers from a Governing and Religious perspective. It gives clear direction about the church and it’s Faith. However it is written within a corporate fictional world and thus again it makes use of the word Person. Now from a religious perspective I am going to show you why this is not good and how this ties into you not having any rights or freedoms under the laws that they create in this fictional world. You do have rights and freedoms, just they don’t want you to know how to access them. I’ll be going into that shortly.

For the moment open up your King James Bible to the following locations. Note that there are many different Bibles from different parts of Christianity. They all claim of course to be God’s Word. However because the King James Bible is the one that is being used in the Courts, I am only going to be referencing that one. By the way the Bible used in the courts must have
the Letters of Patent within it. However as I have mentioned in the past the everything happens in an imaginary world thus anything can be changed on whim including having a King James Bible with the Letters of Patent in the Court. Again never goto court for anything unless you want to lose or pay a large sum of money and still maybe lose.

Open your bible to Deuteronomy 1:16-17 (Moses)

- [16] And I charged your judges at that time, saying, Hear the causes between your brethren, and judge righteously between every man and his brother, and the stranger that is with him.
- [17] Ye shall not respect persons in judgment; but ye shall hear the small as well as the great; ye shall not be afraid of the face of man; for the judgment is God’s: and the cause that is too hard for you, bring it unto me, and I will hear it.

Deuteronomy 10:17-19 (Moses)

- [17] For the LORD your God is God of gods, and Lord of lords, a great God, a mighty, and a terrible, which regardeth not persons, nor taketh reward:
- [18] He doth execute the judgment of the fatherless and widow, and loveth the stranger, in giving him food and raiment.
- [19] Love ye therefore the stranger: for ye were strangers in the land of Egypt.

Acts 10:33-34

- [33] Immediately therefore I sent to thee; and thou hast well done that thou art come.
- [34] Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons:

Romans 2:6-14

- [6] Who will render to every man according to his deeds:
- [7] To them who by patient continuance in well doing seek for glory and honour and immortality, eternal life:
- [8] But unto them that are contentious, and do not obey the truth, but obey unrighteousness, indignation and wrath,
- [9] Tribulation and anguish, upon every soul of man that doeth evil, of the Jew first, and also of the Gentile;
- [10] But glory, honour, and peace, to every man that worketh good, to the Jew first, and also to the Gentile:
- [11] For there is no respect of persons with God.
- [12] For as many as have sinned without law shall also perish without law: and as many as have sinned in the law shall be judged by the law;
- [13] (For not the hearers of the law are just before God, but the doers of the law shall be justified.
- [14] For when the Gentiles, which have not the law, do by nature the things contained in the law, these, having not the law, are a law unto themselves:

James 2:1-10
[1] My brethren, have not the faith of our Lord Jesus Christ, the Lord of glory, with respect of persons.
[2] For if there come unto your assembly a man with a gold ring, in goodly apparel, and there come in also a poor man in vile raiment;
[3] And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a good place; and say to the poor, Stand thou there, or sit here under my footstool:
[4] Are ye not then partial in yourselves, and are become judges of evil thoughts?
[5] Hearken, my beloved brethren, Hath not God chosen the poor of this world rich in faith, and heirs of the kingdom which he hath promised to them that love him?
[6] But ye have despised the poor. Do not rich men oppress you, and draw you before the judgment seats?
[7] Do not they blaspheme that worthy name by the which ye are called?
[8] If ye fulfil the royal law according to the scripture, Thou shalt love thy neighbour as thyself, ye do well:
[9] But if ye have respect to persons, ye commit sin, and are convinced of the law as transgressors.
[10] For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all.

James 2:1-10 is very telling of what has happened in the past is happening today. The rich are rich because they owned the courts for which they used to oppress the poor. They do not follow Love thy Neighbour as thyself and make use of fictions. Further you can see that the QUEEN is nothing more than a Fiction for which Elizabeth-Alexander-Mary: Windsor is acting for. Elizabeth-Alexander-Mary: Windsor is not taking any oath she is uttering the words for the imaginary Fiction QUEEN ELIZABETH II. Now getting everyone to be a SUBJECT of HER MAJESTY QUEEN ELIZABETH II is the key. The trap is laid and once you sign on as a SURETY for a PERSON you lose all your rights and freedoms under God’s Law that being Love thy neighbour as thyself. Now you are caught in their imaginary world, where they get to extend your privileges not rights. They use oppression and lies to get your full cooperation in doing all this. Try getting a job without a Social Insurance Number, Drivers License, Insurance, Diploma with an all caps name on it, work contracts or even buying property. Everything has the word Person written on it or has a corruption of your name from the proper noun format.

The true history of our planet has been stolen from us so that the few may hide their tracks of the past and give us a false fix on our current situation. This is not just hearsay it is supported by the Pope issuing orders to destroy books that expose truth in the past and destruction of cultures and knowledge world wide concerning the ancient past. They were not able to destroy everything and it is clear that the Earth once had a Global Society on it, hence all the Pyramids and lots of underwater cities. In terms of Religion, nothing has been more effective in imprisoning people’s minds than religion. The notion that it is okay to kill others as long as you believe in JESUS Christ, you would get to heaven, was used to slaughter millions in the Crusades. Non believers in Islam are considered by extremists as infidels and must be killed. In Somalia anyone not attending prayer services five times a day is killed for being an infidel. Tony Bushby an Australian researcher has written several books exposing the fraud, titled Bible Fraud, Secrets in the Bible and Crucifixion of the Truth.

The books brings forward a monumental amount of evidence showing that Christianity was simply invented and that historical accounts of JESUS fictional. Simply put nothing happened the way it says it did in the New Testament. Further the first 10 chapters of the Old Testament are pure fiction as well. An Archeologist by the name of Professor Thompson did
excavations on sites where the Bible said the Israelites were and compared dates etc and found nothing to be true. In many cases places the Bible says they were nothing was found at all during the digs. We are talking about hundreds of years here and nothing found. His book is called The Early History of the Ancient Israelites, sells on www.amazon.com. The simple fact that there is proof way beyond a reasonable doubt that the Bible is a work of fiction. Moses is a fictional Character, never existed according to the research done, along with Abraham, Isaac, Jacob, Solomom and David. Thus where does the QUEEN the Monarchy draw it’s Divine right to rule? There is none. In truth there are no Laws of God if you accept the massive evidence presented in these books. The very foundation of LAW is supposed to be based on the fact that there is a higher power we are all answerable too. Perhaps there is and I will comment on that later, but in terms of everything that the QUEEN in her CORONATION did, it was all based on a fraud, that the Bible was true and everything in it was true. Further if Mohamad was a decedent of Abraham and Abraham never existed, then perhaps one should start asking some serious questions here. The simple truth is that they are using extortion to gain your acceptance of their laws and morals. The very foundation of these religions is fraudulent and their applications are meant to enslave and oppress you, not free you.

If Moses did not exists and LORD God never existed as evidenced in these books then LAW itself is a fiction. This is in terms of the Creator making LAWS to begin with. Thus if there are no LAWS other than natural ones based on harmony and well being, then it is obvious that we have been sold a bunch of garbage. We are free sentient beings and the Earth is our home. This is easy to see by how the wildlife migrate everywhere, undaunted by imaginary lines on a map. The simple fact is that the Missionaries followed the explorers to soften up the people for exploitation. To begin the destruction of the ancient knowledge of the past. It is akin to the good cop, bad cop scenario. On one hand they talk about God and the gentle teachings of JESUS to get the people into a frame of mind of forgiving others for doing horrible things to them, like Genocide, Killing off food supplies, abusing them or simply stealing their land once they are put in a position of starvation. I am not saying killing is something one should do, but if a mosquito is sucking blood from your face lets say, what do you do?

Why hasn’t this come out before? Well the information has been released by scholars and others, but the information gets suppressed, books get burned etc. Even the Talmud was ordered burned by a Pope at one point because it exposed the life about Jesu and his brother Kristus, hence Jesus Christ. The burning down of the Library of Alexandria five times and the mere fact that Universities will not offer Degrees, which counter Christianity. As a side not

I suggest you pick up these books and read them. The ancient law called the Law of One, which was expressed in Matthew 22, Love thy neighbor as thyself, has been completely obliterated. Instead through commerce we are put in a position of fighting a war for money. In truth we are infinite love. Spiritual entities of great power and capacity to create and love. The objective of the ruling elite is to shut down our capacity to love as much as possible and get us operating in a state of fear. Where they can’t do that they simply use force to oppress us.

Who is the Queen? Well she is one of the top people in a 13 bloodline families currently in positions of power running the planet today. She is one of the Owners of the Bank of Canada, Federal Reserve and the Bank of England, all central banks that have no lawful money in them. I’ll get into that later in the book. I look at her as the focal point of Darkness and Light within our spiritual reality. She operates as a facilitator between Darkness and Light. Darkness puts up a massive illusion and uses oppression and everything they can to enslave
you with and get you to willingly or grudgingly go along with their SYSTEM. However some have found that privately contacting her and using the Torah as the basis of their plea for freedom has worked. However following 636 laws of LORD God is a very difficult challenge. I notice lots of license plates on cars in parking lots at the Synagogues. There is a set of laws that we are not told about that do apply to private individuals based on Common Law. Common Law is derived from the Bible as supreme law. Also the whole system resolves around hidden commercial law, based off the Talmud and deals with creditor/debtor, master/slave situations. I’ll explain more about all this later in the book. Further I am not convinced that Elizabeth-Alexander-Mary:Windsor has any authority over me or anyone else in her private capacity. I have seen nothing written anywhere about this. As for QUEEN ELIZABETH II that entity lives within an imaginary world and has absolutely no authority over anyone in the real world.

Although the Bible is a fraud there are truths within it. Again it is all part of the illusion and the Jewish and Christian and many other Religions have been set up to support a system of enslavement for the people of the planet, while the ones doing the enslaving quietly operate in position of hidden power. This is no joke and anyone rolling their eyes back are not looking at the facts. Near as I can tell from my research and that of others, their was some powerful knowledge left in the hands of a few concerning the creation of our universe, planet and who we are. This involved as one of the secrets immortality here on Earth that is to say we have the capacity within us to reverse aging or stop it all together. To people who seek power and control over others this knowledge and ability is priceless. In the ancient world the gods that created the Great Pyramid with the stolen BenBen on the top were the ones that passed this knowledge onto initiates and trained people on it. This is one of the keys behind the Masonic Order is to hide and control some of this information. The people who do get eternal life are still in bondage. They can be Kings or Queens but are still in bondage and must obey their masters and never reveal the secret knowledge. Jesu was murdered because he opted to try and share this knowledge with all man kind, hence JESUS. Tony Bushby explains the secret in his book Secrets in the Bible. Jesu was born of Royal Bloodline hence the Royal Law, Love thy Neighbor as thyself.

It is still unclear what exactly happened, but the knowledge did manage to get out to some people who decided to use the knowledge for evil rather than good. Thus they turned spirituality based on the heavens and beauty into a system of sorcery and evil. We may never no exactly what happened but needless to say the creator’s gifts were stolen by Darkness as it were. Now one thing that I have noticed that is very important about Darkness is that it operates in absolute truth. Truth in that it lies constantly about stuff in order to maintain the illusions. The other factor is the lack of feeling of what they do, they can not feel so they act. The underlying aspect to all of this is that there is indeed a creator and he/she is based on truth and love. They have to numb the feelings for truth and love in order to wage war against humanity, which I suspect we are all one consciousness caught up in a dream. We can be a droplet or an ocean of love but we are love. More importantly we are infinite and we are fast approaching a transitional time where our vibrational force is increasing in a frequency beyond the ability of illusion to keep us vibrationally suppressed or oppressed. We are infinite where the illusion is finite and soulless. We are beginning to break free of the illusion on mass scale and it is freaking our oppressors out. They are desperate and afraid as the sleeping giant is beginning to wake.

The other factor in this is that if you compare these sections to the Catholic Bible you see completely different statements. However remember he King James Bible is the only Bible.
“Officially” allowed in the Commonwealth Courts system. It is worth comparing just to see the contrast and the outright fraud that is going on in reference to translation and editing.

Sovereigns

If we are not PERSONS then what are we in terms of Law? Well as I said before we are living within a dream world reality. Nothing is solid here take a look at an atom for example, there is space between the electrons and the nucleus and even in the nucleus there is space. What fills that space is Æther. Our thoughts create form and the Æther is kind of like the medium for which we create first the spiritual form and then translate it into what we call physical form. Our subconscious minds create the reality about 1 ½ seconds before our conscious mind observers it or more. That’s right we are creating this reality from moment to moment, it is a dream, remember God rested from his creation. We are living God’s dream however we forgot that we were made after our image being everything that exists. Just because LORD God creates an illusion of man and woman doesn’t change the fact that he is using God’s creation to do it with. Thus LORD God has no say at all as to laws and belief systems, God is there and thus no laws or names were ever created, because love and truth require no such things.

I am jumping ahead a bit so I need to give you a quick explanation of spiritual energy. Take a look at John 1: 1-9. It talks about in the beginning there was a word. Word meaning sound vibration. This is highly important to understand because the Universe is essentially an infinite orchestra of sound and Æther, from which we transmute into physical reality and transmit out in a symphony. We exist in a multidimensional reality from which different things occur in time and in the infinite to create the observable reality we are experiencing.

Nikola Tesla discovered many things during his life. Æther was one of them and through it he discovered that the Sun was a massive generator of it and the Earth was a great collector of it. By making devices that were in tune with the Earth’s resonant frequency at the Æther level he was able to extract electricity to run appliances, lights etc. In fact he had a shoe box size thing full of electric tube things that when he put it in his electric car he was able to get it to go to 90 MPH. Not bad eh? Well there have been many other inventions since that utilize free energy and many of the inventors have been murdered or threatened not to mass produce their inventions. Dr. Steven Greer who heads the Disclosure Project in the United States is working very hard to bring free energy to the people of the world. However the nature of these inventions cuts too close to the core of what the truth is about our universe and they would also set the planet free. Imagine having all the free energy you would ever need? How would that tilt the balance of power?

The point about Æther is that there are various types of Æther, which Tesla discovered. The Human Energy Field uses a form of Æther as well and it takes on various colors and patterns. Our spiritual anatomy could not exist without it, except once you move into the Haric level which is where our Core Star resides. Yes we are all Stars in a vast infinite universe on the Haric level, neat eh? I travel to this level of experience from time to time and it is nothing but pure love and bliss there. There is much to do and learn within our spiritual world but more on that towards the end of the book. There is life that does not reflect light but which we can see through our spiritual eyes. Some people can easily see these Spiritual beings while others have not been taught how to see. You can start seeing the spiritual world around you by simply putting your eyes into a soft gaze and ask the creator to help you tune your sight to the various frequencies. I like to imagine that I am standing on the Creator’s hand while
doing this, seeing him smile or in a beautiful Glass temple out in the Universe, having the
creator helping me grow spiritually, as he shares the treasures of the Universe with me. The
universe is as much as his home as it is ours. So ask him/her for help.

What you will see mostly at the beginning are colored mists around people and perhaps some
Organon in the air if it is a sunny day. Organon are highly charged life force particles that
swirl around us and are charged by the sun. Our spiritual anatomy needs these particles in
order to keep our physical bodies healthy. Hence I worry about the massive destruction that
is happening to our planet. We need life to maintain life and the extinction lists is growing
every year. Soon the environment will no longer be able to support life, then where will you
go?

Energy is neither bad or good, it is just there. It is our intent and emotion that we put into it
that makes it good or bad. If we have free will then why is it that there is always someone
somewhere trying to impose their will onto us? The Creator never created Religion,
Governments or Territories. These are methods of control they violate what you see all
around you. I would imagine that if it were possible the powers that be would like to claim
that they own the Universe too. However they would only have to visit an estimated 200
billion stars in the Milky Way to just get started and then there are 100 Billion Galaxies in the
observable Universe, with new ones forming all the time I suppose. By the way do you know
the true names for all the stars in the Milky Way? Hmm, hard to claim rights over something
that has no true name, but onward we go.

So in terms of what is going on is that we are God’s Children as it were and it is we that are
the masters of the illusion. What Darkness is doing is very simple, they must stay within truth
at all times, not ours theirs. Thus they must lie to us at all times, but they also need to get
our agreement that it is okay for them to do whatever it is that they want to do to us. Thus
they count on the simple fact that we have forgotten who we are and that it is we that are
controlling the illusion. If you start looking at Elizabeth the Private woman as the facilitator
of the illusion she is only doing what you have agreed for her to allow to be done.

She has provided you with the Bible the instructions of how the illusion works and simply asks
you if you agree with it, Contract. There are many levels to the contract and thus many
different aspects to the Christian Religion and other religions, all based on the same premise
of offer and contract. To them this is a ritual of sorts. Their objective is always the same they
want to oppress you so you will help them keep their illusion going for which you are helping
to generate. They need your feelings of fear to stay alive it is the food one which darkness
feeds. One way of looking at darkness in comparison with light is that in darkness everything
is fragmented and separated. Darkness can not see beyond itself so it cries out into the
wilderness as a scared child would. What is going on is that we give darkness life, soulless as
it might be, but darkness has the ability to gain a soul if it wants to by believing in light. It is
a healing process of letting go of that scared child letting go and realizing that in light there is
no separateness only infinite ways we lovingly connect to each other. We create darkness
through our own feelings and thinking of being separated from others being like that scared
child traumatized crying out in the wilderness. For it is man that is the light and life within
God and the true light of this world.
Not trying to be cryptic here it is just difficult to explain all this. What you must begin to realize is that we are living in a dream reality. The QUEEN and all her minions are simple manifestations of the darkness we hold within ourselves. When we begin to reach out to each other in love and help each other and bring balance back to each others lives the manifestation of darkness becomes less and less. This is a natural law of whatever you focus your energy on will grow. The difficulty is that we are a multidimensional infinity and this aspect about us has been highly suppressed. Reason being is that on various levels of our spiritual bodies we hold trauma there. This trauma freezes our capacity to grow both psychologically and spiritually.

Maslow created a pyramid called the Hierarchy of Needs. Most of the world’s population doesn’t even make it past give me protection, food, water and clothing. It is a daily struggle so very few can actually take time to self actualize. Self actualization requires, abundance, choice and freedom. Hence we have a lot of work to do to help others self actualize and ourselves as well. What happens when a group of people self actualize may be representative in the legend of Shangri la where an entire city self actualized into a higher plane of consciousness. They all literally left this plane of existence. If this power is not true, then why do you think they spend so much time trying to oppress us. We live in a spiritual reality where we are the masters of the illusion. They just try very hard to get us to project the illusion they want rather than what we want.

Darkness leads to death and thus everything that they do revolves around a culture of death. The feed of the agony and suffering of everyone. They want that low frequency fear vibration as it is in fact their food. They feed off us like parasites because they have no way of sustaining their own life so they must feed off of us, the light and life of God. Thus the war on humanity is really more about keeping their food supply in a herd where you get the herd to police themselves, leaving them with all the time to feast and enjoy the comforts that their slaves provide them. Outrageous? Like to say so but this is closer to the heart of the matter within this reality we are in. The QUEEN’S wealth is estimated at $67 Trillion, what is your wealth at?

Thus the way the system is set up is that they must contract with us every step of the way. They have to ask us a question and we if we respond with an answer to their question we are implying that they have jurisdiction. Hence why you are asked your name for the record in Court. What you need to do is start by asking them the questions and watch them squirm. One good one is, “Do you stand for your Oath of Office?” or “How exactly do you have jurisdiction over me as a child of God within in his creation?”. Watch them squirming on those ones! The Bible is merely a play book on how to interact with us on this level of the illusion, but it is not our play book it is theirs and they have ensured that all the traps are laid well in advance of our running to their courts with their Bible in our hands. We have to stop playing their game, so that this is no game. Realize this as well, everything you are belongs to God and ultimately it is God’s decision.
as to what law applies to you not man. Ask to see a written agreement from God that says they can pass judgement on you or rather ask them God could join us right now and explain to you and everyone in the room how and why they have jurisdiction.

The key is always around contract and the illusion works on trying to trick you every step of the way to get your permission for them to proceed against you. Canada is kind of special in such that it was never formed into a Country to begin with and is run by a defacto Government. The people in Canada are totally free of all laws as they are all free private men, women and children. The powers that be, work on obtaining fraudulent contracts through the use of extortion, intimidation and trickery. But anything that you sign is not lawful for you are not freely entering a contract with all the information being presented too you. All they are trying to do is get you to be a surety for an imaginary PERSON so they can enslave you. This is what they do all over the world.

The extortion aspect comes from the fact that they haven’t told the people this so everyone thinks it’s the norm and they do not allow the truth to known to the masses. Thus individuals like myself and others take courageous steps in reaching out to people in an attempt to effect change. It is never easy being in the cross hairs of oppression and lies, but once enough people start challenging them the word gets out and change does occur. Some people will be in total disbelief about all this and never check things out for themselves. Rather they would attack me, the messenger then start challenging the people that are enslaving them. But love does not abandon and neither will I as love is who we are.

I have given you a bit of background here so that you would start to appreciate perhaps what Sovereignty is and means. Wikipedia [http://en.wikipedia.org/wiki/Sovereignty](http://en.wikipedia.org/wiki/Sovereignty) defines it as:

- Sovereignty is the exclusive right to exercise supreme political (e.g. legislative, judicial, and/or executive) authority over a geographic region, group of people, or oneself.

In Canada because a body Politic was never actually formed and there is no clear documented connection to the monarchy each man, woman and child is considered to be sovereign, however they won’t tell you this. What they are saying is the QUEEN is Sovereign and everyone else in her Kingdom is a PERSON, thus a slave fiction. When you take the step to say that you are Sovereign you are putting yourself at the same level as God as they are saying God is Sovereign. Thus by saying this they look at you as being a fraud. Interestingly the QUEEN can be Sovereign and you can’t. It is just a game and remember it is all happening in their imaginary world where they can make up the rules for it. All that is required is that you agree to it at some level, even if they use trickery or lie to you. Why, because they are not using the King James Bible as the source for their Divine Law, but rather the Babylonian Talmud, which is based on Master/Slave Relations. As soon as you indicate that you are a Slave by stating somehow that you are a PERSON, you lose all standing with the King James Bible and are picked up by the Babylonian Talmud.

Thus they say Countries are Sovereign and yet a Country is a fiction, incapable of making any decisions or interacting within the real world. It is suppose to represent a body politic of imaginary fictions called PERSONS who have no capacity to interact in the real world. The people involved with this are mere actors, who of which are protected by Title being Honorable, which indemnifies them of breaking any laws. Yes that’s right the Judge, The HONORABLE SO AND SO or in Parliament the Right HONORABLE SO AND SO. So the leaders are not held accountable by anything that they do and of course they control the Private Police
forces within the Country and squash any investigations that might come close to exposing the wide spread fraud and corruption that takes place on a daily basis. We’ll get to this later in the book.

In terms of Sovereigns as it relates to God. I rather use the term Creator instead of God. Because that more accurately describes what is going on. To think of God as a one singular living entity when in fact he is infinite is a really just attaching a name to the infinite. It can’t be done. Infinite multidimensional beings can not have a name primarily because names are descriptions and our descriptions change based on our state of being. As it is with God from which we are all part of. The Universe is our home, but it is also the medium for which spiritual creation is transformed into this dimensional experience. The Star Systems, planets and Galaxies all give off or reflect it. 90% of the Universe is Dark Matter so we can not see it. However it is light that facilitates the creation of life. Form is followed by thought, example move your hand. You had to think it first. Nothing is different in the context of the Universe. Thought is always creating form. In the spiritual planes of existence thought does not stop. New species of life is not just created through mutations in genetics, but also created through light. I’ll get more into this, but Credo Mutwa explained that his people arrived on the Earth through their thought travel to here. The simply materialized on the earth in there travel amongst the stars. Outrageous, nope, we are infinite and much of the esoteric knowledge was destroyed in the five great fires of the Library of Alexandria, five being a five pointed satanic star, Pentagon or Pyramid? I wonder... The other aspect to this is that JESUS was born under a star where 3 wise men came to give him gifts within his manger. The Devine birth of man can come through the stars as stated in the Bible, however they don’t want you to make this connection. More on this later in the book.

The simple fact is that we are the Creator’s Children and this is our illusionary playground. We are the masters of the illusion. The soulless creatures know this and this is the primary reason why they try to contract with us all the time, getting us to agree with them so they can suck life force energy from us through fear. The core aspects of Satanism is fear. Human sacrificing that took place in the ancient world is still with us here today. The Illusion has perhaps taken on some form of consciousness and thus is simply trying to survive. Perhaps that was what was done in the ancient world was to give the illusion consciousness. I don’t know. However in dealing with what is happening on a daily basis you need a better fix on the past and that is what I am try to help you with.

Thus what I am trying to make clear here is that Sovereignty is a term used within their SYSTEM. If you attempt to fight them within their SYSTEM chances are you are going to lose. However there are times that skirting the edges of the SYSTEM can be helpful. The mere fact that they are claiming that countries are sovereign is a lie. This is because the monetary SYSTEMS in those countries are based off the World Bank or some Central Bank that is connected somehow to the consortium of International Bankers that are involved in running the planet. A country can not be sovereign if a foreign entity dictates to them what their monetary and economic policies shall be. Thus is the case with all the loans that are going on through out the world. Also multinational corporations lobby Governments to put in place laws which help them maximize profits within the countries they operate. Since when is a corporation have any say in a democracy where living people are suppose to be represented? Sovereign Nations are constantly being invaded for frivolous reasons, mainly to get access to resources such as Oil.
QUEEN ELIZABETH II or rather Elizabeth was born in Germany. So how is it that she can be the Monarchy for England? That is not sovereignty, but rather an occupation. Germany isn’t even part of the Commonwealth. But one only has to remember that it is all taking place in the imaginary world. Elizabeth was born on the Earth, just like you and me, end of story. QUEEN ELIZABETH II was created in England via the Coronation. Interestingly if you break up the word Coronation into two parts Coro and Nation; then look up the definition of Coro you find it to be:

Coro  http://en.wikipedia.org/wiki/Coro

• (person), a singer/actor

Nation  http://en.wikipedia.org/wiki/Nation

• The most popular modern ethical and philosophical doctrines state that all humans are divided into groups called nations. The nationals (born of the "nation" in this sense) are distinguished by common identity and origin. ...

• The English word "nation" is derived from the Latin term natio (stem nation-), meaning: The goddess personifying birth; or

Thus because of the trickery and extortion that they use to get you to comply with them in saying somehow that you are a PERSON does not detract from the simple truth that you are indeed not a person. You are not an imaginary fiction. Thus because law is only contract you must agree to what they are saying is true, even though they are only speaking in regards to an imaginary world. Talk about know thy self. Their objective is to extort wealth and freedom from you, they like their mammon. In terms anyone being sovereign, I would be careful in using this word. For it is a word used in their imaginary world. Rather I would simply use statements like, “Where do you draw your authority from? If it is from the imaginary world then you have now power. It is isn’t real.” All authority stems from ourselves. Law is contract and unless you see your signature on the constitution or legislation you haven’t agreed too it. What word would I use in place of Sovereign? Not sure if a word exists. Sovereign implies the ability to exercise control over others. Each of us can only agree to each others requests to from contracts.

Canadian Flag

The Canadian Flag is a flag recognized the world over. Flags are used on ships and hence the world is made up of imaginary ships. The Ship that Canada uses is named the Crown. Yes the name is called the Crown and it is not referring to the British Crown as they would like you to believe. Have a gold strip or tassels around the outside of any flag indicates that you are under Admiralty Law, a law which only extends privileges and limits your capacity severely in defending yourself in their courts. US Soilders in Iraq for example have a gold stripe around the US flag indicating that they are under admiralty law. You will find gold tassel flags in every courtroom in the world I would think. The nature of admiralty law is that the judge can use law in any jurisdiction in order to draw a verdict from. Thus he could draw law from Saudi Arabia for example and state that because you took a loaf of bread your hand must be chopped off as part of your punishment, then perhaps some whipping and starving in the prison for a while. Then of course he gets your agreement too it by implying you must sign the judges orders. Why, again there are no true courts on the planet, law is contract. Be getting into this a lot deeper in the next chapter.
My observations of the Canadian Flag are my own and I don’t know if this is what they had in mind when they created it, but here we go. The Canadian Flag is a flaming sword that marks the path to the tree of knowledge. It is red in color because red signifies on the light spectrum the lowest frequency of the spectrum, which is akin to the lowest form of life. This color attribute is referenced to the BenBen that illuminated and energized the Great Pyramid prior to it being stolen. In the Bible LORD God cast Adam and Eve out of the Garden of Eden and marked the path to the tree of knowledge with a flaming sword. As a side point have you or has anyone else ever come across this flaming sword? Considering that LORD God created an illusion based on fear and trickery all blame should be squarely placed on LORD God and not Adam and Eve, for he was the instigator. How could you not protect your children from evil. LORD God was excited that Adam and Eve where now like us, knowing good and evil. That indicates that we are indeed God’s Children caught up in LORD God’s Illusion. LORD God is a defacto God as is Canada being a defacto Government. Hence why I say that Canada never was and never will be a real Country, if that were even possible in the real world.

I do take exception with Islam in terms of how women are treated and the system of Law. It is not based in truth and does not honor individual authority. The mere fact that the Torah and the rest of the Bible has been proven to be fraudulent is not a basis to imply that it is absolute truth and that people should be harmed or oppressed because someone or some people will not acknowledge this simple truth. The mere fact that killing non believers is okay, is not going to change the fact that individual chose not to believe. To raise a flag on an imaginary ship and then say that your Country is based on Islamic Law, when in fact it is based on an imaginary fiction is counter productive, in that the foundation of the State exists only in an imaginary world, much akin to the illusion that LORD God like us to believe we live within. If the foundation of the Old Testament is a lie a total fiction, then why is Islam a Religion? It is simple, it creates infidels out of the non believers and thus through propaganda and outright lies and brainwashing, people enter wars believing they are doing God’s work. Why anyone believing in Christianity or Islam kill another fellow man is beyond my capacity to comprehend. Perhaps, the LAW, Though shall not Kill means nothing to them.

One last thing about Canada. The Word Canada they say came from the word Kanata, which was a Native word for Village. In the Bible God commanded Abraham to leave his home and take his wife Sarah and family to a new land called Canaan. Canaan versus Canada, you decide.

Title to Lands of Canada

The QUEEN went to the Native people using Treaties to obtain rights to the land. This after of course destroying their source of food and willfully giving out blankets that were contaminated with Small Pox, wiping out large amounts of Native people in a Genocide. From where did the Native people have any Title to the land to begin with? The Creator is the only one who has any rights to the land and us for that matter. They know this and that’s why everything operates in an imaginary world. So much for Love thy Neighbor as thyself. The simple fact is that these treaties were signed under duress and threat of Genocide and have no lawful merit to be considered as binding. Lets take a look at Treaty 8.

Treaty No. 8

ARTICLES OF A TREATY made and concluded at the several dates mentioned therein, in the year of Our Lord one thousand eight hundred and ninety-nine, between Her most Gracious Majesty the Queen of Great Britain and Ireland, by Her Commissioners the Honourable David Laird, of Winnipeg, Manitoba, Indian Commissioner for the said Province and the Northwest Territories; James Andrew Joseph McKenna,
of Ottawa, Ontario, Esquire, and the Honourable James Hamilton Ross, of Regina, in the Northwest Territories, of the one part; and the Cree, Beaver, Chipewyan and other Indians, inhabitants of the territory within the limits hereinafter defined and described, by their Chiefs and Headmen, hereunto subscribed, of the other part:

In all contracts using dates the dates are wrong and thus making an untrue statement. Jesus was Crucified during the Passover, which happens in spring around mid April. Thus all Calendars should start with the year starting in April on January. I know a trivial point but it is a subtle tip off to the true nature of the horrific level of lies, deceit and outright extortion that has and is taking place.

WHEREAS, the Indians inhabiting the territory hereinafter defined have, pursuant to notice given by the Honourable Superintendent General of Indian Affairs in the year 1898, been convened to meet a Commission representing Her Majesty’s Government of the Dominion of Canada at certain places in the said territory in this present year 1899, to deliberate upon certain matters of interest of Her Most Gracious Majesty, of the one part, and the said Indians of the other.

Okay this is the second time Her Most Gracious Majesty is used. Take careful note that you will never, ever see Alexandrina Victoria name used on any documents anywhere. Why because Her Most Gracious Majesty the Queen of Great Britain and Ireland is only a Title, a fiction. Alexandrina Victoria can not have Title to real land because it all belongs to the Creator and they know this. The entire treaty is created from the context of the imaginary world taken from the PERSON’S perspective.

AND WHEREAS, the said Indians have been notified and informed by Her Majesty’s said Commission that it is Her desire to open for settlement, immigration, trade, travel, mining, lumbering and such other purposes as to Her Majesty may seem meet, a tract of country bounded and described as hereinafter mentioned, and to obtain the consent thereto of Her Indian subjects inhabiting the said tract, and to make a treaty, and arrange with them, so that there may be peace and good will between them and Her Majesty’s other subjects, and that Her Indian people may know and be assured of what allowances they are to count upon and receive from Her Majesty’s bounty and benevolence.

At what point did the Indians become Subjects of the Queen, a Fiction in an imaginary world? No one is a Subject of the Queen we all live in the real world and are the Creator’s Children. We are all self determining and free. Once you become a Subject of the Queen you have no rights or freedom, you only have privileges as you are a slave.

AND WHEREAS, the Indians of the said tract, duly convened in council at the respective points named hereunder, and being requested by Her Majesty’s Commissioners to name certain Chiefs and Headmen who should be authorized on their behalf to conduct such negotiations and sign any treaty to be founded thereon, and to become responsible to Her Majesty for the faithful performance by their respective bands of such obligations as shall be assumed by them, the said Indians have therefore acknowledged for that purpose the several Chiefs and Headmen who have subscribed hereto.

Here we see that the treaty assumes that an Indian Band is a Body Politic and that one or the few may speak for the rest of the people. In truth no one can speak for you, only you can speak for yourself. If your name is not on the Contract then you are not agreeing to it. If fact Indians or what I would rather call them Native People, would join and leave bands as they wished. They simply grouped together for ease of survival and necessity. Yes family ties are important and people stayed together based on family ties, much like everyone else in the world. But this does not mean that they are operating as a Body POLITIC.

AND WHEREAS, the said Commissioners have proceeded to negotiate a treaty with the Cree, Beaver, Chipewyan and other Indians, inhabiting the district hereinafter defined and described, and the same has been agreed upon and concluded by the respective bands at the dates mentioned hereunder, the said Indians DO HEREBY CEDE, RELEASE, SURRENDER AND YIELD UP to the Government of the Dominion of Canada, for Her Majesty the Queen and Her successors for ever, all their rights, titles and privileges whatsoever, to the lands included within the following limits, that is to say:
In terms of surrendering the land to the Government of the Dominion of Canada, Canada at this point was nothing more than a CORPORATION listed on the U.K. Board of Trade and run by the U.K. Parliament. A fictional entity can not hold land for it does not exist in the real world. The same goes for Her Majesty the Queen and Her successors. They do not exist in the real world. In terms of rights, titles and privileges, what do you think that they are referring to here? I have never seen any document by the Creator saying that it is okay for a fictional entity to take away his gift from his children, have you? It assumes that somehow these are rights that can be given and taken for which no one has that authority. This is a CONTRACT but a fraudulent one. If they did have rights, titles and privileges to the land to begin with, then what where the colonists doing there? Why were they destroying that which was not theirs to begin with? In essence the Queen or rather the people hiding behind their fantasy world of PERSONS created excuses for themselves for occupying, destroying and genocide against the Native People. In today's terms if someone invaded another Country and did what these Murder’s and thieves did the entire world would send in their army’s to destroy them and restore peace and harmony to the people. So why is it that the world sits by and allows this atrocity to go unchecked? Well the Agenda was to get the entire planet under the control of the few through the use of imaginary world of PERSONS. Now that it is accomplished they could control large populations of people through Body POLITICS, from which the few could create the Holy Roman Empire or rather the New World Order.

Commencing at the source of the main branch of the Red Deer River in Alberta, thence due west to the central range of the Rocky Mountains, thence northwesterly along the said range to the point where it intersects the 60th parallel of north latitude, thence east along said parallel to the point where it intersects the Hay River, thence northeasterly down said river to the south shore of Great Slave Lake, thence along the said shore northeasterly (and including such rights to the islands in said lakes as the Indians mentioned in the treaty may possess), and thence easterly and northeasterly along the south shores of Christie’s Bay and McLeod’s Bay to old Fort Reliance near the mouth of Lockhart’s River, thence southeasterly in a straight line to and including Black Lake, thence southwesterly up the stream from Cree Lake, thence including said lake southwesterly along the height of land between the Athabasca and Churchill Rivers to where it intersects the northern boundary of Treaty Six, and along the said boundary easterly, northerly and southwesterly, to the place of commencement.

What is interesting about the land boundary description, is the land that HER MAJESTY QUEEN ELIZABETH II, the corporation uses names and geographical numbering SYSTEMS to describe the land boundaries. You can simply change the names and geographical numbering system and then what does the treaty refer to then? The simple fact is that they treaty only references imaginary things not real. Names are imaginary. You can rename the Red Deer River for example to anything else you can imagine, but the river remains the same, just the name changes. The reality is that the fictional entity is creating a treaty of fictional things not the Earth. The Earth still belongs to humanity given to humanity by the Creator. Thus it is just another form of fraud. The nature that the QUEEN puts herself above God does not detract from the fact that the woman prostituting her body as the QUEEN is still a creation of the creator and has no more authority over anyone or anything on the planet than anyone else does. This is the same for all property on the planet. Many buildings use capital letters in the name of their Building or fancy font logos etc. It does not detract from the truth that these structures are still the Earth just molded into a different form. Change the name of the structure and the structure remains, so the names are fiction the structures are real. This goes for all the Countries in the world, change the names of Countries and you set up new ideologies or social structures, but the people remain the same as does the Earth. Remembering that they are in an imaginary world trying to overlay the imaginary onto the real until you point out the obvious to them that it is fraud. When you do that the scam is over.

AND ALSO the said Indian rights, titles and privileges whatsoever to all other lands wherever situated in the Northwest Territories, British Columbia, or in any other portion of the Dominion of Canada.

Again rights, titles and privileges to the land, where did the Native People gain these from? Creator? There is nothing written by the Creator anywhere. In truth the land we are on is not ours to give away, it belongs to everyone. Is it saying that somehow that the Dominion of Canada, was extending these rights, titles and privileges to the Native People prior to the treaty? At what point did the Colonist seek permission from the Natives to occupy their land? Was it the Colonists idea that the land belonged to them as well because it wasn’t a Country in the beginning? That would mean exactly what I have been saying, that the planet belongs to everyone and not to fictional entities called Countries. But of course in terms of having selective observations, this was ignored by most people.

TO HAVE AND TO HOLD the same to Her Majesty the Queen and Her successors for ever.
And Her Majesty the Queen HEREBY AGREES with the said Indians that they shall have right to pursue their usual vocations of hunting, trapping and fishing throughout the tract surrendered as heretofore described, subject to such regulations as may from time to time be made by the Government of the country, acting under the authority of Her Majesty, and saving and excepting such tracts as may be required or taken up from time to time for settlement, mining, lumbering, trading or other purposes.

Here we see extending of rights from a Fiction. Can the Queen present herself in the real world and protect their rights for this? No, she is a fiction. Here they give the rights to hunt, trap and fish with one hand and take them all back by saying that it is subject to regulations. Thus it is only a privilege not a right.

And Her Majesty the Queen hereby agrees and undertakes to lay aside reserves for such bands as desire reserves, the same not to exceed in all one square mile for each family of five for such number of families as may elect to reside on reserves, or in that proportion for larger or smaller families; and for such families or individual Indians as may prefer to live apart from band reserves, Her Majesty undertakes to provide land in severalty to the extent of 160 acres to each Indian, the land to be conveyed with a proviso as to non-alienation without the consent of the Governor General in Council of Canada, the selection of such reserves, and lands in severalty, to be made in the manner following, namely, the Superintendent General of Indian Affairs shall depute and send a suitable person to determine and set apart such reserves and lands, after consulting with the Indians concerned as to the locality which may be found suitable and open for selection.

Here they are saying we can sell off your Reserve lands at anytime with their consent. Wow! They just finished committing genocide, wiping out the millions of Buffalo as the main source of food and way of life and now they are saying we are going to ask you permission first if we want to sell some of your land for your benefit? The land you and your ancestors have lived on for centuries or more? Okay...

Now the truth about the Colony comes out. The fact that it is a military occupation headed by the Governor General. Canada or rather the Crown is the Imaginary Ship and the Governor General is the Commanding Officer. The Superintendent General is another Military position and thus putting the Native people under Admiralty Law. At this point it does not matter what the contract says, in essence it is saying we can do anything we want to you but you can’t do anything to us. It is servitude.

Provided, however, that Her Majesty reserves the right to deal with any settlers within the bounds of any lands reserved for any band as She may see fit; and also that the aforesaid reserves of land, or any interest therein, may be sold or otherwise disposed of by Her Majesty’s Government for the use and benefit of the said Indians entitled thereto, with their consent first had and obtained.

It is further agreed between Her Majesty and Her said Indian subjects that such portions of the reserves and lands above indicated as may at any time be required for public works, buildings, railways, or roads of whatsoever nature may be appropriated for that purpose by Her Majesty’s Government of the Dominion of Canada, due compensation being made to the Indians for the value of any improvements thereon, and an equivalent in land, money or other consideration for the area of the reserve so appropriated.

This means that once you have spent all your time clearing bush, plowing a field and making it good for growing crops, they can come just take it from you and do whatever they want. That sounds fair right?
And with a view to show the satisfaction of Her Majesty with the behaviour and good conduct of Her Indians, and in extinguishment of all their past claims, She hereby, through Her Commissioners, agrees to make each Chief a present of thirty-two dollars in cash, to each Headman twenty-two dollars, and to every other Indian of whatever age, of the families represented at the time and place of payment, twelve dollars.

Here is the money part of the Contract. In exchange for all your land we are going to give you $32 cash and each of your headmen $22 and everyone else gets $12. Try and buy a small lot in a city for that amount of money. Millions of Acres of Land for peanuts.

Her Majesty also agrees that next year, and annually afterwards for ever, She will cause to be paid to the said Indians in cash, at suitable places and dates, of which the said Indians shall be duly notified, to each Chief twenty-five dollars, each Headman, not to exceed four to a large Band and two to a small Band, fifteen dollars, and to every other Indian, of whatever age, five dollars, the same, unless there be some exceptional reason, to be paid only to heads of families for those belonging thereto.

In terms of the agreement the cash being used today is unlawful because it has no value, that is it is not backed by anything real such as Gold or Silver. They may still be getting Cash, but it is not the same kind of cash. Not that this really matters much in terms of simple fact that they were forced to contract with a fiction or die from starvation. By the way you will notice that Father LACOMBE was on the treaty as an interpreter. Where was this missionary in terms of trying to help these starving people? Should he had not sent a letter to the Pope requesting financial aid to feed the people? Well guess that was overlooked. By the way Father LACOMBE has been declared as a Saint. The Bishop Grandin’s house in St. Albert is and was a huge about 5000 square feet or more (see picture bellow), yet there was no money to help the starving Native people, who give 10% of their income to the church or work on Church land projects to help establish the Roman Catholic Church.

FURTHER, Her Majesty agrees that each Chief, after signing the treaty, shall receive a silver medal and a suitable flag, and next year, and every third year thereafter, each Chief and Headman shall receive a suitable suit of clothing.

Here they are giving them the flag to the Ship and the Silver Medal might be akin to the Great Seal of Canada, their “Official CORPORATE SEAL”.

FURTHER, Her Majesty agrees to pay the salaries of such teachers to instruct the children of said Indians as to Her Majesty’s Government of Canada may seem advisable.

The Residential Schools created, killed somewhere around 800 children and traumatized thousands in physical, mental and sexual abuse. Some children were put in electric chairs as a form of punishment. The idea of educating was more about destroying their culture. This is just what we have learned about, schooling in the pioneering days was very limited and even few white settlers ever went beyond grade six. One room school houses were about all that there was in those days. How much schooling the natives got
in the beginning is unclear, but instruction on farming was clearly inadequate or non existent. Hence more people starved I am sure.

http://canadiangenocide.nativeweb.org/

FURTHER, Her Majesty agrees to supply each Chief of a Band that selects a reserve, for the use of that Band, ten axes, five hand-saws, five augers, one grindstone, and the necessary files and whetstones.

Yes you will need these to clear bush for your farmland, for which will later be taken away from you to build the cities and towns on.

FURTHER, Her Majesty agrees that each Band that elects to take a reserve and cultivate the soil, shall, as soon as convenient after such reserve is set aside and settled upon, and the Band has signified its choice and is prepared to break up the soil, receive two hoes, one spade, one scythe and two hay forks for every family so settled, and for every three families one plough and one harrow, and to the Chief, for the use of his Band, two horses or a yoke of oxen, and for each Band potatoes, barley, oats and wheat (if such seed be suited to the locality of the reserve), to plant the land actually broken up, and provisions for one month in the spring for several years while planting such seeds; and to every family one cow, and every Chief one bull, and one mowing-machine and one reaper for the use of his Band when it is ready for them; for such families as prefer to raise stock instead of cultivating the soil, every family of five persons, two cows, and every Chief two bulls and two mowing-machines when ready for their use, and a like proportion for smaller or larger families. The aforesaid articles, machines and cattle to be given one for all for the encouragement of agriculture and stock raising; and for such Bands as prefer to continue hunting and fishing, as much ammunition and twine for making nets annually as will amount in value to one dollar per head of the families so engaged in hunting and fishing.

Now read the above carefully. Can you see yourself or a group of people able to sustain themselves on this? Because money was in short the Government failed to ship out everything that they promised here. Which left the Native people with even less to work with. Breech of Contract, yes but because it is all based in Admirality Law of fiction, it doesn’t matter. They only have privilages so fighting them in court is not going to resolve anything, if there were a court, because they had no rights under that system of LAW.

The bit about, "TO HAVE AND TO HOLD the same to Her Majesty the Queen and Her Successors for ever", is akin to a passage in Genesis 2:22-24:

[22] And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:

[23] Therefore the LORD God sent him forth from the garden of Eden, to till the ground from whence he was taken.

[24] So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.

Note that LORD God made Adam and Eve into Farmers of the Land that was taken from them by LORD God for eating from the Tree of Knowledge. Hence the same thing was done to the Indians and thus again this is highly symbolic, but not very practical. Both the Indians and White Settlers struggled and due to the lack of proper farm equipment and training the Indians began to starve, which was the main catalyst behind the calculated Northwest Rebellion. The Babylonian Talmud gives directions on how to treat your farming slaves in the first chapter. Again it is very symbolic to the ruling elite in forcing the Indians into farming. Perhaps the Queen thinks of herself as LORD God?

And the undersigned Cree, Beaver, Chipewyan and other Indian Chiefs and Headmen, on their own behalf and on behalf of all the Indians whom they represent, DO HEREBY SOLEMNLY PROMISE and engage to strictly observe this Treaty, and also to conduct and behave themselves as good and loyal subjects of Her Majesty the Queen.

THEY PROMISE AND ENGAGE that they will, in all respects, obey and abide by the law; that they will maintain peace between each other, and between themselves and other tribes of Indians, and between themselves and others of Her Majesty’s subjects, whether Indians, half-breeds or whites, this year
inhabiting and hereafter to inhabit any part of the said ceded territory; and that they will not molest the
person or property of any inhabitant of such ceded tract, or of any other district or country, or interfere
with or trouble any person passing or travelling through the said tract or any part thereof, and that they
will assist the officers of Her Majesty in bringing to justice and punishment any Indian offending against the
stipulations of this Treaty or infringing the law in force in the country so ceded.

The country so ceded. Here the treaty admits that the Native people were in a Country. Hence the First
Nations People. The Native people never looked at the land in terms of it being a country. Rather they
looked at it as regions. They lived peacefully amongst each other for a very long time moving to different
areas in the USA and Canada. The Mexicans lived mainly along the west coast of California and down into
Mexico, but those were never states or counties, just land. Hence yet another fraud in saying that the
Native People thought in terms of countries and were a Body POLITIC. It is a fraud. In terms of Contract if
the entire treaty is a fraud, because it is based on fiction entities. The only reason that they got away with
it is that the International Courts are being controlled by the same people who are creating the fictions.
Hence they have no Lawful claim to land. You goto any court and simply ask the judge where does he/she
get the authority to pass judgement on real, living sentient beings, children of the Creator? They have non.
This is the premise of why I am writing this book. Unless you know the what they did you are easily tricked
by their scam. It has taken them 2000 years to get to this point and as you see things are not good for the
for the majority of the people living on the planet today.

IN WITNESS WHEREOF Her Majesty's said Commissioners and the Cree Chief and Headmen of Lesser Slave
Lake and the adjacent territory, HAVE HEREUNTO SET THEIR HANDS at Lesser Slave Lake on the
twenty-first day of June, in the year herein first above written.

I have included the names of the PERSONS involved with the treaty so you can see that indeed that
contract/treaty was based in a fictional world of PERSONS. I wanted you to see the CAPITALIZATION of the
names so that you would know that indeed that they are using the imaginary world of FICTIONS.

Here we see the inference of using word date using he year of Our Lord, pertaining to God. It is somehow trying to justify that God is agreeing that this would be okay. In terms of truth JESUS was murdered during Passover in the spring, thus all Calendars using A.D. are not accurate for the new year should start in April not January. Further, there everything is written in Legalese and there are people listed here as interpreters that are not lawyers and have not the training to translate between Legalese and Cree.

Take note of the Honourable Title given to James Halmilton Ross, which indemnify's him as a commissioner of breaking laws. Thus knowing that the treaty is unlawful, he proceeds with it. The other aspect is James the Esquire, which is also a Title which is given to Attorneys mainly. Giving them status of being one above Gentlemen and one bellow Knight. He is listed as being a military Officer, all esquires are military officers of the King.

In witness whereof Her Majesty's said Commissioners and the Chief and Headmen of the said Chipewyan Indians have hereunto set their hands at Smith's Landing, on this seventeenth day of July, in the year herein first above written.
The Chipewyan and Cree Indians of Fort McMurray and the country thereabouts, having met at Fort

terms thereof in consideration of the undertakings made therein.

In witness whereof Her Majesty's said Commissioner and the Chief and Headmen of the Indians have
hereunto set their hands at Wapiscow Lake, on this fourteenth day of August, in the year herein first above
written.

I left out some of the signatures for the above sections to save some room, but again the last names were
all capitalized. Hence all corporate fictions. You can get a full copy of the Treaty from the Internet at:

http://www.ainc-inac.gc.ca/pr/trts/trty8/trty_e.html

Now the simple fact that all these people signed the document saying that title belonged too
the QUEEN a Fictional entity does not negate that the QUEEN never signed the document and
never will, because she is FICTION. There is absolutely no evidence in any treaties anywhere
in the world that a corporation can own land. For there is no FICTION capable of signing a
treaty that says so. Everyone on the planet has equal interest in the Earth, nothing more
nothing less. Nothing can change that.

This was completely and totally a military occupation and war against the Native people. The
use of the church as a way to destroy their ancient beliefs and knowledge was paramount for
the native people they could not kill. These people come from Ancient Lemuria and Atlantis,
the knowledge that they hold like in Africa could easily counter the goals of the Bankers in
their bid to totally take over the world and make it into a giant prison. The race is on as more
and more people begin to awaken to the truth of what is really happening and begin resisting
the efforts of the Bankers. They are very far behind schedule in creating this giant prison we
were suppose to be imprisoned by 1985 and 2012 is approaching fast.

In terms of the Settler's land this was all stolen through the ignorance of the people. They
were told to walk out as far as you can, create a description of the land you found and come
back to the Magistrate and register your new found land with him. Thus no one bothered to
look up what the word Register means. Merchant Captains would come to a port and register
all their chattel property with the Harbor Master. Thus Register is to identify something as
chattel and thus when you register something you are handing over ownership. Chattel
property was sold to pay for harbor fees etc. Chattel includes slaves among other
commodities. Thus when the settlers registered their land, they handed over the property to
the King as chattel property, for which the King could do whatever he wished in reference to it. So much for “Home of the Brave and Land of the Free”.
Chapter 2
The Courts or Rather Temple of Baal
The Sun Temple

"A proof is a proof. What kind of a proof? It's a proof. A proof is a proof. And when you have a good proof, it's because it's proven."
Prime Minister Jean Chrétien, PC, QC, BA, LLL, LLD

Now comes the time of truth. Truth is sovereign as your Word is your Bond. The Truth will set you free. We are equal before the law. They tell you that you have rights and freedoms. The constitution guarantees them and nobody can change that. If your rights or freedoms are violated in any way you can seek protection by taking the perpetrators to court and the truth will prevail and you will be okay. As you read in the last chapter this is a fantasy, in fact you only have privileges not rights and freedoms. The fundamental truth is that fictions do not deal in truth, but rather in argument and conjecture. Having good proof as Jean states in his famous quote has nothing to do with truth. Can you have good truth? Our lives depend on us living in truth, if it didn’t we would die.

For a lot of people the only contact that they ever have with the court system is what they see on Television, in fictional shows. There people’s rights and freedoms are defended and the bad people are put away. It is played over and over again. Lawyers everywhere you look advertising as much as they can in your city. Any problems we have we are conditioned to go running to a Lawyer for help. At times we goto court ourselves to testify and we feel that we are doing our duty as a citizen for doing so. When we are accused of something we did not do, we know that people are there to help us and protect our freedom. We are told we are innocent until proven guilty and through habeas corpus we must be considered innocent and be free until a verdict is rendered saying otherwise.

The entire SYSTEM is based not so much on proving the truth but rather extorting large sums of money and freedom from you, the truth has no value to the SYSTEM. The Canadian and US and British Courts are a complete fraud as well as many other jurisdictions around the world. It is not by accident it is this way. The Courts are mere Temples for which the unknowing enter as a sacrifice. They must exchange their wealth and/or freedom to be let go. There are Maxims to Commercial Law, which are being ignored. Because they are being ignored in favor of the Government and people who ultimately are controlling and extorting huge sums of money from the people through the Governments, little if nothing is done to stop it. They use the money to bribe people in positions of power or simply they have unfortunate accidents, suicides and heart attacks etc. This has been going on for a very long time and it is now brought the world to the point where a few own most of everything of value and have set up a world wide slavery grid based on money.

Now remember God did not give man or woman a name nor did he create any laws. If the Bible did not exist from where would one draw upon for Devine authority over others? If indeed the Bible is a fraud as stated a number of times in the last chapter then from where do you draw any authority to us force against the Creator’s children? No authority does exist only contract. Contract is all that matters. The difficulty is that they know we are
multidimensional infinite beings of light and consciousness. We are everything that exists we are the masters of this illusionary world, we are the most beautiful expression of life within the Universe and at the most fundamental level we are love. This is our home. This is our Garden of Eden. This is our paradise. Where do the courts get the authority to do what they do to us? Why do we have POLICE running around all over the planet intimidating us into believing that some LAW applies to us when indeed no laws apply to us at all?

I am not sure if I have all the answers to these questions but perhaps over time, together we can find the answers. All I know is that a great awakening is taking place and the few are beginning to put the final pieces together for a world government based on their SYSTEM of law. Where the few have absolute power over the SLAVES of the world. The prison is being built all around you. Technology that can see through walls, listen through doors, watch your every move through a city. Computers that can identify you even if you change your appearance. The introduction of micro chipping people in Mexico so that they can be tracked and identified. The POLICE State is here and you only have privileges. The Patriot Act which destroyed the Bill of Rights in the USA extends to all Countries on the Planet. The powers that be are beginning to bring together an all powerful one world government from which no escape will be possible.

The people involved in the Court SYSTEMS through out Canada and the world for that matter are only there because the people have been lulled into a false sense of trust about the SYSTEM and how it works. Some POLICE Constables have no idea what they are involved with and truly believe that they are there to provide safety and security for the societies in which they live. They never question the origins of Law nor the basic premise of what Law is and means. Some Lawyers even to some extent believe that they are indeed working to help their clients and have difficulty knowing why judgements go certain ways, even though the evidence presented proves otherwise. Then there are the ones that do know the truth but keep silent and just do their job. Then the core being the Judges take all their direction from the Law Societies on what verdicts to render on what cases. Verdicts are decided mainly prior to the start of the trials. It has been noted that he Canadian Government has never lost a Case in Court concern taxes. That’s amazing based on the mass treason that has and is going on.

Running to the Pope isn’t going to change matters at all. The Pope is the ruler of the Sovereign State called the Holy See, the Vatican City. It is about 109 acres large and he is absolute authority there. Think he believes in Fictions? Does he perhaps have the Title to the World with God’s signature on it? Hmm, think not. Nope he is an actor, another PERSON within the SYSTEM. The Emperor of Rome incognito. Interesting how he recognizes the reality of International law based on the imaginary world of PERSONS. The Catholic Church has gone hand in hand with imperialism spreading all over the Earth, with missionaries following the explorers. Thus everywhere they went the brought on the concepts of imaginary fictions called Countries and a Religion, which limited the realm of possibilities for spirituality for the people. The Churches will not talk about these things for it would be the death knell for them. They know it is better to keep you focused on doing good and the problems of the world are of no concern to you because you are headed for an eternal life with Jesus in heaven. Well if you are a PERSON maybe not.

Just so there is absolutely no confusion over the role that the Vatican and Pope are playing in this game called the New World Order you should pay close attention to the close integration of the Catholic Church with Governments all over the world. They are using civil law to shut
down the smaller churches that speak out about the truth of what is happening. Further they are concentrating a great deal of decision making power for the entire world into the hands of the Pope. The Pope using Civil law to do all it’s dirty work so it can be perceived as an institution that stands for human rights and freedom. As the you read earlier in the WESTMINSTER CONFESSION OF FAITH the Pope was identified correctly as the Anti Christ, that is the savior. Rather he and the Babylonian Church incognito called the Roman Catholic Church headed by the Pope in Rome is Principle dictator of a great deal of the world. Some Muslim states have not ceded to his will and of course this is where you see a lot of unrest and regional insecurities happening.

My case in point are the Code of Canon created by the Catholic Church. Note that the word Code is used as in the Talmud and various other codes through out the world.

Here is a link to the Code:
http://www.vatican.va/archive/cdc/index.htm

Can. 1401 By proper and exclusive right the Church adjudicates:
1/ cases which regard spiritual matters or those connected to spiritual matters;
2/ the violation of ecclesiastical laws and all those matters in which there is a question of sin, in what pertains to the determination of culpability and the imposition of ecclesiastical penalties.

Can. 1405 §1. It is solely the right of the Roman Pontiff himself to judge in the cases mentioned in ? can. 1401:
1/ those who hold the highest civil office of a state;
2/ cardinals;
3/ legates of the Apostolic See and, in penal cases, bishops;
4/ other cases which he has called to his own judgment.
§2. A judge cannot review an act or instrument confirmed specifically (in forma specifica) by the Roman Pontiff without his prior mandate.

Now hold onto your socks...

Can. 1404 The First See is judged by no one.

What this means is that through Roman Civil Law the Emperor of Rome hands out kingdoms and nation states. Through this process the leaders of these entities are only accountable to the Pope and may do whatever they want as long as it is Sanctioned by the Pope. Further the Pope hides behind the Holy See a fictional entity stating that the Holy See can not be judged. I would suggest that you watch this video for some further information. I do not have a problem at all with people believing anything they want to believe, however I do have a problem with people forcing their will onto others. Here is the video:

Vatican Control Through Civil Law
http://video.google.ca/videoplay?docid=-7695778559946532278&q=Law
Now take a breath and think about this for a moment. The mere fact that the Bible has been proven to have no historical value. Indeed we do see a reality of the church presenting itself as the Church of Babylon and we do see the Court of Baal and other things being presented to us which are reflected in the Bible. No doubt Molech exists in California and there are plenty of things that go on that support the Bible as being a book of truth. However were these things put in place because of the Bible stating them or put in place because they were there originally? As I said before the Bible is their guide book to project a realism that is based on a plan for their New World Order. One other thought if the Bible itself is a fraud, which there is massive evidence to support this, then why would we allow the Vatican to have dictatorial control over Nation States, which fraudulently use Civil Law to enslave us?

In terms of Islamic and other religious states, one only has to look at the situation there to see how the government operates. Does it operate in a mode to ensure freedom or oppression?

Here is another video which you will find highly interesting:
Who is Pope Benedict XVI?

If you take a look through the Code of Canon you will discover very quickly it makes heavy use of the word Person. As we have already discussed you are not a PERSON. Thus none of the laws apply to us, only to the imaginary fiction. Hence this is the primary reason why there is so much forgery and fraud related to church documents, the religion much like the CHURCH OF ENGLAND is based within a fictional world, not this one. The Pope, Cardinals, Bishops, Priests, etc. are all actors in reality although a large majority of them believe that they are the Person. As they say don’t shoot the messenger. I didn’t make any of this up, instead if you are angry in any way about this turn to these “Spiritual Leaders” for answers. My points are valid although I do know many will have a difficult time releasing the illusion of religion. The title of the book is, The Extortion System of the Ruling Elite. Yes it is extortion when they talk about God being who he is and that the only salvation you have from your sins is through their SYSTEM. It only took 600 years of violence and torture and genocide for the Catholic Church to establish itself through the threat of death and persecution. If indeed they were speaking the truth the truth would stand on it’s own. The Ruling Elite flex their influence from a number of areas of your life, attempting to instill their way of life onto yours. They do not wish you to have free thought or free expression for that threatens them.

**A Sneak Peak at a Court**
Okay for some insane reason you decide to go into their court room over a speeding ticket lets say. Well before you got there you were asked to speak to the JUSTICE OF THE PEACE and enter a plea of Not Guilty. So by going before the JUSTICE OF THE PEACE you are acknowledging that their SYSTEM has Jurisdiction over you. But you’re smart and you know you can talk to the CROWN PROSECUTOR and explain to him/her the idea that they are imposing an imaginary world of fictions on you and they have no right to do so and thus should drop the charges. Now you have implied for the second time that they have jurisdiction over you by speaking with the CROWN PROSECUTOR, whom of which you have given your name too and to the JUSTICE OF THE PEACE, of which is an untrue statement, because you don’t know your true name.
After pleading out your reasons why none of this applies to you, you run back to the Justice of the Peace because the Crown Prosecutor says this is something for the Judge to decide, it is the only course of action he wants to take. Getting you before a Judge. So now you have researched everything and even put a case together perhaps to present to the Judge about fictions and maybe even the unfairness in the TRAFFIC TICKET. You arrive early and you hear them say, "Please come to me the CROWN PROSECUTOR and tell me your NAME so I know you are here. So you run up there and tell the CROWN PROSECUTOR your NAME. He thanks you and asks you to have a seat and wait until you are called. As you sit you notice the Gold fringed flag in the COURT ROOM and that everyone is dressed in black. There on the wall is a nice picture of the QUEEN and the ROYAL COAT OF ARMS, which has the Goat representing humanity chained to the ground. You see the LAWYERS come in and notice how friendly they are with the CROWN PROSECUTOR and some of them may say outright that the CROWN PROSECUTOR is their friend, as indeed he/she is in the Temple. Temple well yes, you are in a Temple but lets continue. Didn't you see the LAWYERS knell to towards the alter as they came in? Must have missed that one, but they did.

Next you hear the clerk of the COURT say, "All stand JUDGE so and so presiding". The Judge walks in usually looking well fed and cared for and in good shape from all the vacations he has taken and sits down at the top of a very large desk over looking the entire room. He/She sits down and says you may all sit. Then of course you sit down and do as your told, because you respect the Judges authority and there are even POLICE in the room watching to see that everyone complies. Well exactly compliance equals contract. By standing and then sitting you have just made an implied contract with the Judge in that he has JURISDICTION over you. You then may see the LAWYERS and the CROWN PROSECUTOR all bow or kneel towards the Judge. The next few words that come out of the CROWN PROSECUTORS mouth will be two key statements. "One being, your WORSHIP how are your today?" and the second being, "Your HONOR we have a number of cases which we need to speak with you about today". You sit there watching this saying nothing to object to these statements. What has just happened is that you have just bowed before a false God, his/her WORSHIP and violated a LORD God’s Law and further you have accepted the reality that the Judge has HONOR and thus is indemnified from breaking any laws against you. HONOR is a Title as well which indemnifies anyone using it, Political Leaders use it in Parliament where they constantly lie, deceive and abuse people’s intelligence on a daily basis.

So now they call out your LEGAL NAME and ask you to approach the Bar. You gleefully go up believing it is finally your turn to have your say and explaining the fraud being brought before you and others. You State your name for the Record, thus now entering into yet another Contract with the Court, for which only grants privileges. The CROWN PROSECUTOR reads out the charges and begins the Prosecution. The Judge may look at you directly and ask you if you UNDERSTAND the CHARGES being presented too you. If you say yes you just stated that you stand for them, it was a choice question which you could say no or say I OVER-STAND the charges, again it is just another offer of CONTRACT. At this point you have stepped up to the Bar or in some cases even crossed the Bar. Once inside or at the Bar you are now on the Bridge of the Ship called the CROWN in the Case of Canadian Courts and now under the Judge’s Jurisdiction. You plead your case the Judge may hear from WITNESSES or POLICE OFFICERS and then render his VERDICT, which is only an offer of CONTRACT. You sit there and say nothing your silence is your acceptance of the CONTRACT. Next case.

In Criminal court situations the sentencing situation again is a point where they are offering you CONTRACT. The Judge will say, "Is there anything you like to say before I render the Verdict or Sentence". Some people will ramble on how the charges were unfair or different
aspects of the case. What the JUDGE is asking here is in fact is, “Do you agree with me on everything that has transpired thus far?” This is done because you are in a Commercial Court that can only recognize fictional entities and revolves on CONTRACT. In cases where the JUDGE has read out the Verdict or Sentence, then you simply state, “I do not agree with your offer of Contract, Verdict or Sentence.” In order for the proceedings to be lawful they must get your compliance to the verdict or sentence. Otherwise it is not a lawful Contract. They know this and will use intimidation and trickery to get to get your agreement. This is not a Court about Justice it is a Court about Bondage and Slavery.

Your are now deep within their Temple and Satan is rubbing his hands for yet another Soul has agreed to enter into Bondage under him. You’re doomed. The only thing that will release you is if you pay out enough money to LAWYERS in exchange for your freedom. The LAWYERS are there to “Practice” LAW not defend you in LAW. They are told which cases to win and lose before the trial begins. You step into their Temple you are offering yourself as a Sacrifice. In Lue of your life they are kind in that they only take your wealth and/or freedom. The black Robes symbolizing the who they worship, within the cult of darkness and death.

In this Chapter we are going to examine the Origins of the Courts and take a closer look at The City, a Sovereign State within the City of London, which houses the Financial district and Temple Bar. It is a crossroads of power where the few have managed unlawfully to gain control over the worlds Financial and Court Systems. From there they orchestrate with impunity wars, famines and directions of economies for entire Countries. It goes hand in hand with the Holy Roman Empire, which quietly operates in the background in Concert. Behind all this we find 13 bloodline families who dominate and control the major institutions of all Countries in the world. We outnumber them greatly but, they are the creators and orchestrators of this imaginary world of PERSONS. The use of secret societies and outright sorcery is only second nature to them. They are masters at lulling you and the masses to sleep, while they push forward their agenda. However with their desire to create a One World Government based on Bondage and Slavery people are beginning to wake up and take notice. This chapter will be very helpful for anyone finding themselves within their grip, giving you some tools to help set you free of their unjust, Just Us SYSTEM.

**Winning the Contract**

Truly the only way to win in their SYSTEM is not to enter it to begin with. Never goto court unless your are literally forced at gunpoint to go. You can not win in their courts when matters of Rights and Freedoms are concerned. Yes they do have some people that win rights and freedoms, which amount only to PRIVILEGES, But these wins are wins based on the agenda that they are trying to push forward, such as Gay Marriage and other Social Engineering, which have no consequence on them stealing your wealth and freedoms. Anything that exposes the corruption of their SYSTEM in anyway is dragged into their courts so they can silence the people involved.

Everything you do you must do it outside of the Courts. If you enter the Courts it is all over. Thus if you find yourself in a situation where you have no choice but to goto their courts and believe me you do have a choice, then the following information will be of great value to you. It is all about how to shut down a Court Room.
You can call me John, I prefer to be called John because I'm used to it. My friends call me John. I'm here to represent a fictional entity called JOHN RUIZ DEMPSEY, spelled in all capital letters. Am I allowed to speak on behalf of JOHN RUIZ DEMPSEY ALL CAPS NAME?

Before we proceed, I have a few questions to ask you; is it ok to ask you a few questions?

As a Child of God and a Minister with indisputable title, I am standing in the Kingdom of God, where do you stand?

Are we in a common law court or an admiralty court?

Are you a Mason?

Is there anyone here who is a member of any Masonic organization?

Did you receive a copy of my letter to you dated October 31, 2005?

Then you know that I am here on a special appearance and under the invitation of the fictional Petitioner, THE LAW SOCIETY OF BRITISH COLUMBIA who agreed to pay me my fees, which is $5,000 per hour for making a special appearance here correct?

Under the terms of my acceptance of the Law Society’s offer, I counter-offered that I will be here if they pay me $5,000 per hour for a minimum of 8 hours.

Anyways, I have a copy of the contract which I am entering on the record, you may read it if you want. A Demand for Payment has been served to Mr. Peter Voith; a copy of said Demand for Payment which I also want to enter on the record.

Did you bring a copy of your Oath of Office and your Bond today James?

If not, why not James? I asked you in my letter to you of October 31st that you duces tecum must bring a copy of your Oath of Office and a copy of your Bond, why did you not bring it?

Do you have certified copies of these documents here in the courthouse or else where?

(If no Oath or Bond) Let the record show that James W. Williams, d/b/a JUSTICE (JAMES W.) WILLIAMS/PUBLIC SERVANT, does not have his Oath of Office and his Bond in his possession today.

Without your Oath, how can I be sure that you will act in an impartial manner here today as you did not do so last time I was here?

How can I be sure that you have no bias, or that you have no conflict of interest, or no interest in the outcome of this case?

Since you don’t have your Oath today, would you be willing to swear an Oath today?

How about you Mr. Voith, (law society), would you be willing to swear an Oath today?

I want to enter this on record that these men are not here to tell the truth – they are here to tell lies.

You made a decision on September 13, 2005, despite the fact you have seen a copy of my Constructive Notice of Child of God status, now where in God’s name did you obtain the authority to make such an order?

Are you above God?

Are you equal to God?

Do you stand between me and God?

Do you have any document with any verifiable signature of God that you have the power over me?
When did I, John-Ruiz: Dempsey, a Child of God and a Minister of God with an indisputable title consent to your jurisdiction? Especially over me, the man, a Sovereign, free born, sentient, living and breathing soul.

How did you obtain jurisdiction over me? I want to know, especially when I’m not even a citizen of your country – my citizenship is in Heaven you can look it up in the King James Bible – Philippians 3:20.

Or maybe you think I’m a slave, do you say I’m a slave, or am I a freeman?

Could you show me anything, any statute, any law that could prove that you have jurisdiction over me?

I want to make it clear at this point, my name is John-Ruiz: Dempsey, not JOHN RUIZ DEMPSEY all capital letters as it appears on the style of cause. John-Ruiz: Dempsey and JOHN RUIZ DEMPSEY ALL CAPS are not the same; JOHN RUIZ DEMPSEY ALL CAPS is a fictional name created by the state, it is not me, yet you and the law[less] society used that name to drag me into this muddle.

Do you understand the difference between the ALL CAPS name and the real Christian name?

The bottom-line here is: which one is more important to you, is it the People, or the law[less] society. Your action speaks volumes, you don’t care about justice, you don’t care about mercy, you don’t care what’s going to happen to all the real People I represent, these are not fictional characters created by your statutes; these men and women are created by God and by interfering with my work, you are interfering with God. This is what God’s Word says about you in Luke 11:52 "Woe Unto you Lawyers! For Ye have Taken Away the Key of Knowledge: Ye entered not in Yourselves, and Then That Were Entering in Ye Hindered".

In Matthew 23:23 it says this about you: “Woe unto you, scribes and Pharisees, hypocrites! for ye pay tithe of mint and anise and cummin, and have omitted the weightier matters of the law, judgment, mercy, and faith: these ought ye to have done, and not to leave the other undone.”

How long do you think you guys are going to go on with your injustice and abuse of power until the people start a revolution?

I’m not dealing with your Court until the jurisdiction has been proven.

Since the judge refused to answer my questions, these questions will be sent to him personally, after which, these questions will become part of an affidavit and entered on the file as public record.

Now seriously, I would like you to read Cicero’s definition of natural law from his book, On the Republic, published in 51 BC.

"True law is right reason in agreement with nature, universal, consistent, everlasting, whose nature is to advocate duty by prescription and to deter wrongdoing by prohibition. Good men obey its prescriptions and prohibitions, but evil men disobey them. It is forbidden by God to alter this law, nor is it permissible to repeal any part of it, and it is impossible to abolish the whole of it. Neither the Senate nor the People can absolve us from obeying this law and we do not need to look outside ourselves for an expounder or interpreter of this law. There will not be one law at Rome and another law at Athens. There is now and will be forever one law, valid for all peoples and all times. And there will be one master and ruler for all of us in common, God, who is the author of this law, its promulgator, and enforcing judge. Whoever does not obey this law is trying to escape himself and to deny his nature as a human being. By this very fact, he will suffer the greatest penalties, even if he should somehow escape conventional punishments."

Cheers,
John who is a Lawyer no longer Practices LAW but rather defends real living people from the SYSTEM. I can not express enough about the bravery, conviction and wealth of knowledge that he has. If it were not for John and others like him we would all be in concentration camps by now, making garbage and being slowly starved to death. In terms of the Court it is indeed nothing more than a Temple. Ancient accounts of Moses and other characters in the Bible are complete lies, according to the books by Bushby and Thompson. It is not difficult to see the fraud within the Bible by simply comparing passages to older Bibles or even the Older Greek and Hebrew texts. The Dead Sea Scrolls even conflict with today’s Bibles. The simple fact is they operate in a world of FICTION and thus being in a FICTIONAL world they can change anything they want about the history of that world, but they don’t tell us that this is what they are doing. Why, because they want us as their slaves.

John never got passed the Jurisdiction question as the Judge refused to answer his question. Thus John just simply left the Court. If the Judge can not prove Jurisdiction, then there is no point in being there, unless you want to play their game, with their rules. The question concerning Masons is that, Masons along with people of the Jewish Faith can take part in a prayer called the Kol Nidre. It disavows them of all their Oaths and oaths they may take over the coming year. Considering that these Group of people occupy Court Rooms throughout the world in positions of power and know how the Lodges work in terms of carrying out orders from the upper level lodges, you begin to see how the few can control the many. People taking part in this fraud knowingly have no respect for their fellow men. Some do it just so that they are in the SYSTEM and will be well cared for, but in the end all tyrants turn on their own. You mess something up bad enough your life may be in danger. The whole SYSTEM is based on command and control and they must obey their Temple Masters.

If they can not answer your questions they can have no power over you, thus they can not enslave you. When they ask you, What is your name, you could respond, “Are you asking me that question in English or Legalese?” If they say Legalese say, “Well I just asked you a question in English so because you can communicate with me in English and I do not understand Legalese, just communicate in English with me and I will also say everyone is equal before the law and thus because you can speak English I like to only be presented with laws written in English. Are all your laws in legalese? Yes he answers. Well I don’t see how we can continue this because I can not be equal before a law written and interpreted in a foreign language. Up to this point I thought you were speaking and communicating with me in English this is a clear misunderstanding. When you can present me laws written in English and a court which the people speak English and show me a law in English which I have broken a living sentient human being then perhaps we can talk again. I see no further reason for us to continue our discussion on this matter. Good bye.

Another question you can ask is, is this a defacto court? Does this court deal in fiction or truth? You can ask the Judge, because we are both equal before the law could you give me aid and direction?

The objective is expose the truth for the truth will set you free. They are the enemy and will lie and cheat. But when you point that the judge is sitting on a bond and an oath, which in
Canada they take false oaths and some Judges in the USA take false oaths you can call them on it.

The True Nature of the Court

Whenever you goto Court you are being charged with a debt. The objective of the court is to get you into dishonor of that debt. It does not matter to them what statute or act that they say you broke, that is a smoke screen. The entire Court System revolves around getting you to assume a debt unknowingly because they are using legalese words not English for which to trick you into the old bait and switch. To argue over jurisdiction is to put yourself into dishonor what you need to do is to discharge the debt. It is a Civil Court not Criminal Court that you are in. The Attorney's job is to bring you into dishonor. They use a lot of smoke and mirrors to accomplish this. In terms of a court being lawful or not seems to have no bearing on the protection of your rights and freedoms under the Constitution, which is nothing more than an offer of enslavement anyways. Countries are fictional entities they have no power over the people of the planet because they have no substance. The gain power over you via the use of your signature and assumptive agreements. All tricks from Babylon. It is not fair and it is indeed cruel and yes they know exactly what they are doing to you.

Everything circulates around Bonds. It is truly sick beyond belief what they have gone and done, but by showing up in court you are taking on a debt and from there they get you to sign bonds, which end up giving them money and putting you into prison. What people fail to do is to simply redeem their Bid Bond. The Bid Bond is your Return on Recognizance Bond, they one that they say you have to sign in order to be let out. It is money that has a penal value attached too it. You created it and you can use it to discharge the debt, rightfully ask for closure of the Account aka case number on the docket I would think and final settlement. Watch the rats scurry from the court room when you say that one! In terms of the Laws of God and the Bible being used as your shield, you have unknowingly taken on a debt merely by showing up in Court.

The truth is even if they say that you must sign the RoR Bond which binds your person to an obligation which has a penal value too it, you as the principle can say no I do not want to sign it. If you choose to sign it you can sign it under protest and duress, because you are a free man or woman. Signing it under protest and duress voids the document and because you complied with their offer, sign this to be let out, you are free and the RoR bond is void. You can follow up with a letter from a public Notary asking them to present the bond to the public Notary to verify that the bond is signed under protest and duress and thus releasing you from it’s obligation to show up in court.

They hold people unlawfully in jail until they sign off on the RoR which can be several months, knowing this simple solution is helpful. The other aspect is to simply teach the inmates about statutory law and how the system works and you will find that they want you out of there so fast it makes light look slow. I am still researching this aspect about the RoR bond and the objective is to get you into default so that when you do show up you are in dishonor and they can decide either way what they want to do with you. You must use the bond to discharge the debt of the warrant I am assuming which is the charge and back it up with a Performance Bond and Payment Bond. The Principle is You the Human Being, Robert-Thomas: Hay and the Surety being ROBERT THOMAS HAY. This is a reversal of making you the human being the surety. Now not doing this results in them selling the RoR Bond in Bussels for Trillions of Dollars which is funneled back into the Illuminati controlled private prison Systems all around the world.
The articles I am getting this information from come from Jean Keating. I would suggest reading his material for more clearer view of what is going on and remedy within it.

Here are some links:
http://goldismoney.info/forums/showthread.php?t=18178

When an Officer comes to arrest you on a warrant it really a law suit that he is presenting you with. A warrant represents a debt or statutory obligation. The simple fact is they are asking you to be party to a lawsuit the so called charge of what you did is a smoke screen for the commercial instrument that represents their wanting to enter into a lawsuit with you. You simply tell them that you do not wish Joinder and that you do not wish to contract with them. If they persist saying that it is a Judges Order and that they are acting under orders tell them that they and the Judge will have to pay the bill for the Order that they are presenting too you under the Law and Equity Act. There is nothing different from pulling up to a fast food window and giving an order and being presented a bill. Just write up a bill, maybe $500 trillion dollars would be a nice start. It is all commercial Law. Make sure that every step of the way that if you can’t get out of it to have the officers note in their books that you are only allowing them to do what they are doing under protest and duress. For there is no obligation binding you to their laws. The laws were made for the Government not for the People. People live under common law not Statutory law of imaginary fictions called persons.

They think of you as an employee because you have a Social Insurance Number or a Social Security Number which identifies you as a Government employee. Governments are corporations and you they lied to you that you needed a SS or SIN number in order to work. You can return your SIN or SS number any time and go sell pot for example. Their laws do not apply to you. The debt obligations surrounding the SIN or SS number you gave them becomes their obligation and they have to deal with it. You should also file a Notice of Understanding and Intent to bring out the issues of you being a Freeman on the Land. Have a Notary Public Serve it and after 10 days with no response follow up with a Notice of Claim of Right putting down what you are claiming to be your rights and freedoms. If after 10 days they do not respond to it then it is cured and you have claim of right and are totally free of their Statutory laws. In terms of Canada being a defacto Government I would think that the US Government would be the lawful common law jurisdiction, if indeed you wish to recognize fictions as having some kind of ability to hold title to land. In truth Genesis Chapter one simply points out that man and woman have dominion over the Earth. Anything and everything that they throw at you have absolute dominion over and can not be used in any way to gain authority over you or imprison you. You can only operate in truth as in truth there is no law for law deals in illusion and fiction.

It is nothing more than smoke and mirrors, however knowing the biblical side of the law is helpful to some degree. In Canada the Judges all have false oaths along with all the Police Officers, Justice of Peace etc, so in truth the only law that applies is Commercial Law under UNCITRAL. The entire SYSTEM revolves around the use of Bonds. Debtors and Creditors. It is a scam beyond belief, but it goes on daily. Countries are merely Corporate shells for imaginary entities called PERSONS and they prey on people to become SURETIES for the laws that only apply to PERSONS for which they fraudulently trick you into believing you are responsible for. Yes this is pure evil and it is the power house behind how they are funding their New World Order.
The whole trial is nothing more than a dog and pony show. It has absolutely nothing to do with anything. The whole thing is about the debt that you took on. The account that was opened and the debt that you have taken on. You are the account owner and principle. You can simply ask for the Bid Bond back, as the principle of the account. They more than likely have sold after your first appearance.

I’ll be adding much more to this section later...

The Temple

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Psalms 23:4

The Temple Masters are from Temple Bar in, The City, within the City of London, ENGLAND. Again the City is a SOVEREIGN State and has it's own SYSTEM of LAW. Queen must kneel before her Master within the inner Temple, when she visits. That is only hearsay but I wonder if it indeed true. The LAWYERS bought the temple from Knights Templars, who protected the people, but became very wealthy from taking money and property from the Commoners and traders on trade routes. They were created by the Pope and were the defacto Law Enforcement throughout Europe. Interestingly the only way to get certain jobs within the City, is that you have to be a Sandinist. Yes the wealthy Bankers, World Leaders, etc goto Bohemian Grove in California, USA every year in July for a 2 week holiday. The first night they perform the Cremation of Care Ceremony, where an effigy of a small child or perhaps a real child is sacrifice and burned in a 40 foot stone Owl call Mulok. Interestingly at the point where the child is Sacrificed these people are smacking their lips weirdly like they have just eaten or are about to eat a meal. You can download and watch a video of this happening, called Dark Secrets Inside Bohemian Grove, by Alex Jones. Alex snuck in and filmed a lot of what was going on there. [http://www.infowars.com/bg1.html](http://www.infowars.com/bg1.html)

The nature of this Tyranny we call LAW COURTS comes from people with no lawful to title to the land which they extort money from the people. The concept of the Star Chamber Courts used in the midevil times, which I be to wonder if these are not the later evil times, is based on presenting no evidence or charges, but simply asking how you plea. The Judge then swiftly determines from the evidence not presented in court and without you having any knowledge of renders his decision. The very essence of what this is all about stems from the Star Chamber Courts. It is not about truth or justice it is about making it appear that the people are getting some kind of fair treatment, while they extort their money, property and at times their very lives.

The Temple of Baal was the Sun Temple in Ancient Rome or rather BAAL being the God of the Landlords. The fundamental purpose behind the Temple of Baal was to impose a system of law onto the poor, which would allow the affluent to steal their land and property. Sound familiar? The SYSTEM of law put forward by the Temple of Baal focused on stripping the poor of their 3 basic rights under God’s Law, the Torah. The three basic rights were: The Law of Redemption on the Land, the right to return to his land in the jubilee if not previously redeemed, and the right to have his debts cancelled in the sabbatical year. The Sabbatical
year is when you reach 49 years and 10 months of age, you send in your temple coins of silver and all debts are forgiven. You will notice that Jubilees are celebrated by HER MAJESTY QUEEN ELIZABETH II from time to time, last one being in 2002 for her Golden Jubilee.

This is what we see today in terms of landlords and the temple. They just changed some names around but the Ancient SYSTEM of law is still with us. Designed to enrich the few while enslaving the masses. They have done well in that they get us to police each other making sure that we all do our civil duty. The RCMP in Canada has little to do with being the QUEEN’s Police force, they don’t even pledge their allegiance too HER MAJESTY QUEEN ELIZABETH II. The whole thing revolves around a few hand picked people at the top, dictating through a command and control structure to the unaware, pit bulls bellow. The us versus them game and other head games that they instill into their culture, keeps the Police force focused on enforcing law, not asking questions pertaining to lawfulness or jurisdiction. It is because the Bankers, these ruling elite have make it hard on those in the system who speak out. They promote the ignorant and mean pit bulls and get rid of the good. It is about serving their God, Satan. It is not about truth and certainly not about Justice.

In Biblical times land was passed onto people within their clan. It was called heritage. It was God’s law, but under the Baal SYSTEM this was not recognized. The concept of Heritage is very important to understand. It means that the land is God’s property. The Possessor is given the use of God’s land with the understanding that he must pass it on to his decedents. The 35% tax on estates in Canada after someone dies is a clear violation of this ancient law. The Bankers or criminal elite simply slurp 35% off the top for no reason other than to enrich themselves or more importantly to oppress the poor and make them poorer. Because under their SYSTEM Canada is a PERSON, Canada gets the Heritage not the living people.

In terms of the Temple Blasphemy is not that of stating things against God’s Law, but that of challenging the laws of the Temple or King. It is a dictatorship and the emperor's will has force and effect, it doesn’t matter what the law says. This is what we face in courts around the world. In fact The Temple of Baal was demolished and all but one of the people associated with it wiped out at one point.

2 Chronicles 23:9-21 describe the destruction of Baal and all the people associated with oppressing the people. It is a good read:

[9] Moreover Jehoiada the priest delivered to the captains of hundreds spears, and bucklers, and shields, that had been king David's, which were in the house of God.

[10] And he set all the people, every man having his weapon in his hand, from the right side of the temple to the left side of the temple, along by the altar and the temple, by the king round about.

[11] Then they brought out the king's son, and put upon him the crown, and gave him the testimony, and made him king. And Jehoiada and his sons anointed him, and said, God save the king.

[12] Now when Athaliah heard the noise of the people running and praising the king, she came to the people into the house of the LORD:

[13] And she looked, and, behold, the king stood at his pillar at the entering in, and the princes and the trumpets by the king: and all the people of the land rejoiced, and sounded with trumpets, also the singers with instruments of musick, and such as taught to sing praise. Then Athaliah rent her clothes, and said, Treason, Treason.
[14] Then Jehoiada the priest brought out the captains of hundreds that were set over the host, and said unto them, Have her forth of the ranges: and whoso followeth her, let him be slain with the sword. For the priest said, Slay her not in the house of the LORD.

[15] So they laid hands on her; and when she was come to the entering of the horse gate by the king's house, they slew her there.

[16] And Jehoiada made a covenant between him, and between all the people, and between the king, that they should be the LORD's people.

[17] Then all the people went to the house of Baal, and brake it down, and brake his altars and his images in pieces, and slew Mattan the priest of Baal before the altars.

[18] Also Jehoiada appointed the offices of the house of the LORD by the hand of the priests the Levites, whom David had distributed in the house of the LORD, to offer the burnt offerings of the LORD, as it is written in the law of Moses, with rejoicing and with singing, as it was ordained by David.

[19] And he set the porters at the gates of the house of the LORD, that none which was unclean in any thing should enter in.

[20] And he took the captains of hundreds, and the nobles, and the governors of the people, and all the people of the land, and brought down the king from the house of the LORD: and they came through the high gate into the king's house, and set the king upon the throne of the kingdom.

[21] And all the people of the land rejoiced: and the city was quiet, after that they had slain Athaliah with the sword.

However those who like their Mammon brought it back the SYSTEM of LAW that was created at the Temple of Baal as one and here we are today. It is a religion based on lies for which the oppression of the poor and those not within the clan are paramount. For the Bloodline families that support and flaunt this SYSTEM of LAW onto unknowing people of the world have very little regard for their well being or ability to live. It is completely about them and there selfish desire live the luxurious life surrounded by slaves. To do anything they want with impunity. This is what they are about. In terms of LORD God’s Law, Moses had promised that if the worship of the Lord in the three great feasts of redemption, Passover, Pentecost, and Tabernacles, were kept faithfully, "no man will covet your land" (Ex. 34.24). This was and is long forgotten then and now. Again it is my assertion that LORD God is not God and that he unsurped power from God and created an illusion based in fear, within the context of the Bible.

The reality is that the Temple of Baal has replaced the Temple of the LORD and although there is strong evidence to show that the historical aspects of Bible are completely untrue, this is the foundation of their SYSTEM of LAW. It resides again in a make believe world where the anything said in contrary to the King or the Temple of Baal is considered Blasphemy. The people in positions of power within the Temple have simply put themselves above God and look at everyone as their Slaves. Hence we go to Temple Bar in the City and there you have inner and outer Courts. People progress in power and are given specific knowledge as to the true nature of the Court or rather Temple as they progress deeper into the inner Court. Much like all secret society networks everything is based on command and control. The unfortunate part of all this beyond the fact that it is being used to enslave the people on this planet, is the people involved laterally end up having their very Soul’s sucked out of them and become more or less the walking dead. Their eyes are vacant and they become instruments of evil. They must obey their masters or else they don't live very long. It is all fear based religion just at a higher intensity I would say than other fear based religions.
The primary aspect of the Religion being put forward by the Temple is that everything must be hidden out in the open. Hence why we have Constitutions, which make people constitutors or rather responsible for another person’s debt. It is why 666 is embedded into building structures and corporate logos. The three references the tri star system of Sirius in Orion. Canada Place tops the windows off with a pyramid embedded into the roof. This goes hand in hand with the Holy See, where the Pope is the dictator. Only 555 citizens are allowed at any one time to be Citizens of the Holy See, a tri star symbol of Sirius. The Toronto Dominion Tower in Edmonton, Alberta, Canada also had a upgrade using golden colored windows representing the Sun, for which all this revolves around, set in 3 columns. When you count the large windows in the 3 columns they all add up to 666. The CIBC bank in the west end of Edmonton, has 2 sides of the building with 3 rows of 6 windows and a small pyramid at the end, 666. Here are some pictures:

The simple truth is that if the Bible was true everyone on the Planet would know it for that kind of creation does not disappear from cultural knowledge. Native people in North America and other people through out the world would have had no need of these Missionaries or rather Military Officers on a Mission if what they indeed were saying was true. The fact is that religion is invented and passed onto the Rabble as being true. Rabble are the uneducated or easily fooled people. Once you get enough people believing something it gains momentum, like the 100 monkey syndrom. If 10% of the population knew the knowledge contained within this book and began promoting a more balanced approach to life in terms of Law and money their SYSTEM would collapse.

If you would like to read more about the Temple there are some excellent articles about it around on the Internet. I drew some of my information from:

www.cooperativeindividualism.org/torrey_baal-god-of-the-land-lords.html

Not that the UK Parliament has the House of LORDS. This is a tricky thing at first for with all the Bishops and rich families that sit there, calling it the LORDS Spiritual is really the LORDS of Baal. Just they overlay the words. There is only one LORD in the Bible, that being LORD God. So all these LORDS are really Land Lords determining what laws are appropriate for the SLAVES. It is really a sad, sad situation when you sit back and see it for what it is. Again in the Coronation of the HER MAJESTY QUEEN ELIZABETH II, she puts herself in Gods place and grants the rights and freedoms to the Clergy, the Church. Thus being she or rather the COMMERCIAL entity puts herself above God and thus committing Blasphemy against LORD
God by saying she is above him. See how the Temple works. But the Law is not God’s Law but the Temple of Baal’s Law, thus it is not Blasphemy within the Temple for they want you to believe that somehow an imaginary corporate fiction, being acted out by this woman going by the name Elizabeth-Alexander-Mary: Windsor can have the power of God over living people.

Words

The very nature of LAW is word play. Words are invented, they are not part of our natural condition of communication, which is based in telepathy. The Bible mentions in Genesis 11:1 that, “And whole earth was of one language and of one speech.” Twins will often develop a language of their own at birth in order to communicate with one another. The creation of language is simple and natural to us. In terms of LAW words have multiple meanings and unless you know all the meanings of the words you speak and are able to communicate that in a context that is clear to everyone in the room, it become difficult to defend oneself. Just look at the numerous definitions of the word “if:, and you’ll begin to get an appreciation for this. Some words are created to trick us such as the word PERSON and Understand. Again PERSON is the concept that a Corporation can be of the same status of a human being. Understand is used by Judges etc in a statement, “Do you understand the charges before you?” To understand something is simply to stand for them, meaning you accept their offer of contract that the Charges apply to you when in fact they only apply the imaginary world corporate entity all cap name. They use words as a form of trickery to make it appear that they are giving you’re a fair, open and honest trial, when in fact the very foundation of it is based on fraud.

Now here is a key item you should realize. All Law is written in Legalese not the official language of the Society it is suppose to reflect. That in of itself is fraud and no one can be held accountable for any laws not written in the official language of the imaginary society that some imaginary entity, somewhere is saying you belong too. Hence if only persons belong to a society or Country then where does it say that a human being belongs to that Country or Society. Section 16 of the Charter of Rights and Freedoms of Canada states:

16. (1) English and French are the official languages of Canada and have equality of status and equal rights and privileges as to their use in all institutions of the Parliament and government of Canada.

So why are they using legalese in all their laws, which includes the Charter of Rights and Freedoms? The difficulty in using their law as a form of defense again is that if you use their law to gain a benefit then all the law applies to you, which is in part how the prison works, the prison without the bars. The only way to approach it is from a common law perspective and state from a common law perspective that you do not understand legalese and can not be held accountable for laws written in a foreign language. Also because they are using legalese as their language it identifies them as a society separate from the one they are pretending to represent. Their society is unnamed but takes on masks such as the BC Law Society etc. Do you belong to such a society? Nope, then the laws only apply to that society not to you. Statutes are only rules of a society not law and have no force of law until you voluntarily agree that they do. Hence why George W. Bush doesn’t want to define what torture is nor did the Geneva Convention for prisoners. Without a clear definition of what torture is they can do anything too you to get you to sign a form confessing to something. Of course they can only act on your person, not you, but if you don’t present them with a person to act on you are in common law jurisdiction and they have no lawful right to do anything too you. However we are dealing with criminals here and at some point they don’t care what the law says if they
want something from you bad enough. Notice how top Biological and Nano technology Scientists have been disappearing or been found dead over the past couple of years?

In terms of high priced lawyers, some are more skilled than others at the use of words. But by having a lawyer who is part of their SYSTEM represent you, you become a Ward of the court, which means once again you have entered a contract with the Court, accepting their lie that you are the one who committed crimes that do not apply to you. Words are all created from the imaginary and are simply naming tags on objects and concepts. Are words true? No they are not true for there are over 6000 known languages on the planet today. Thus they provide translators for people and translations are never 100% accurate because some systems of words called languages do not have words for some things in them. Again much like not having a true name we do not have a true language. What this underpins is the fact that LAW of itself is not true. If Language is the foundation of communicating law, for which words have multiple meanings are not based on truth, then LAW itself is untrue. More simply LAW is an unnatural and a destructive force to common nature of human beings. Even the word human-being is not defined by law dictionaries, but only referenced as Monster, that has no property rights. However you will see the word Human used in a number of key aspects of legislation, such as Human Rights and Human Resources. The simple aspect that Humans have rights is again a misnomer in the SYSTEM, it is there only to trick you into believing that you have rights when in fact you only have privileges. Human Resources in of itself identifies human beings as a resource, which are mercifully exploited within the SYSTEM.

Not only do words have different meanings, but some words are strategically removed from current dictionaries. In fact a word defined as something different 500 years ago still stands today as a valid definition, even though the word isn’t even used within the Oxford Dictionary or any other Dictionary. The same goes for Law Dictionaries, Catholic Encyclopedias, Jewish Dictionaries, all dictionaries over the course of humanity. Even clay tablets going back to the times of Ancient Babylon. The law that says. "there is no excuse for not knowing the law.", as a form of defense was actually about the two Commandments that Jesus gave in Matthew 22:

35] Then one of them, which was a lawyer, asked him a question, tempting him, and saying,

36] Master, which is the great commandment in the law?

37] Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.

38] This is the first and great commandment.

39] And the second is like unto it, Thou shalt love thy neighbour as thyself.

40] On these two commandments hang all the law and the prophets.

What indeed they have gone and done is made this apply for every law ever created in all jurisdiction of the entire planet. Have you read them all? Do you know them all? Never mind all the false oaths everyone takes that perjure themselves by stating their name and even commit treason by pledging their allegiance to a foreign entity such as OUR SOVEREIGN LADY or HER MAJESTY QUEEN ELIZABETH II. We will get more into Oaths later in the book, but in terms of Courts, Oaths are used as a way to form a contract with the court. Such as, "Do you swearing to tell the truth, the whole truth, so help you God." Well the correct answer to this question is "No." How can you tell the truth when your name isn’t even true and they are presenting a corporate entity asking you to be it's surety, hence the all caps name. The mere
The fact that language is not based in truth as well everything you say is only hearsay. The Judge may say that you are in contempt of court, but who is in contempt, not you, but the corporate entity is. It is all happening in the imaginary world. Simply put again, never goto court, there is no reason too, they have no authority to hear the cases and at best you are just wasting your time sitting around all day waiting to be called to the stand.

In terms of letters that form words we are in reality looking at symbols. The Hebrew Language used to create the Torah from were created shadows of a serpent. The Serpent is created from taking a beam of light and shining down into a glass or crystal pyramid made in the same dimensions of the Great Pyramid. You create a wood carving of this shape and project a light against it. It produces 22 distinct shadows on the wall. These symbols have deep spiritual meanings to us all and help to unlock the secret of immortality. You can read in-depth about this in Tony Bushby’s book, The Secrets in the Bible. In essence it is the serpent race that created the Bible and we have a Reptilian Complex dubbed the R-Complex in our lower brain, that works in the unconscious realm. It sees everything as symbols. This is highly important as we live in an imaginary universe created from moment by moment by us, as we are infinite beings. Interestingly in Genesis 3:1 it states:

Now the serpent was more subtle than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

Where is the Garden of Eden? Well you are living in it! Genesis 3:23 says, “Therefore the LORD God sent him forth from the garden of Eden, to till the ground from whence he was taken” As we go along you will learn a great deal more about this serpent it’s ways.

I want you to count the number of F’s in the following small paragraph, but don’t look ahead first, just count the F’s you see.
FINISHED FILES ARE THE RESULT OF YEARS OF SCIENTIFIC STUDY COMBINED WITH THE EXPERIENCE OF YEARS...
Did you count 6 F’s on the first try? Probably not. Our brains do not process the word “of”. In terms of normal reading and people who have knowledge of such things, it is possible to write a page that says one thing to the unsuspecting but actually says something entirely different. The simple fact that we can not even accurately see the symbology of language before us underscores it as being an unnatural or rather manipulative process of communication. Manipulation works on subtle differences and again unless you are aware of the SYSTEM, you will generally miss these subtle differences. The destruction of the ancient world’s knowledge of Esoteric knowledge and being replaced with Exoteric knowledge is foundation of the religious manipulation going on today. The knowledge still exists but is kept away from the uninitiated. The Illuminati, those illuminated into knowledge that the rest of us are denied have access to an underground system of knowledge, which is used to manipulate humanity from moment to moment.

The simple fact that the same exact symbols are used to make up other languages widely used languages such as French and Spanish, having their origins in the European area, just screams that the languages were created so we could not communicate with each other and thus pitted against each other in wars, for which the ruling elite more often than not enjoyed great profit from. They also enjoyed the fact that humanity suffered greatly. David Butterfield describes that during a process of presenting a Human Rights Complaint at the United Nations concerning the deceptive use of fictions, being applied against living people in CANADA, a lawyer was asked what is Law. The answer given was simply, “Law is the masterful use of language.” In terms of the complaint the United Nations is really the United Corporations, controlled by the international bankers. What has been done about this complaint thus far? Nothing. For the UN to do something about it, would expose the foundation of their existence as being only fiction and that indeed the United Nations operates under Admiralty Law and not Common Law.

Again law is not about truth. Take reference again to Genesis Chapter 1, where God created no laws and no names for his children. Why simply because in truth, you can not harm another without harming yourself. We are all from the one same consciousness. We live in a world of illusion where we have been made to believe that we are separate, but on a spiritual level all life is connected and interdependent. If we poison our environment we poison ourselves. We must live in truth or we die.

**Types of Courts**

There are numerous types of Courts used throughout the world. Common Law Courts do not exist today, wiped out because they actually had some merit in acknowledging rights of human beings over that of corporation. They build big fancy courts, some even shaped like hulls of Ships as they did with the LAW COURTS building in Edmonton, Alberta, Canada. The Buildings do not make the court. It is the people involved that are the court, primarily the Judge is the court.

Star Chamber courts as mentioned before were used during the mid-evil times where accused were not even told the evidence against them. Think JESUS had a court? No Ponchous Pilot simply asked the mob if they wanted to put him down or not, even though he was innocent of blasphemy. Civil Courts have nothing to do with the living, again Civil is a term used by corporate entities and comes from Roman Civil Law. Criminal Courts don’t define the nature of anything but those being accused of criminal activity within a system of law, which does not
apply to the living, unless it is used within the context of the living and then who are we to judge another? We must take measures to restore balance but judging and condemning someone for their actions, does not restore balance, in fact it tends to cause a great deal of disharmony and negative feelings, which permeate out to everyone. You can not bring harm or suffering to another without it affecting everyone in some way. We are transmitters and receivers of though and emotional energy and there is only one pond we all swim in as it were.

The use of Sharia Law has been put into various law codes throughout the world. Code is a word derived from Talmudic Law, which is codified Law on Master/Slave relations. You will see code used on things such as Criminal Code, Postal Code etc. It is based in master slave relations. Women are essentially sold as slaves to their adoring husbands in places like Saudi Arabia. If you have no money you can’t buy yourself a wife. I can not judge Islam for what it is it is. I can only say that the foundations of it, being the Bible are untrue and thus the amount of disharmony created from implementing a religion and a way of life based on the Holy Koran having it’s foundations within the Bible, still are not based in truth. Thus the masses are made to suffer while the ruling elite use their courts, their money and their law to keep the masses enslaved and at war with each on various levels, while they enjoy the good life as it were.

The simple fact is that you can have a lot of different types of courts, but in the end their only objective is to create more disharmony within the pond. Truth does not require a court for the truth is absolute. Courts make a lot of money for the lawyers and judges. The end result is that their Banker Masters can easily control things in the background, unseen by prying eyes. The very notion that the scales of justice is based on truth is a fantasy. Common Law Courts never existed in Canada as far as I know, but did in the United States but they were all closed around the early 1900’s.

The use of Anglo Saxon Common Law is an approach where the Jury runs the court, decides on factors such as the state of mind of the accused and creates case based law. The people involved are selected by the sherif and the laws are based on Do unto others what you would have them do unto you. It has a balance mechanism built into it, that somewhat ensures a fair trial and fair treatment. In fact it was too fair as people were beheaded in France for trying to spread knowledge about this system.

If you look over the history of the world dating back to ancient Babylon, we see a constant theme of how Babylon has created courts under the guise of different kinds of civilizations that only grant privileges and not rights. Is it any wonder that George W. Bush family line can be traced back to Cleopatra in Ancient Egypt? The amount of evidence showing that a 13 Bloodline families are controlling the Financial and Legal SYSTEMS of the world and indeed the corporations being presented as Countries is staggering. I won’t go much into it but the information is there for you to read. I suggest going to www.davidicke.com, www.infowars.com or even www.rense.com as good quick resources on that topic.

The highest court in Canada and most countries is suppose to be the Parliament. However this is not the case. All legislation put through in the Federal Government must be approved by the Privy Council. What makes up the Privy Council, well the Queen, Bankers, past cabinet ministers, Prime Ministers, people from various foreign countries. Treason, oh yes, but in a fictional world with fictional laws, what does it matter. The mere fact that politicians perjur
themselves and commit Treason by pledging their allegiance to HER MAJESTY QUEEN ELIZABETH II a foreign entity, should raise your eye brows. This is just what goes on in Canada, never mind what goes on in more so called corrupt regimes.

The Highest court is the Court of Truth based in Common Law. This court does exists and is accessible through a Notary Public. I will explain later in the book on how to use Notaries, but for now just be aware that the system is stacked in the favor of the criminal element running the show, but they can not circumvent truth. Thus their house of cards begins to crumble. Parliament does not deal at all in truth they deal in fiction, for which the rules can be changed at any time to benefit the needs and goals of their interests and not yours. Yet what is a NOTARY PUBLIC? Yet another actor, but an actor that has a great deal of power within the fictional world and allows you to settle things without conflict or going to their fictional courts.

The simple fact that the people in Parliament send out a notice after an election saying that they are your new representative does not mean that you have to accept this. Return their little card/notice and notice them back saying that they are not your representative. Why would you want them to represent you in the Highest Court in a Fictional world? Because they are in fiction they can not deal in truth and don’t. They are minions of the people who own these CORPORATIONS called Countries.

Observations from my time in Court
Over the years I have like most people have had to goto court for various reasons. For the most part never thought much about it other than it was my duty to do so. PERSONS have duties, they are under servitude, human beings do not. The entire court room looks akin to a church, with the pews in the back and the pulpits up at the front. The Courts are truly Temples. The only thing is though is that those that are charged and brought before the court are their to be sacrificed. This is the ancient world where conflicts were resolved in this manner. However they can’t do it today so what they do is get you to offer up your freedom and wealth in exchange for your life.

I remember one day I just went to court to observe the goings one. As I took a course in Law and Government in High School, I was always curious as to how Law actually worked and the inner workings of a court room. I visited a family court one day and listened to the testimony of a divorce case about who slept with who and so on. In the end the judge granted the divorce. That perked my curiosity that a Judge could do this and not a Priest. However didn’t think much of it at the time. Next a young beautiful lady with long blonde hair representing a wife of a lawyer who was seeking alimony payments from her husband presented the case. The ex-husband lawyer would stated by his lawyer that he made $90,000.00 the previous year but had $80,000.00 in expenses and was not in a position to pay alimony. The Judge rendered that the lawyer should take on more cases and work harder and pay the alimony of $3000.00 a month with the child support included in that. The woman lawyer happy for her victory stated that she wanted the judge to do something else so that she wouldn’t have to keep charging her client $5000.00 per hour. The Judge stated that he wanted to speak with her in his chambers. She kept saying that she wanted to send a representative from her office to speak with him because she was very busy. The Judge kept insisting. I noticed that she actually had kneeled down towards him prior to presenting her case. The men in the court room all started to snicker and laugh as she desperately attempted to squirm out of not going. In the end she had to obey and agree to goto his chambers. She also kept addressing him as, “my Lord”. Hence Lord God, the preamble that Canada was founded upon the supremacy of God in the Charter of Rights and Freedoms. Hence what Lord God wants Lord
God gets. It seemed that the Judge wanted to give her some extra duties to perform in his Chambers for her to earn her $5000.00 per hour. Being as bad as it may seem, it could just as easily had been a guy that the male judge might want to speak with in his chambers.

One day I was pulled for Jury duty and had to appear for in the court house or I would be arrested and charged with failure to appear or something like that. Curious as I was about courts I went not overly eager to get a set in the trial as a Jury member. We got a nice video to watch explaining the process of Jury selection and why it was important in society for this and some basic protocols about what to do during the selection process. The accused stood on a pulpit thing watching all this transpire while the Judge and lawyers sat watching the lottery taking place. They first took attendance then the lottery began. They refused people who appeared to not have the maturity or mental capacity to make decisions, yes mentally handicapped people were drawn into the court. The lawyers would refuse them. Also anyone being involved in Security or law enforcement in anyway were also refused automatically. Interestingly lawyers can be on a Jury. My name was never called but we went through about 3/4 of the room, totally about 130 people or so before 12 people were selected. Amazingly the excuses that people came up with to tell the judge that they couldn’t do jury duty was amazing. It occurred to me much later in life that the Jury is actually made up of people who were not smart enough to come up with an excuse not to do Jury duty. The other thing is that every step of the way they are seeking consent from the accused. Having him stand there and not say anything about the process or the simple fact that it wasn’t him that was being accused but rather his fictional side kick the PERSON, makes the contract. Everyone is equal under the law. They are actors in a play and you have been invited to join along.

I had to goto court as a witness to some assaults and threats. The assaults were always no mater how bad as long as weapons were not used ended with the crown seeking a peace bond, which would remove the criminal aspect and just keep it CIVIL. Simply put getting the accused to agree that he should stay away from the victim for 6 months. One fellow did not know English well and did not understand what was happening and was made to agree with this. His interpreter showed up late, too late to explain what was going on and the guy who pounded the poor guy nearly to death walked out the court with a promise that he would stay away from him for 6 months. Try doing that to a cop and see what happen s. I saw 3 or 4 of these situations over having to goto court and thought what a shame.

Now what really turned the worm on my thought process of justice system was when I had to goto court to testify against a yong man who had aided his friends in robbing me and he had a 300 some pound friend of his stand beside him while he threatened my life and then proceeded to punch me after I had thrown him to the ground for being in my face and previously punching me. I was well reserved trying to get my money back and trying to talk sense to this young man. Of course things would have been much different if he didn’t have his friends backing him up. However this dragged on for about 2 years before I got him into a trial. The first Crown prosecutor who was absolutely snaky with me, only spent 15 minutes reading up on the case, totally unprepared to prosecute and only wanted to seek a Peace BOND. I was outraged. He also said that the robbery part was removed from the trial because they got the guy who actually did it, but his cohorts were not responsible in some way? Well it got put over because my witness never showed. The Crown prosecutor stated that it was his decision alone if they were going to prosecute. That blew my mind right there. What’s the point of going through all of this if you are not going to prosecute?
When we finally got to trial about a year later my witness did not show again, but the proceeding anyways. There was a different CROWN prosecutor this time and he seemed very kind. The Lawyer made reference to the CROWN prosecutor as being his friend, court talk, but I wondered just how friendly are these guys. What transpired from there was the one of the lamest prosecutions I have ever seen. It was a complete dog and pony show. The judge actually had to intervene a bit and ask the young fellow questions pointing out his purjury and lies trying to obscure the obvious. In the end the Judge said he couldn’t decide who had hit who first, even though they had just put one fellow into alternative measures for the robbery. They do that for first offenders to avoid giving them a criminal record. In his apology to me he mentioned how insane it was as to the amount of money he was spending on lawyers versus the $25 he stole from me. I am sure the young man in the trial had spent a large sum of money on his lawyer as well. At the end both the Crown Prosecutor and Defense Lawyer turned to me to get my take on what had just transpired. I told them that I knew what the young fellow did to me and perhaps the money he spent on lawyer fees would deter him in the future for doing what he did. The aura that they put out was a like I was in a church or something. It was like they were saying you are an adult this is a child, you should have handled things differently. That was the underlying message I took away from all of this.

As soon as I left the court room I gave my head a shake and said to myself what a dog and pony show I just saw. In terms of what I saw they were actors. They put on a play for me, for which I was invited to be one of the actors. The outcome was perhaps not what I wanted, but underlying message about grow up and take responsibility for your own actions and treat others as a human being resounded loud and clear.

Thus it is with the true nature of the courts. They only exist because we do not take personal responsibility for our own actions. There is no law. In fact there is no justice. This is the fundamental nature of the courts. They Judge has no power over you or anyone. He is the same as you, equal under the law. He can not do anything to you without you first giving him permission to do so. In our child like behavior we are allowing these imaginary governments and courts to exist. They get make lots of money because we have missed their underlying purpose and more importantly have forgotten who we are. Who are we? We are everything that exists, we are infinite beings caught up within our own illusion of fear. That is why we are all equal under the law, we are the same infinite consciousness that can be either a droplet or an ocean. The actors are human beings as well and must not forget that. The people who are organizing all of this in the distant background, keeping us in ignorance are the soulless creatures I like to call them. They do what they do because they are pure illusion, fictions. Much like the movie the Matrix, there are many among us that are not like us, but pull the strings to keep the illusion going.

What they want is for us to keep throwing temper tampers at the illusion, where in fact it is us that are creating our own reality from moment to moment. Why are they doing this? I can sum it this way;

They are doing this because we allow them too. Because they live in a world based on fiction, truth is meaningless to them Truth is absolutely the most important thing, without it we can not exist. It is perfectly okay for them to lie to us because everything we do with them is not based in truth. They want you lash out at their illusion to get into conflict. For that feeds the illusion more. The only weapon that they use is words. Nothing more. They only use force when force is used against them. Of course this is not entirely true, but for the most part if you use force it gives them an excuse to use force back. They want to create as much pain
and suffering as they possibly can to us. Why? Because we are ignoring our wound, we are ignoring the fact that we are all one in the same and we need to love each other not be in conflict with each other. We are coming up to 2012 huge changes to our reality and lives are coming. Would you hand over the power of being co-creator of the universe to a child that lashes out at illusion? Think not. They could have devised a different way to prepare us, but this is what we got so we have to work with it. Be an adult and stop lashing out at the illusion, learn to ask questions. Nope not everyone in the SYSTEM are going to follow their laws, why? Law is not based on truth, there is no such thing as law. The Admiralty courts grants them the immunity from enforcing or obey their laws.

We live in truth they live in lies. Love thy neighbor as thy self. It is quite the mess wouldn’t you agree? The only way out I see is claiming rights. Rights are not laws they are rights. Until you claim them and stop giving your power away you will be enslaved by them. I would highly suggest that you take time to watch this video on the Internet. It is called Bursting the Bubble of Government Deception.

Back to Baal

Okay now perhaps beating down on the illusion is not a good thing. Yes I know, the incredible injustice that is transpiring here but it is only us that are allowing it to happen. If someone does not want to acknowledge that we are equal under the law, I really don’t want to have anything to do with him/her. Slide their stuff back to them and don’t accept what they offer. The only law that is being practiced today is Commercial Law. In truth all law is being practiced but selectively I would say. The hardest thing for everyone to come to terms with is that again this is all happening in an imaginary world. The scripts that are played out are called Acts. Hmm, ever notice that the laws all come from Acts or Codes? Sure look up the definition of Act:

Blacks 7th defines Act as:

1. Something done or performed, esp. voluntarily; a deed.

No where in the definitions of Act does it ever mention that an Act is Law. Are you volunteering to enter into the act? Yes through your acceptance of the words being presented to you.

Blacks 7th defines Code as:

Strictly, a code is the compilation not just of existing statutes, but also of much of the unwritten law on a subject, which is newly enacted as a complete system of law.

This is where unwritten laws get their entrance, the Criminal Code is based on unwritten laws, fiction. Thus criminal courts using codes can draw from unwritten laws. Which laws would that be? Well it is any law they want to dream up, usually to your deterrent. As soon as you acknowledge that Code’s apply too you well, you are saying any unwritten laws apply to you. The word Statutes is important because you need to know what a Statute is thus:
Statutes are not laws. A Statute is defined as "a legislated rule of society which has the force of law." A society is defined as, "A number of people joined together through mutual consent to deliberate, determine and act for a common goal."

Thus if you are not a member of the society then their rules and statutes have no force of law over you. If you simply remove your consent to be represented by your MP or whatever actor makes their appearance to you, then you are not part of that society and they have no force of law over you. How soon will it be now before you send a notice out to your MP, MLA and City Councilor?

In terms of Baal it really doesn’t exist today although some may like to call it that. The Christians, Muslims etc. join these societies and thus live by their rules. However when they force their society onto others as they did with the Temple of Baal, conflict erupts because they are violating people’s natural right to chose and be self determining. The enslavement and death of others to raise the standard of living for a few is always the bases of the Tyranny. For those in the Christian movement who believe in the Laws of LORD God for which he states are statutes, thus fiction look at the courts as perhaps the Temple of Baal. The Bible is all about an invitation to into a society where you will get salvation and eternal life if you follow those rules. Although this would be nice do you know anyone that this offer has been made good on? They are all dead right? Hmm, perhaps we should pay more attention to living then and figure out how we might get eternal life here on earth if that is possible? I don’t think you will find the answers in the Bible. For the most part the Bible and the Holy Koran and many other forms of statute society creating structures, seem only to benefit the few while leaving the masses in ignorance and disarray. They make lots of money from the Holy Wars and from enslaving people to work on various projects that benefit the few rather than society as a whole. Perhaps it is time to re-examine the risk reward issues from belonging to such societies. Is the Creator a member of the society? Do you see the Creator at the temples everyday? Hmm, thought so...

If you we are ever going to break free and be free, we need pay attention and be observant of what is going on around us. We have to ask questions. If we don’t get the answers then perhaps it is time to move along. Did the destruction of the House of Baal stop the use of law systems not based in God’s Laws? Nope. What it did though was amplify it more and created a system that was even more deceitful. Thus the slaying of these people who used words to gain power over their fellow men resolve any issues? Nope. Still here. I am not saying what they are doing is right a justifiable, it is a war that they have started against us that has been going on now for thousands of years. Conflict is their key for then they can divide and concur. Concur being the optimum word there. Of course they use force and intimidation to enforce their will onto others, but they ones doing it are using us as their tools for doing it. When have you ever seen leaders of countries doing the dirty work themselves? No they reserve that dangerous work to the ignorant that would follow them.

Thus it is our ignorance that is the enemy and education is our defense. However they don’t want us to start teaching each other about what is going on, because that would totally destroy their house of cards. Thus they pounce of people’s ability to have free speech etc to quiet the rebellion. They want their slaves happy and content. They don’t want them to know that they are indeed enslaved, then they would have more challenges to deal with.

Final Thoughts on The Temple of Baal
Elizabeth-Alexander-Mary: Windsor is not HER MAJESTY QUEEN ELIZABETH II. She is not part of any society I can see in relation to Government. I don’t see her name listed anywhere on any of the legislation, nor is yours. When the Elizabeth is in the CITY, she must walk behind LORD MAYOR. When she is outside the city acting as HER MAJESTY the actors must walk behind her. Temple BAR is the holder for the Slaves called PERSONS within their Society. The QUEEN PERSON is nothing more than a slave denoted as a leader of the slaves.

In terms of her Oath granting rights and freedoms etc to people, your rights and freedoms do not come from the QUEEN for that would identify you as being a slave. Further your rights do not come from the GOVERNMENT for they are only interested in chattel slaves. Your rights and freedoms come from you. You have the right to claim your rights and freedoms. They can not take away your rights so long as you are not forcibly interfering with the rights of another, which involves taking away their unalienable rights, being right to life, liberty and property aka happiness. The air we breath and the land we live on is for the common good of humanity. Without we would die, thus sharing equally that which the creator made for us is paramount. Getting to that state of mind though will take time. But we are moving there.

The Temples or Courts deal in argument. You show up in court over a traffic ticket you are automatically in dishonor as they gave your 30 days to discuss the matter with the human being that wrote you the ticket to begin with. They do not have force of law over you unless you give them in some way of having it. Silence is consent. The very nature of pleading not guilty is dumb, because if you are not guilty then what are you? Innocent? Nope, still guilty just not guilty. You never proved innocence.
Chapter 3

The Hidden Occupation

Take note of the huge Monolith in St. Peter’s Square of the Holy See. That is an ancient Egyptian monolith. Now ask yourself, what does an Ancient Egyptian monolith have to do with Christianity? The very nature of Darkness or the Black is to hide their religion out in the open. In truth their symbology takes on deep meaning for them in terms of how they subjugate and enslave humanity versus what they tell us their icons stand for. Thus is the nature of their occupation and enslavement of humanity. This has been going on for thousands of years on smaller scales, but because we are now approaching 2012 where our consciousness will shift to a point of very high levels of infinite love, they are doing everything that they can to stop this. There is no doubt that we are at a point of great change and they know it. This all kind of started with the creation of various religions all dating back to roughly the same time period and regions in Europe and Africa areas.

Religion is and has been used to pacify the masses into accepting Tyranny. The foundation of the religions used as a weapon to gain subjugation over people through wars have at the core of their belief that it is okay to murder others in God’s name or as long as you believe in Jesus you will be saved no matter who you kill. The simple fact that even today that wars are raging over Religion in the Middle East and elsewhere is a testament to the true nature of people who we consider to be holy and spiritual leaders of humanity. The very nature of these religions all being based on fraudulent beginnings should give people a pause for thought. In truth the Creator speaks to us everyday through total unconditional love. There is no intervention by the Creator of this world unto your life or anyone else. Thus that should give you anyone pause to ask why would the be involved in enslaving others for the express purposes or destroying their culture, their capacity to sustain themselves and ultimately genocide on large segments of the population?

The Holy Roman Empire is only but one aspect of the Occupation taking place today. The entire Occupation was designed to set up false flags for the Occupiers so that you could really pin point exactly who or what is doing the Occupation. If you go chasing after the Crusaders a.k.a. the Christians, Jews, Islamic Extremists, Masons etc. you are going to miss the plot. All these institutional structures are built on pyramids, command and control. Everything is compartmentalized so only a few see the big picture of what the hidden hand of manipulation is doing. Many of the people in these institutions are there for benevolent reasons even in the various Governments. The truth is that if you want to control large institutions and concentrate the power into the hands of the few you must have these command and control structures in place. This is how it was in the Ancient world and this is how it is today.

Each year the people controlling these structures meet. They coined the name the Bilderbergers after the first hotel they met in. There are people within these meetings that are leaking information about what is going on in them and some journalists do report on it such as Alex Jones at www.infowars.com. Generally people put into key positions of Government power even the coveted Prime Minister Steven Harper went to a Bilderberger meeting a year prior to becoming Prime Minister of Canada in 2003. I strongly suggest that you watch this video put together by Alex Jones to get an idea of what this group is truly about and the evil that they are perpetrating on the world.
The enslaving and take over of the planet went into high gear in about 500 years ago with the expansion of white Europeans into the Americas and elsewhere in the world through the use of ships. The word Race first appeared about 500 years ago as well. Just think about that for a moment. The occupation can only work if these people wanting to enslave us for their own selfish ends can only do so by pitting us against each other. The hidden occupation will be crushed once enough of us wake up and start saying no. No more enslavement. There is nothing to fear about this for we live in light they live in darkness. They are in fear and they grasp onto power over fear. They can not survive when we simply take back our freedom.

What has made this expansion of the Holy Roman Empire and forms of Imperialism possible was the use of contracts as shown in the first chapter. The simple fact that people were forced into these contracts under great duress for the most part is unlawful. The creation of all these Countries and States/Provinces etc. only exist in the real world as Fictions. They are merely corporations. Thus the simple fact that in Fiction there can be no truth, the entire SYSTEM is based on lies. Their objective is to get you to voluntarily enter into contract with them and for them not to disclose the true facts concerning the contracts. They do things in ways to obscure the truth so they can play the old Bait and Switch game on you.

The Christian values that the Queen and others put forward such as love thy neighbor as thyself is a complete lie. The SYSTEM is designed to enslave you and to take away as much wealth and energy from you as possible. Children who are in their School SYSTEMS are loaded up with hours of homework each night, even at the kindergarten levels they get homework, which does little to educate them, but rather enslave them and gets them use to working long hours for little or nothing in return. The Occupation as I put it is controlled through a pyramid structure of compartments, where only the people at the top have the greatest view of what is going on. Thus keeping their workers and people in general in ignorance of the true goals and reality being achieved.

In truth the major fundamental religions all take from their followers for the use of the Church and “God’s Works”. In some regions referred to as Countries religious leaders are so corrupt that they take almost whatever they want from the people, usually the working class. Iran is a good example of this. The money and property taken is usually not traced and it always seems there are certain families that are well known that are very rich within those countries and also surprisingly have great influence within the various institutions that are used to control the lives of the people. The SYSTEM spreads out like a spider web to these bloodline families and their minions. It is an organized crime SYSTEM for which they hide behind the various religious and government institutions to somehow gain some level of credibility in their exploitation of people. And that is what the SYSTEM is all about, exploitation. It allows the few to benefit from the labors of the many.

The whole thing revolves around you volunteering to enter into contract with the SYSTEM. However they see fit that it is okay to intimidate, torture, oppress and do almost whatever it takes to get you to volunteer. The level of intimidation or extent that they will go varies from geographic region to region. Democracies do not exist primarily because only a small number of people in comparison to the rest of the population hold all the decision making power. The Votes in the various institutions such as parliament are jokes, because he politicians are trained seals and are obligated by their party line to do what they are told or else. Because it
is Admiralty Law that they are working with, they have a duty to pass laws that the Captain of the Ship wants passed. Hence why many Counties have a Governor General. A military Officer who supposedly represents the Queen. However in de facto Countries they leave the world “do” out of their Oaths and they represent no one. In fact the Country such as Canada is a corporation controlled by the International Bankers in London, England. It is listed on the Securities Exchange Commission in the UNITED STATES:

Canada’s Listing Under the Security Exchange Commission

Indeed Canada is a Corporation just like a car dealership or bakery etc. It is not a Sovereign Country.

What you find within the structure of the Occupation are titles of Officers, Generals and other military designations all reflecting the Admiralty Law of their imaginary ship on land. They will mix in some religious designations as well, to confuse the situation such as Constables. Isn’t it interesting that you can goto a Catholic Church, confess all your sins to a priest and your sins are forgiven and yet doing the same thing to an Officer you may end up in Jail. The simple fact is that even the Catholic Church is a REGISTERED corporation of the various Countries it resides in and thus are subservient to the Government. If the Government wanted to they could force that priest to tell them everything that you said in confession. Why well the SYSTEM makes sure that no one within it has any rights or freedoms, only privileges. Interesting how in Canada’s Charter of Rights and Freedoms in the Preamble it says Canada was founded upon the Supremacy of God and Rule of Law. Well perhaps God is not supreme within a fiction. And if God is Supreme then what are you? Well if you take their bait, you become a slave to the owners of the Corporation/Society of Canada. Remember God never made any laws so they can do whatever they want within their SYSTEM.

Law

In terms of Law some say there is God’s Law and Man’s Law. God’s Law is the Torah, or more specifically LORD God’s Laws and Statutes. I just wanted to make something clear here. There are people who say that you have to follows God’s Law or else you fall under Man’s Law. The hardliners as they are in the religious world like this situation because they can get you coming and going. They only allow you two choices. In some places they just kill you if you don’t follow God’s law, based on the Holy Qu-ran. In Somalia they passed a law saying that if you didn’t show up to pray 5 times a day, that you will be executed. That’s freedom for you eh? What about no law? Yes Laws are voluntary. Law is Society based which is a voluntary thing. Thus a Country is not a Geographical area in the physical world only Geographical in the imaginary world under the law of nations which contains within it an imaginary society. Further only names can be part of these societies as you have no true name. To say you have a name is to attach something of the imagination to yourself.

What we have are competing interests to some degree who want their version of LAW utilized within the Courts. Thus what they did was to incorporate other SYSTEMS of LAW into the Laws of Commerce, which is what is used in most of the courts through out the world. The Torah states in Deuteronomy 4:2; “Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of the LORD your God which I command you.” Deuteronomy 12:32; “What thing soever I command you, observe to do it: thou shalt not add thereto, nor diminish from it.” Of course you see if you are an Orthodox Jew then this is the extent of your life. And thus it is one of the primary reasons why there are many Jewish people involved in Law. The Talmud
is well integrated into Modern Commercial Law as well as some aspects of Canon Law. Civil Law is the cover for which they use to impose various systems of law onto people, which in turn are designed primarily to enslave and steal property from the people to enrich the few. The Creator made no laws so why are they?

Since law was defined as the masterful use of words at a UN human rights complaint commission concerning Canada over the use of fictions being used as a form of tricking people into losing their natural rights, it is only fair to say that Law in of itself as being put forward is in of itself unlawful. It has no meaning or truth only manipulation and entrapment. The truth is that if Law does at all have any lawful force of law, it must be based on truth. Thus there in lies crux of the whole thing. There is a third way that no one is talking about. That is simply stop the lies and make people accountable for the truth, without all the obscurity and tricks and intimidation. Getting to that point however will totally destroy their SYSTEM and when we do all start living in truth and not allow others to get away with using trickery to gain our cooperation, we will be free of this menace that the ruling elite have devised for us all.

Thus Law or what they want us to accept as what passes for Law is the tool that is used to fuel the hidden occupation. Everyone is suppose to accept that because someone got a trial that it was fair and impartial. Thus any sentence handed out was fair and just for those that were guilty. But very rarely if ever do you hear of the trials where the truth about the SYSTEM is exposed and the few that do win against their SYSTEM records of the cases are destroyed or simply disappear. Transcripts are usually altered to a great degree as well to omit evidence exposing the SYSTEM and or people they wish to protect within the SYSTEM. Such as pedophile judges and others who are doing the bidding of evil. As I mentioned near the beginning of this book is that the ruling elite created a giant prison in an imaginary world and called it a play. They use PLAY SCRIPT and have Acts to the Play. Everything works on you giving the Actors the voluntary permission in order for them to use the force of Law against you. They do this through lots of deception. The only question is why would someone do this? Well they gain a benefit from getting you into their Play for they can confiscate your wealth and enslave you. Law in of itself is a tool of the occupation. The native people worked primarily on common sense and shared what they could to help each other.

The mere fact that the Torah considers anyone who is not a Jew to be a beast and there for subject to mans laws instead of God’s laws is false doctrine. If one is not subject to God’s laws by not being part of the society of people that believe in God’s Laws without any proof of existence of their God or historical confirmed fact of the existence of LORD God etc, then who are they to dictate to the rest of the world what laws we should be following? Indeed as explained earlier the occupation has different aspects to it using law as the tool. The Torah makes it okay for Jews to lie to the beasts etc, so in one swoop it makes it okay to lie, steel and cheat other human beings who do not believe in the same belief system. Similarly the Bible used in the Courts, the Commonwealth is suppose to use he King James Bible. Elizabeth-Alexander-Mary: Windsor the Actress for HER MAJESTY QUEEN ELIZABETH II has told the Canadian courts to remove the King James Bible from the courts, because she no longer wants to be responsible for the mass fraud that is going on in there. The Bible represents a Belief system, it does not represent truth. The Queen is feeling the pressure of the people beginning to stand up and rebel against the tyranny of the occupation. Like a scare rat, she is jumping off the ship in hopes that she won’t be held accountable for what has and is going on. Yes we are winning this battle and war. It is going to be painful at times, but perhaps these tyrants will finally learn that people just want to be free. You can’t hold us down forever. Much like what LORD God arrogantly thought when he created an illusion of the world in Genesis Chapter 2. Yes do read it, LORD God created and illusion not real and
surpassed the Creator’s creation from him. The prison of fear where he got to pick the best part, the part of the play where he gets to make the rules and impose them on others.

POLICE and the SYSTEM

POLICE mean different things in different places around the world. That is to say that their mandates are slightly different. However for the most part where the Bankers have control over the Planet to Serve and Protect take on a different meaning. They serve the SYSTEM and protect the SYSTEM, but not you. Yes there are some good people in the POLICE forces that would do anything to help you. However few may actually realize who it is that they are working for. In the USA there is now little doubt that it is now a dictatorship run under the puppet George W. Bush, multimillionaire and the Bankers who seized control of that County in a Coup de dat, in 1913 by amending the Constitution to allow the private bankers to print money for the USA under the private bank called the FEDERAL RESERVE. It was an unlawful and should have been stopped and Congress to this day has the power to stop them from printing money, but doesn’t do anything.

You should be angry. The spineless men and women in Congress that do nothing are ensure the promotion of the New World Order plans and agenda for a One World Government based in Tyranny. In terms of a hidden Occupation, the POLICE and MILITARY have been turned into a private army for the International Bankers, not for the People. Their mandates are now to protect and server the Government and not to uphold the Constitution for which they all swore an Oath to protect and uphold. The US Constitution is all but gone now. Just an empty shell of what it once was. It is truly sad that people entrusted in upholding the Constitution a document which provided freedom through civil law, could be turned into believing the dictatorship aspect of Rome, being that Caesars will has force and effect. The passing of the Military Commissions Act and loss of Habeas Corpus, allows the Government to strip any PERSON of their citizenship, ship them out of the country as an enemy combatant, where they can be tortured and tried under a military tribunal and executed in secrecy. Without Habeas Corpus you can not even go before a Judge and ask what body of evidence do they have that says you are a terrorist and be judged by your peers, not that you would get a fair trial anyways, but at least you would be able to show others what is happening to you. This should give you pause for thought. This is absolute Tyranny.

The sad thing is that the POLICE and MILITARY people think that they are safe because they are in the SYSTEM. As long as they do the bidding of their Banker Masters they will be fine. I know some are absolutely sick and disgusted with what they are seeing, but at this point they are scared. Letting fear of their own lives being destroyed by the SYSTEM they impose it on others. This is beyond sick and I can’t find the words to explain how this makes me feel, but I know that it is coming to a head. When your son or daughter disappears coming home from school and someone who witnessed the government abduction speaks out and is then grabbed for ratting on the Government you can see the level of physical, mental and sexual abuse or abuse of all kinds and then out right murder of people that will become a reality in the not too distant future. Your baby can be designated as an enemy combatant, there are no restrictions on the definition! Then perhaps you will begin to start listening and we as humanity start holding these tyrants accountable for their actions.
Again everything that is happening is happening because you present the POLICE or MILITARY a document that shows that a PERSON is fraudulently attached too you. A PERSON is not who you are but something that you have. You can talk about your PERSON in terms of a 3rd party but you do not lawfully have a name. They can only ACT on the PERSON not on a human being. If you have a Social Security Number that makes you an employee of the Government so turning that in is an important thing to do in the face of tyranny. The IRS can’t do anything to you if you don’t have that. In fact the IRS can’t show the law that says you have to pay taxes and use unlawful intimidation techniques, such as just raiding your house and taking everything from you without even stating what law they are acting under. Don’t get me started... Anyways the key is to never give them a name for which they can assume to be you and allow them to act on it as being a PERSON. I am sure at some point even this will become mute as they don’t observe their Oaths now, they won’t observe what law is in the future. But for now, just keep in mind that they are Actors and they are acting on the PERSON, which is not you. Another thing you should do is send in a notice saying that the you no longer require a license for that license if only for a PERSON and you are not a PERSON and have no need for such documents. Doing this may create some financial hardships, but it allows you to step outside of their SYSTEM. If they can not see that there is a PERSON attached to you then by what authority do they have to use force of law on you? I strongly suggest that if you haven’t watched Robert Menard’s video, called Bursting the Bubble of Government Deception that you do so now.

In terms of anything that they can throw at you just realize that all they are doing is offering you to contract with them. They must get your compliance every step of the way to be lawful. Compliance equals contract. Just because they present the offer that you are ENEMY COMBATANT doesn’t mean you have to accept it. In fact just tell them you do not wish Joinder and I refuse your offer of contract and leave it at that. You don’t have to show your ID or anything for that matter for your ID is evidence of perjury. Ultimately you can say that my rights and freedoms come from the Creator and I have no ability to change that.

The Creator created the Earth and you and I are of the Earth. Everything that you are using to is of the Earth made by the Creator. The Creator gave Man Dominion over the Earth. Genesis Chapter 1:28

And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth

The subtle difference is that in terms of the Bible everything beyond Genesis Chapter 1 is considered FICTION. The Bible is about how to deal with FICTION. In terms of JESUS he too
was a FICTION in the Story. John:3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. God already created his Children in Genesis Chapter 1, so this raises a question about the men and women created in Genesis. Were they not God’s Children? There are 2 sets of Children, God's and LORD Gods in Genesis. Somehow we are supposed to overlook that point but it is important to realize that JESUS is a FICTION much like the entire Bible is. The point is that the Bible lays out the Ground rules for dealing with FICTION entities, where LORD God is a FICTION and creates all his rules based on fear. Because everyone takes a Oath with their hand on the Bible is committing Perjury when they state that law exists beyond the Torah. The Laws that exist beyond the Torah apply to the Beasts, non followers of God’s Laws, but they never seem to want to point out the truth in Genesis Chapter 1 that there are no laws so they thrust FICTIONS onto people at Birth and try to make believe that a because they believe in FICTION and are not following God’s Laws they are Beasts and can be treated as such. Freedom from this absurdity is remedied in Genesis Chapter 1 for they can not disprove that you are not from God irregardless of what papers were signed or what you say. However because they love their Mammon more than God, they use him as an excuse to extract your wealth, time and property to their enjoyment. In truth there are no original Torah’s around to get any accurate translation or true information about what was really written. Thus everything they are basing their laws on is pure hearsay or the other stuff if you know what I mean.

In terms of Oaths though, many take false oaths, leaving the word “do” out of their oaths. This puts you into a very precarious situation, for they are not standing for any laws or anything but what they want. The only law that exists is perhaps the Bible in that case. You can find remedies within Commercial Law as well, just taking what they throw at you and throw it all back at them with a bunch of questions that they can not answer. I discuss Commercial Law in the next chapter, but you must be aware of the Biblical Law that exist even though it is all based in hearsay. The more you know the easier it is for you to push them back. Simply saying I refuse your offer of Contract or stating Compliance equals contract and I do not wish to contract with you are powerful statements within commercial law. The reality is though that the UNITED STATES has been taken over by a silent Coup and has been converted into a dictatorship with very thin veils hiding that fact. The when they are pointing guns at you and removing your capacity to defend yourself lawfully it is time to clean house or move. I’l let you decide that one. The New World Order wants a New World Religion and One World Government by 2012 I think it is. They want to use the people in the USA as the powerhouse to accomplish this, by totally enslaving them into the military. The fact that Canada is a Corporation listed on the Security Exchange Commission will have little impact once they put their plans into high gear. It will start with the Economic merger with Canada, Mexico and the USA. Just keep in mind that this is all happening in the FICTION realm and the truth is the Earth is our home and it belongs to real living beings of life.

LORD God is a FICTION and he has no authority, zip, zero, nada. The main reason being is he is pure FICTION. LAW is man made not made by any God. The so called Laws of God only refer to his Laws. In the Bible God made no Laws, thus there are no Laws of God. This is the single most important thing to know. You are of the Earth you came from the Earth and you own everything from the Earth. It is impossible for you to be in debt for the paper, thoughts or anything that they use to prove the debt, all comes from the Earth for which God gave you and me dominion over. This is absolute and true. Further the notion that God was a trinity is not mentioned at all by God in Genesis Chapter 1. Until God appears before you and everyone to say that is true there is no evidence at all to say that it is true. You have complete and total ownership over the Earth. You were not created as a SLAVE but after Our Image, meaning everything that exists in the Universe. You are priceless. The simple fact is
that the creation of illusion through FICTION and through tricks and deception depriving you
of the Creator’s will does not detract that from the truth which is readily observable by all.
We all take from the earth to sustain our life and give birth to our children, everything comes
from the earth, everything.

On a spiritual side your light from your auric field permeates all life and objects, there is no
separation between you and everything around you. You are everything and everything is
part of you. The notion that you are a thing of the imaginary is a fraud and they know it. It is
a game to them. They see you, me and everyone as their SLAVES. It is the simple realization
that we are everything that exists and at any moment we could wake up to this and FICTION
would be gone. They are terrified of this as it would end their control over us and also their
existence for the ones that are soulless.

The primary fraud that the POLICE are engaged in is looking at you as a corporate entity a
fiction Identification only identifies FICTIONAL entities, that the Government creates, not you.
It is truly the Government creation and the Government is liable for it. However the POLICE
Officers are operating in a Common Law Jurisdiction, which they are fraudulently attempting
to turn into a Admiralty Civil Law Jurisdiction. The simple fact that they ignore the fraud they
are perpetrating on the people, that being that they are living, sentient beings and not fiction,
not something of the imagination is a fraud. Again they want an imaginary entity to be given
the same status as that of a living being, except the imaginary never dies or exists in the real
world. This simple concept should give every POLICE officer out there a pause for thought.
This is the base of their house of cards. If you simply acknowledge the truth the entire house
of cards falls down. A fictional entity may not make any laws for when it is living human
beings that make laws. Everyone who imposes laws onto others knowing this simple truth is
knowingly committing fraud. Those that don’t know it had better wake up fast and stop doing
it for this fraud is quickly coming to an end and they will be charged under Common Law for
what they have done, unless they stop. The world is not going to put up with this much
longer. It is a form of dictatorship and tyranny.

The other aspect to this is that some people gain great self esteem from having power over
another human being. Recognizing the fraud they are committing will eliminate the power
that they hold so dear over other human beings. It is mostly brainwashing and some early
childhood traumas or bullying that bring people to this tunnel vision. The simple fact is they
were lied too and conditioned to believe in a SYSTEM that has no lawful right to exist. The
fact that catch bad people who commit horrible violent crimes against the people does not
excuse them from looking at the SYSTEM for what it truly is. In the USA Allan Greenspan ran
the Government. He literally dictated what their policies would be. One guy, how is that fair?
Congress and the Senate are nothing more than a bunch of trained Seals, who commit all
kinds of crimes and squirm out of the liability of those crimes through a corrupt SYSTEM that
can protect them. In Canada, Everything is controlled through the Privy Council, which
dictates to the Government what the policies shall be. They keep the Parliament or those not
in the know of what is going on arguing all day long over the dumbest and inane things, yet
when they do need a new law passed, it rammed through at light speed. The party whips
come out and the slaves are intimidated into providing the votes that the Bankers want.

The abuse perpetrated on the homeless and impoverished people by the POLICE through out
North America and the world for that matter is horrible. Torturing people with Tazzers,
beating them up for no reason, leaving people outside the city in freezing cold so they will die
all kinds of atrocities. Some are reported on but very few are ever followed up with any kind
of action that would be considered justice. It is difficult for me to believe that the amount of drugs available on the streets. It is huge and considering the level of technology they have today to track you and watch you, the high level people involved in this have to be in positions of great trust or rather power within the SYSTEM, in order to avoid detection or prosecution. The simple fact that the Bankers can not control the ability of people to grow Marijuana has sparked a huge crack down on it. From what I have read about Marijuana it is one of the most purest forms of food and has so many beneficial attributes for healing and other things that it is a crime not to allow it. In fact Genesis Chapter 1 states that all plants are God’s Gifts. They even seem to think that they are above God on these matters. As you know though God was designated as a PERSON by the CONFESSION OF FAITH OF 1646, signed off by the PERSON KING WILLIAM OF ORANGE. The King James Bible is a form of fiction, if you are asked to swear on it, just look at the Judge and ask him if the Bible is true or not. If it is true well, start asking questions about it and the judge will be faced with perjury rather quickly. The simple fact is FICTION has no truth that is why it is FICTION.

The realization that those who take on POLICING OR MILITARY roles have some how bought the idea that they are safe from the SYSTEM as long as they are part of the SYSTEM. Which is simply self denial of truth. The Occupation is not so much hidden as it is about the core issues of truth. I cringe every time I hear some Politician or talk show host say something along the lines that truth and justice will prevail. It is a dogma that has not existed for over 2000 years.

Lets take a look at the Royal Canadian Mounted Police Oath of Office:

OATH OF OFFICE

I, . . . . . . . . . . . . . , solemnly swear that I will faithfully, diligently and impartially execute and perform the duties required of me as a member of the Royal Canadian Mounted Police, and will well and truly obey and perform all lawful orders and instructions that I receive as such, without fear, favour or affection of or toward any person. So help me God.

OATH OF SECRECY

I, . . . . . . . . . . . . . , solemnly swear that I will not disclose or make known to any person not legally entitled thereto any knowledge or information obtained by me in the course of my employment with the Royal Canadian Mounted Police. So help me God.

Well what have we here. For some of you the obvious jumps out at you. There is no sworn allegiance to HER MAJESTY QUEEN ELIZABETH II. So what’s Royal about them? Nothing... In fact there is nothing that ties them anywhere to any form of authority. These are false oaths because they do not include the word do in their Oath. It should read I so and so, do solemnly swear. No action verb no Oath. Notice the all capital playscript fiction OATH OF OFFICE, well that means it is an Oath of a FICTIONAL Office not real, same with the SECRECY. The Secrecy section is nice because well it means they don’t have to disclose the truth to people about the scam they are doing. Would this also include evidence in a trial, well yes of
course. There are no limits on what they can deem secret using maybe National Security as a
disguise to cover their tracks.

They make use of the word execute, which is executive power. Where are they deriving
executive power from? No where. Now this is cute, and truly obey and perform lawful orders
and instructions. Truth in FICTION? Well that I like to see. If you are an actor for a PERSON
is it not the PERSON that must carry out the lawful orders and instructions? Well yes, so what
exactly is the human being doing here? The human being swearing the oath is not a person.
What is a lawful order and instruction. Well Lawful is not LEGAL, so why are they doing legal
things? Who gives Orders? Well a JUDGE does. When was the last time you saw them
present you with a document showing you that they are caring out Lawful Orders signed off by
a JUDGE to give it force of law? Instructions? When did instructions have anything to do with
LAW? Either you are following the rule of law or you are not. Obviously they are not. By
they way what laws are you suppose to be following? Under what Society do you derive your
laws from? Then to go on and say, "without fear, favour or affection of or toward any
person." Wow if you have no fear what are you running around with Guns for? Favour well if
that were true how come you have a code of silence among your fellow officers? Afraid they
won’t back you up because you reported on someone doing something bad to another human
being that was unlawful? Affection, well I am yet to see an affectionate police officers except
perhaps among themselves. Ah yes person, if you are aware that no one in the real world is a
person then why are you doing things against them when you are only allowed to work in the
imaginary world. In reality you would not need a gun or have any fear because the imaginary
don’t shoot back at you.

Of course it is all written in legalese which is not an Official language of the Society for which
they are told to protect. The Oaths are complete frauds and those people that walk around
with great sense of importance are living in a world of complete delusion. The final part, So
help me God, is gotta give you some pause for thought. God is not defined and the JUDGE is
presented by the Crown as a false GOD, your WORSHIP. So if God is not defined which God
are you swearing too, the JUDGE perhaps who is delivering the OATH? We are led to believe
that God is God that is referred to in the Bible, but it is not defined. It is sad that they take
every possible opportunity to pull the rug out from beneath us, through tricks. It is extremely
childish and selfish.

The thing that will stop a Police Officer in his tracks is simply this. If Legalese is indeed a
language for which only Lawyers can understand, then how is it that a Police Officer who is
not a Lawyer able to understand the Law and know that he is following lawful orders? If the
Justice System insists that only Lawyers can practice Law then what are Police doing? They
too then have no capacity to interpret or understand law so how is that they can enforce
something that the Courts say they can’t possibly understand?

A lot of other police departments swear an allegiance to HER MAJESTY QUEEN ELIZABETH II
however I showed earlier that is a foreign corporate entity and is treason to do so. However
because everything is written in Legalese it is the Lawyers Society which is not named for
which they are operating in. For every COUNTRY in the world using this system and legalese
being the basis of their laws, then references a society different than what they are
protraying. This is the hidden occupation. The underlying occupation is really about the
Control that comes through the use of Central Banks privately owned by the Banksters in the
"City" inside London Proper England and Temple BAR. They create an illusion of a separate
sovereign COUNTRY and then usurp power of that country by using their language, Legalese.
If you gain a benefit from a law then all the laws apply, who’s law, well the laws of the BAR. They created the prison with so many layers of lies it becomes difficult to see past the illusions, but when you look at with the intent of exposing simple truths the SYSTEM reveals itself. The mere fact that they say a COUNTRY is Sovereign is a lie because it implies that it is a living entity. I don’t like to use the word Sovereign myself because of this simple fact. Rather just say I am a freeman.

I will look at other oaths later in the book as they are very easy to pick apart and see the frauds within them. It is kind of entertaining. US JUDGES are so much fun as they are absolutely squirming now in desperation to distance themselves from the onslaught of awareness of what they are doing. Many of them give Oaths that go against the Constitution completely, while even those that do what is considered a proper Oath are still committing fraud.

John 8:7 "So when they continued asking him, he lifted up himself, and said unto them, He that is without sin among you, let him first cast a stone at her." Jesus was not arguing with the judgment. He was speaking to execution. Judgment had already been passed in accordance with the laws of the time. Which is why I tend to believe no one may take a life, no matter what the sin. In a true sense the POLICE officer is fraudulently rendering a Judgement against you as being a PERSON and then caring out a form of execution as per what his OATH states. Talk about fraud and abuse of power.

Vassal Law

Vassal Law is the SYSTEM of law most of the world operates under today. There are two objectives to putting this SYSTEM of law in place. One is for the imaginary leaders to gain ownership over the land and then get the people on that land access to the land by entering into agreements of servitude. The Spanish Inquisition and expansion of the British Empire along with France accomplished the first task. The second is to get the people into a mode of servitude. This is done with the utmost trickery of course but that is the bases of the law. A law totally based on FICTION.

I took this definition of it from The 'Lectric Law Library's Lexicon, http://www.lectlaw.com/def2/u023.htm

VASSAL - Obs. Someone who, by a series of formal acts, usually homage, commits themselves to serve another, usually receiving a fief in return.

The name given to the holder of a fief, bound to perform feudal service; this word was then always correlative to that of lord, entitled to such service.

The vassal himself might be lord of some other vassal. In aftertimes, this word was used to signify a species of slave who owed servitude, and was in a state of dependency on a superior lord.

Yes that’s right a species of slave. That’s all they want you to be. Interesting that they also allow for levels of slaves within the SYSTEM which underlines the fact that the QUEEN herself
is a slave. Of course if people knew the true nature of how the SYSTEM worked, much of this nonsense would be stopped very quickly. They want to keep their mushrooms well informed don’t they?

In terms of a law system we have never really had an opportunity to establish one based on freedom. For the most part tribal societies have had systems of law based on customs and truth, although these systems do get distorted to favor one family bloodline for their leaders. There seems to always been this hierarchy in place no matter where you went. For the most part though the concept of war was not something practiced much amongst tribal people prior to the expansion of the Illuminati empire in the middle ages. The earth was peaceful and abundant with life. I have not done a great deal of study into the ancient cultures, but for the most part of what I have studied their systems were based on the real world and truth. It would seem that is where we must return if we are to end this insane SYSTEM of law.

**The People from the Stars**

Zulu translates literally into the People from the Stars. The Zulu people of South Africa say that they came here via teleportation through thought originally and got stuck here. It is a testament to the true nature of human beings and what we are. If you order the tape called the Reptilian Agenda from David Icke’s website you will see a comprehensive interview with Credo, the official historian of the Zulu people and one of the last high level Shamans left on the planet. The information that he presents in the video rewrites many history books and gives us a much better fix on where we came from and why we are here.

In terms of UFOLOGY and alien races that have visited the Earth in the past and still do to this day there is an abundance of evidence that this has and is going on to this very day. The human species has been genetically manipulated throughout time to dumb us down and make us into a slave labor force. Because of the level of secrecy behind this it is difficult to pull out the smoking Guns and say for certain that this is indeed what is going on. In terms of scientific evolution, at one time people were imprisoned and tortured for not agreeing that the Earth was the center of the Universe and life only existed here. With the 100s of Trillion Billion Stars in the Universe it is beyond lunacy to believe that we are the only life in the Universe. Hence the motive operandi of these people is too lie about the truth no matter how absurd the lie in order to keep the lid on who we are and our true history. We are paying a very high price for a SYSTEM based in fiction.

If there are underground bases and military cooperation with aliens in terms of creating a slave race of human beings, which are easy to manipulate and control yet are incredible expression of life which they have to apply a lot of force on to keep us from self actualizing, we may never know. However the Disclosure Project headed by Dr. Steven Greer has done a great deal to uncover the reality of such a clandestine operation. Hi level military and civilian officials have come forward to verify in testimony that these things are indeed happening. David Icke has uncovered much concerning shape shifting Reptilians that through holography hide behind a human form and take on positions of power in large corporations and government.

Fear can only exist within Illusion for truth has no room for fear only love. It is perhaps what is keeping us alive is the fact that we do live in truth and through all the subjection of propaganda and behavior conditioning they can’t eliminated the essence of who we are, that being infinite love. The hidden occupation has done a great deal of harm to our planet our
home in the Universe and indeed this is our home and we would share it in instant with all peaceful life. However the Earth has reached a turning point and I am highly concerned about what I see happening to eco systems that are being ravished by greed and non caring. The most damage being done by large mining and resource based corporations and chemical industries, not to mention the wars that are dumping uranium all over the planet which we are all breathing today. The prospects for surface life to continue living within the next 100 years is becoming less and less every day now. Considering that Alien bases are underground and that is their home, we being surface life are perhaps expendable to them. I don’t know. However if you look at Mars that could easily be Earth in less than a hundred years from now if we don’t do something now.

There is a great deal of geological evidence to show that a number of pole shifts have occurred and with the massive melting of the polar regions it may not be much longer now before such a thing happens. I don’t think you can ever be prepared for such a thing, I don’t know what you could do or where you could go to be safe from it. The Ice Age happened in such a way that Wooley Mamoths died while eating as food was still in their mouths. To me that does not signify something natural but something very unnatural based on the pace which nature works. It seems to me much like what would happen if you focused a scalar weapon on the earth and sucked the energy from the Earth to cool it. In any case it is a technology that is kept very quiet and out of sight from people. For an overview of this technology there is a rare video made by Tom Bearden that goes into the hard science of this type of technology. You can watch it here:

http://www.cheniere.org/sales/buy-ttt.htm

The very nature of these ruling elite is that they thrive like parasites on us. They are energy vampires and thrive on fear. Interestingly our DNA is much like a computer program and through rituals such as those practiced by the Masons, they can unlock DNA codes which allow you to become more easily possessed. Imagine the horror of being consciously pushed aside able to see what is happening while another entity controls your body, Reptilian most likely. Those that play the game of enslavement do so at a great price. Human beings are very powerful spiritual beings and do not take too kindly to being lied too or manipulated. The perpetrators of this insanity stay in the background and use their minions as cannon folder. You will never see a world leader or one of the Banksters out leading the charge for any of their schemes. It is not their way. They hide in shadows and run for cover whenever the jig is up. September 11th is a prime example of that. They messed up big time and their entire Official story was picked apart and shown to be a complete and total lie. It was a major wake up call for humanity and now they are getting extremely desperate. They are passing draconian laws where they can name anyone a terrorist without defining what a terrorist is and trying so hard to shut down the Internet as a method for us to communicate with each other.

The true Occupation of our world is a spiritual one. The Courts are simply the manifestation of darkness. Ever notice how many politicians, bankers, Community Leaders where black all the time? It reflects the void of emptiness where fear dwells. Judges, lawyers, court clerks etc all wear black. We even get black popes. The key is they are colorless versus a human being full spectrum of light and truth. Fear compartmentalizes and sets up a chain of command all leading to the same bloodline families that are behind the manipulation of this Occupation. The Universe itself is nothing more than a holographic projection a projection which is not real, just an illusion which the manipulating consciousness wants us to see. The advances in millimeter microwave technology and nano technology is indeed exposing the
mechanisms of how the illusion operates. They are able to bend light around copper objects now so you don't see reflected light coming from the object. If they can do that imagine the technologies developed by hundreds of thousands of years ago or simply the advancement of life evolutions.

It would seem that we are indeed the food supply for these creatures. As they feed off our fear and strong emotions. Ever feel a bunch of pins and needles hit you when someone cuts you off in traffic and you had barely enough time to hit the breaks? Life exists outside our ability to perceive it. That is to say just because it does not reflect light does not mean that it is not there. The satanic ritual sacrificing has gone on for thousands of years even to this day. Just called different things for the same thing.

We do have a way out of this spiritually. It is with love and golden white light. You surround yourself via your imagination with golden white light and imagine that you are in the palm of the creator of all life and ask him for help, you will see opportunities present themself too you and positive things begin to happen. You are always offered choices, pick the ones that offer truth and love. The doors will accelerate. People are keys to doors and your interactions with them in positive ways opens those doors and lifts you both. In the end our infinite selves will begin to be more fully expressed through us as we are able to hold more light and energy. It will become incredibly hard for us to be manipulated and challenged when we are surrounded by love and light of truth. Your imagination is the key. Your imagination is just as real as this reality is and is the catalyst for what is manifested here. This is primarily I think where they got the idea of an imaginary SYSTEM of PERSONS. Reptilians are real but they are also projections, they are soulless creatures.

Ever notice how some world leaders take so much time to answer a question put to them? It seems almost like the manipulating entity hiding behind the illusion has to formulate some kind of response and then the response that comes is not an answer at all just a deflection of some kind from the question being asked. My instincts tell me that something is seriously wrong there and I sense no emotion from them, like they are even there. It is truly entertaining at times watching this process once you can see behind the curtain. Yes I am very empathic and can see auras etc. That is quite a story how I got to this point and I’ll share it later in the book. For now imagine these leaders as puppets on a string and being controlled by an entity we can not yet see. After some time you will begin to see the more similar traits in others such as Judges and some Police Officers. Trust your instincts and deep feelings rather than what the illusion presents itself through your normal vision. Your body does not lie it has to live in truth to stay in balance and dis-ease free.

Be aware what messages and values are being broadcasted too you via the television and radio and other sources of media. There is a great deal of thought conditioning going on and the manipulation is based on getting you the think about things in ways they want you too. The lack of will to help the homeless is part of this. It is a war unfolding around you in a quiet but sure way. Instead of spending some money to provide affordable housing The BC Government put out a pamphlet for people on how to do dumpster diving. Some cities in the USA are literal war zones. When they can spend billions on phony wars and nothing on the people at home who need the help the most you know something is seriously wrong. The money is being spent to create opportunities to oppress and destroy lives in other places around the planet. They will not stop until we stop playing their game. The mere fact that they entered a bill on June 6, 2006 (666), to draft everyone from the age of 18 to 42 into the US Military should give you some pause for thought. Recruiters go to impoverished
neighborhoods and use the bait and switch game on impoverished people. The offer education and then throw them on the front lines in their phony wars to create more suffering for people.

The Saudi Government is one of the biggest threats in the world in terms of the spread of fanatic Islamic values. Women in Afghanistan had their heads sawed off slowly in soccer stadiums just for showing an ankle. The Saudi Government was the instigator behind setting this up and were not held accountable. Instead they allowed the US to fight a war against its neighbors using bases there. The mere fact that the United Nations did not step in and hold Saudi Arabia accountable is amazing. Further the so called hijackers on 9/11 were mainly from Saudi Arabia and somehow they attack Afghanistan? Right.

The Government of Canada makes uses of a military hierarchy. Everyone in the government is an Officer or some kind of General such as the Lieutenant Governor General or Receiver General. It reflects Offices held in Admiralty Law. Commerce itself is a form of warfare. It is indeed a military dictatorship, but disguised in order to glean maxim penetration of resources to use against humanity. Out right dictatorships have a short life span and it is very dangerous for those engaged in it. The objective of giving people just enough freedom to make them believe that they are free when indeed when push comes to shove they can pull the rug out from under you and make you do their bidding is not freedom. I hope this helps to explain somewhat of what is going on. However I don’t know everything just observing what I can see happening. Once you acknowledge that this is going on you begin to see how the SYSTEM operates as an Occupation force rather than as a servant to humanity.
Chapter 4

The Illusion Called Commerce

The only thing that matters in Commerce is your Signature. Your Signature is worth a lot of money. Lots and lots of money. When you sign anything you are giving that instrument value. It is also one way we enter into contracts. You are completely sovereign and everything in this world is already paid for. The goods in a super market for example are yours you just present promissary notes in exchange you get a receipt. The goods were yours for the taking in the first place, however it requires a promissary note and a receipt to complete the transaction. Your signature is your credit a form of promissary note. It can be assigned value for fictions can not have any value. This is why all statements from Corporations and Government have no signature on them. They have no way of assigning value, only you can assign value to it, because you are Sovereign and infinite being of the Creator.

The truth can only come from living not from fiction so your word is your bond. You have incredible amount of power within the SYSTEM but, do to the tricks played on you, you were given the illusion that you had none. In part this has been what the master illusionists have been playing on humanity for thousands of years. It is truly a testament to how powerful we really are. The scale of the illusion to trap and infinite being within an illusion is what this is all about. They want you to thrash about at the illusion, that is the courts and all the actors within it. They are well paid and are very comfortable, but in the end are merely actors for the illusion. They are asking us over and over again are we infinite beings or one of them, caught up in the illusion. Hence LORD God when he said, Gen 3:22 “And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:”

The simple fact is everyone dies or do they? I’ll get more into that later in the book. For now realize that the illusion is not what seems. It is an offer. The illusion can only offer you things, you have to be the one the accept it for value. Up to this point I have been rather hard on the actors within the Illusion for I wanted to drive the point home that none of us agree with the amount of damage and unfairness that is going on within the SYSTEM. However everything and I mean everything that is happening is coming from your lack on not knowing who you are. When you know who you are everything falls in place and you will know what to do for every situation. The Illusion can only offer you things, it requires your acceptance to act on you. This is how it is suppose to work and from what I have observed you can put the breaks on at any time and stop the illusion from acting on you. Just need to know what this thing called Commercial Law is all about.

Now is your Signature on the Constitution? No then you are not a party too it. Is your signature on any of the acts or laws? No then you are not party to it. They can only act on your person, which is the imaginary fellow that walks along beside you but doesn’t exist until you point him out with your awareness. The Actors can not act on him until you bring him into the PLAY. Thus if they can’t see him they can’t act on him. Your attention on what you decide to bring into your awareness is the key to everything. The one thing that will help you a great deal through all of this is to realize that the SYSTEM being an Illusion for which truth can not exist within, in truth operates in total truth. It operates from the premise that Evil
and Lies are permissible within the Illusion and those in leadership positions are indeed illusions operating within their realm of truth. Good also exists within the Illusion but good is a relative term depending on who’s good you are talking about. You can not fault the Illusion for being parasitic and full of lies and deceit for these are the instruments of an illusion. Instead recognize the simple fact that this is indeed how illusions work and they are living within their truth. They are merely our servants. These illusionary creatures with no soul being only projections and nothing more are serving us. We just haven’t realized that the Illusion is operating in truth. Fear is an illusion a low vibrational energy, but we can change that through keeping perspective of what is illusion and what is real. Real comes through us we are the only thing that is real and we are holding all the power. The Illusion has no power and is using parasitic acts to take power from us, when in fact we have the power to stop it from doing so. Asking questions about what they are doing to us results in their exposure of what indeed they are trying to do. If they can not answer our questions, they loose power over us.

Now lets look at a Bills of Exchange. It derives it’s value from a signature. No signature no value. Your acceptance of a bills of exchange can be as simple as accepting mail from the Government. You accept it you become a party to it. If you didn’t open it and simply send it back then you are not party to it. These are what Robert Menard calls Sliders.

Commercial Instruments and Oaths

Affidavits are commercial instruments and are suppose to reflect the truth. Because we swear an Oath to God that it is true it puts us into a position of perjury if what we state is not true. Unfortunately as you have been reading there are a number of fundamental problems with this. One being that it is based in Fiction being a commercial instrument and second that you have no true name. One may think that not swearing Oaths would bring Anarchy, but rather swearing them has brought us Chaos. Jesus States in Matthew 5: 33-35 that you are not to swear oaths.

[33] Again, ye have heard that it hath been said by them of old time, Thou shalt not forswear thyself, but shalt perform unto the Lord thine oaths:

[34] But I say unto you, Swear not at all; neither by heaven; for it is God's throne:

[35] Nor by the earth; for it is his footstool: neither by Jerusalem; for it is the city of the great King.

In the corporation of CANADA we have seen earlier and in many parts of the world as well, people are taking false Oaths by leaving the word “do” out of there Oaths. Further those that are of the Jewish Faith or Free Masons are allowed at to partake in the Kol Nidre’ which disavows them of their Oaths. It is a prayer, which is perhaps a way of asking forgiveness for taking an Oath? I am all for this practice and there is nothing wrong with it, so as long as you tell people who have given you your Office that you are no longer under that Oath of Office and remove yourself from the Office. When has that ever happened? They neglect to tell the people they claim to have authority over that they did this. Of course because they did swear an Oath within the SYSTEM anything they say is considered to absolutely true and because you come to them without an oath everything you say is an absolute lie. You can find the Kol Nidre listed on page 183 of the Masonic Handbook and Jewish Encyclopedia (1901) Vol V, Page 539.
The Kol Nidre’:

“All Vows, obligations, oaths, and anathemas, whether called ‘konam,’ ‘Konas,’ or by any other name, which we may vow, or swear or pledge, or whereby we may be bound, from this Day of Atonement until the next (whose happy coming we await), we do repent. May they be deemed absolved, forgiven, annulled and void, and made of no effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not Obligatory; nor the oaths be oaths.”

Now because you swear an Oath to God for a an Affidavit eg. “Is everything in this Affidavit True and Correct?”, “Yes, So help me God.”, you are committing perjury in terms of what is written in the King James Bible. From Matthew 5: 33-5 shown above you have just committed blasphemy. Yet the old testament is full of sections where Abraham and others have taken Oaths. Again the Bible itself is a story of FICTION with the exception of Genesis Chapter 1 within it’s story being the part that is about the real. The mere fact that the Earth and the Universe was created about 6000 years ago has been proven by Science to be utterly wrong and we still today see the creative process unfolding.

Why do they ask you to swear oaths on Commercial documents? The ask you to do it so you will go into dishonor and that is all that matters in the honor and dishonor game. They don’t care about the truth or who did what. It is part of a smoke and mirrors thing, getting you to believe that somehow that by stating the truth on a Commercial document such as an Affidavit will somehow lift you out of their SYSTEM, when in fact it puts you into dishonor and a position of perjury. Just swearing to God is an act of perjury in of itself because God did not make any laws nor did God give man or woman a name.

They only care about making off with your wealth or making money off you by throwing you into one of their Jails and using you as a form of credit to make billions of dollars off you through your signature and living. The courts have very little to do with Justice as they are just money making schemes set up to enslave people.

Because you use commercial paper all the time they don’t tell you the laws surrounding Commercial Law, especially Admiralty Merchant Law because you are deemed to be an expert at it. Yet they have the books and laws at their finger tips, so would that make them non experts? It is rule by deceit not by law. Thus because it is fiction anytime a word is defined in any dictionary that word definition still has merit to be used within that definition. Look up the definition of, “if“ sometime and you will get the idea how complex and unfair it is.

Oaths have always brought chaos when used because it promotes the idea that we can let our guard down because someone is under oath. Further Judges are for some reason suppose to be Bonded so if they step out of their Oaths that bond becomes yours and they get removed from Office. The truth is they have no bond at all. If you ask a JUDGE to prove that he/she has one, they can not and will not produce it. You come to the Court with full Commercial Liability and the JUDGE sits there with none. Why, well you are a Slave remember? Yes that’s right his or her WORSHIP are Gods and you well, lets just find a nice damp dark cell for you when this is all over. I hope you are beginning to see just how arrogant these people truly are that purport to be pillars of society.
One last comment here. Now that you know about Oaths what do you think about the Queen and her Coronation Oath and being handed the King James Bible after she states the Oath? Yes that’s right she never swore an Oath at all on the Bible it was presented to her after she took the Oath. Section V, which follows the Oath of Section IV is titled, “The Presenting of the Holy Bible”. Take a look:

http://www.oremus.org/liturgy/coronation/cor1953b.html

Now what do they make you do in Court. Please place your hand on the Bible and state do you swear to tell the truth, the whole truth, so help you God. I do? Really how about answering, No? How can I or anyone know or understand the whole truth? By answering I do or yes you are also creating a contract and putting yourself into dishonor and blasphemy at the same time.

Then when they try to take the Bible away from you hold onto it and ask what page is the law they are talking about on. They offered it too you so don’t let it go. Then start referring to Genesis Chapter 1, you get the idea. You tell them, “Oh no, you asked me to swear on this, this is the extent of which I have sworn.”

The organization that goes by Zionism works of strict interpretation of the Torah. There are no laws beyond God’s Law and they are in control of the Courts. If you delve into commercial law then all of commercial law applies too you and you are exposed to a system of privilege and argument, not on truth and rights. Of course JESUS was a Jew and Christianity is an addition to God’s Laws. Remember that the Queen never swore on the Bible so you would be wise to keep your references to the Torah only. Beyond the Torah Ezekiel 33:6 allows you to warn them as PERSONS that their laws apply to them and not to you and their actions from their frame work as Actors of an imaginary world of PERSONS. This keeps you rooted within the Bible as a form of law and thus you are not stepping into their law for a defense. Ezekiel 33:6 is a disclaimer. The basis of Christianity and justly the Torah are all based within FICTION and have no historical value at all. I have touched on this before. I am simply attempting to show you how to maximize it as a tool of defense in the face of tyranny. Bearing False Witness is a nice one to reference since all PERSONS are indeed bearing false witness.

What has happened in the past is happening today. The objective is to cultivate groups of people that are taught how to manipulate the SYSTEM so they can suppress knowledge and independent thinking. In the past under the guise of religion people were murdered in the millions and the confiscation of wealth and freedoms, which are all designed to prop up the criminals that are working hard to enslave you. The Catholic Church had for many hundreds of years had Countries that they controlled pass laws that made it okay for the church to be self policing in criminal manners. The results of this is sweeping corruption, pedophilia, murder anything that they wanted to do they could do it with impunity. This continues till this very day, just they can’t get away with it in some cases due to public outrage. Every year the Catholic Church pays out millions in hush money over the level of pedophilia that goes on. This is just what makes the news! What does not make the news is the basis of research of people like David Icke and others. Satanism is at the basis of much of this for it dove tails nicely what a criminal mind is trying to do. Not knocking Satanism, but I have never seen anything based on so many lies and deceit with the idea that human sacrifice is okay. Imagine going to Court and having a Judge that just finished up the night before sexually abusing a child and slowly tortured it to death. Think you will get a fair trial? Think he/she cares about you or anything beyond his/her own needs and pleasure? Because Judges in
Canada are appointed without any public scrutiny we have no idea who these people are. Based on what they accept as a “fair” SYSTEM of law I and many others have very low regards for all involved in this SYSTEM.

**Nature of Feudalism in Commercial Law**

Feud in terms of Feudalism is old English for Oath and Canada and most of the world is based on Feudalism. The land is owned by the Monarchy or a State and it rented out to the commoners, hence property taxes. All wealth is derived from the land. We live on the land and we come from the land. It is our home, so how is it that a few can dictate to us where we can go and how we can peacefully and without harm use the land for our living? They can’t and they don’t. Again everything they are doing is based in a fictional world. They only make reference to Persons.

Because they point guns at us and confiscate our property doesn’t mean that it is right. It just means that they are willing to lie and cheat us out of our hard work and labor for their benefit of having us as their slaves. This abuse power always creates a rebellion, which the concentration of wealth becomes so large that people much like the Native peoples across the world were forced to starve or rebel. This is played over and over again and Blood line families love it! It creates fear and high level of emotional release, which is their food. They are parasites to say the least. The mere fact that history is written by the victor rarely allows the impoverished people to have their say. The concept that International Law and Justice protects those impoverished people so that they can live in peace is again a lie or pipe dream. One only has to look at Darfur, a genocide that is happening right before our eyes and no one is helping to stop it.

Okay enough with the ranting. If everything is happening in an imaginary world then how do we separate ourselves from it? Much of what I have written thus far is helpful in bringing your awareness to various aspects of their scam. Ultimately the SYSTEM is a slavery system, which there is no escape from within. Thus part of resolving this educating everyone you can on what is going on.

I mentioned earlier that one of the ways to extract onself from the SYSTEM was to use your Faith. Your Faith may be anything you want it to be so long as you do not register it with the State or Government bodies, which is as we know signing over ownership of your faith to them. All the Major religions do this as a ruse to give Civil authority power over the people rather than freedom through faith. To stop there are two basic aspects to stopping them. First is do not open their mail. Return everything as it is only an offer of contract. They use the trick of putting a postal code on the envelop which identifies the receiver of the mail as being a commercial entity if they open it. Reason being is that it is a form of codified law, which brings about acceptance that you accept this form of law and that you exist within their imaginary world or are acting as the surety for the imaginary world.

Because Feudalism makes use of Oaths it detracts from faith saying that you have no faith and are not of God or some Creator of the Universe, just a thing. Thus you must be careful not to mix commercial law with faith. You can write the Private Man/Woman Acting as the Minister of Justice lets say but you do not write to the PERSON or the title for that is an imaginary thing. It is my experience and that of others that they will not drag you into court
over not “paying debts” etc. because you have noticed them, but they do keep trying to send their offers of contract in the mail to you. Just mark the outside of the envelope, Return for Fraud and put back in the mail box. Nothing more need be done. Do not open their mail. Until you see it addressed as John-Henry: Doe nothing is addressed to you anyways. Everything else is fiction. They want you to accept fiction so they can impose their fictional world of control on you. The problem with this of course is who is doing this? A fiction can not send mail or do anything in the real world, ultimately someone is doing this, but hides behind the fiction or illusion as to operate with impunity. When you are in a Courtroom and a JUDGE asks you your name, if you respond you are giving tacit consent through trickery on their part that the imaginary world can converse with you. You might respond to it by asking the JUDGE, who is asking the question? A human being a being the man I see in front of me or the Imaginary entity called a PERSON? Bringing to the forefront the living man puts the man into a position of LIABILITY not the PERSON. However you are not commercial so LIABILITY is not an avenue you want to go, but rather keep it within faith and state my faith does not allow me to deal with fictional entities as God has no respect for them. The foundation that the QUEEN in her Oath is somehow going to help, it may. However keep guarded that the QUEEN is a title and not real, so you can not derive any protection from something that is not real.

In either case what always ends up happening is that you end up having to return your Social Security Number or Social Insurance Number, which removes you as an employee of the Corporation passing itself off as being a Country. Because most of the Countries in the world went Bankrupt in 1933 to the Banksters, which was a form of high Treason, they are really just branch corporations of the Major Central Banks in The City, London, England. The downside is that you need to convince an employer that he can hire you without a Social Security Number or work independently on your own. It can be done but that is why it is important to educate others on what is happening.

The fact that we are dealing with criminals who have no care about the laws that they break within the SYSTEM should give you pause for thought. If they see you escaping their twisted logic they feel it is their obligation to do whatever it takes to keep you within their SYSTEM. There have been many people who have been successful using the Faith based method to extract themselves. It also means giving up state sponsored health care as well. You do not want to contract with them in any way. What is very unfortunate is that we have allowed these criminals for so long to do what they are doing. The only way to stop them peacefully is through education. They thrive on conflicts and gives them excuses to use horrible weapons against us. As this book is titled, this is indeed extortion.

The flip side of being free from paying taxes, your children injected with mercury laced vaccination shots and eating genetically modified food that makes it impossible for you to know it’s effect on your body are just some examples of what is at stake here. It is a war on humanity and they are attempting to pose as our heros through propaganda. The level of auto-genocide occurring through homelessness is at an all time high, how far are you from being homeless within their SYSTEM? 1 to 6 months of being out of work? If you examine the level of help that the are giving now imagine what it will be when they finish getting the Pan American Union in place and only Multi-National Corporations own all the utilities and hospitals etc. Totally unaccountable to how they treat their employees and the people that they will pretend to serve.
The move to give police powers to private security firms and having Military domestic and foreign patrolling the streets will not bring about more accountability, I can assure you that. However, that is where they are going. The few are trying to trick us into believing that they have the rights to our bodies, land and beliefs. It is through a system of LAW which God, who they swore their Oath too, created no such laws. It makes for a very dangerous game on their part. Feudalism on steroids is what we have today. They forgo the Oath which people give Jurisdiction to the tyrants and just trample you with trickery. It is okay to trick you if you don’t know the law as they believe, but switch the tables on them and they go running to their courts, banks, special interest groups etc. They want their slaves to be obedient and punctual with their payments to them and take care of their needs. Until you are compensated in the same way as the Queen is for the work she does, I think perhaps there are some issues to be resolved here, don’t you?

In the end you are non-commercial, meaning that through your faith you do not believe in their imaginary world only the real one. You do not accept their presentation of debt for God gave you and everyone else dominion over the Earth and debt can not exist within the Earth. They present you documents for which are just molded forms of the Earth, but are the Earth and you have dominion over them.

As I have presented in the book so far that religion itself is based on fiction. I did this not so much to attack Religious beliefs themselves, but to expose the perpetrators behind the scenes that are working to ensure that there is no escape for those turning to them for help. For people to run to their major organized religions that are all registered with these bankrupt corporations calling themselves unlawfully Countries, is what I am try to show and expose. The root of escaping the prison is your faith not theirs. What you believe to be real not theirs, It comes down to that. Law is contract and doing as much as you can to separate yourself from their SYSTEM is the best way to remove yourself from it.

What is Lawful to a criminal organization is another matter which I touched on. You can only go so far into this before you are faced squarely with the tyrants themselves. There are those that refuse to let you leave the SYSTEM even though you have done everything lawfully you can to do so. They do not want to answer your questions. The do not want to give you any kind of platform to express the truth of what is happening. All they want to do is to shut you up. These are the hard core criminal elite and have no care for laws only if it helps them in their oppression of humanity. The mere fact that for hundreds of years it was okay for the Priests in the Catholic church to burn people alive for saying anything against the Church and it’s teachings should give you some insight on how far these people have gone and are still willing to go to maintain their power over the slaves. Courts are not about truth they are about arguments. Not much has changed over the centuries, just different takes on the same agenda.

**The Banking SYSTEM**

So much has been written about the Banking System already and there are lots of very good books out there on the subject. I suggest you read the Creature from Jeckyle Island as it was the first and goes into the history of Central Bank Tyranny. There is also a video on the web called the Money Masters and can be watched at:  

http://video.google.com/videoplay?docid=-8753934454816686947&q=money+masters
The highlights of the crimes that are being put on the people of Canada and most of the world is that of Usury. Usury is loaning money you do not have or own and charging interest on it. It is a scam played out by Zionists, Catholic Church and others through out history. Today it is at a massive level for they are not only stealing money through Usury they are also stealing money through your signature as mentioned earlier in the book.

Anytime you sign a commercial document and do not put non-negotiable on it, it becomes a negotiable instrument. Because the banks deal in Promissary Notes and not Lawful Money backed by something tangible such as Gold, they steal the acceptance of value you give to almost everything I would think. As long as the paper has a date, monetary amount and signature on it, it is considered money to them.

When you go for a bank loan and you sign an application form for the loan, which states you will pay back to the bank X amount of dollars by such and such a date. You sign it and hand it over to the Loans Officer. As a side note the Officer is the Officer on the Bankers ship called the Crown. The Loans Officer puts the application through a number of departments to get permission to give you the loan to make sure you can pay it back. At this point the bank does not care if it is approved or not, you just gave them money which they draw from your private side account. The private side account is really unlimited amount of funds as living beings have infinite potential for wealth. They monetize the promissary note, hence the application forum and deposit the funds into your public side account, the all caps name account. Then you draw the funds and buy the item that you wanted and now owe the bank X amount of funds. Some banks have to have some percentage of money deposited in their accounts to be able to loan money out to begin with. Thus the car dealer ship takes the money you gave them for a new car lets say and puts it in their account. Now the bank can give a loan based on that money. It is the same money they just gave out! This is called Fractional Reserve Banking. In Canada they removed this requirement and banks can loan as much money as they want regardless of what deposits they might have. In Fractional Reserve Banking they were normally having 10% in reserve deposits for the loans they made.

Then you have to pay the bank back the loan plus interest. The bank only monetized your money to begin with and put nothing up front as valuable consideration. In fact the bank never even signs the application form to become a party in the contract, there is no contract. The reason the bank doesn’t sign is because they can’t they are fiction and can not be made lawful parties in contracts with living people. The next part to this is of course you pay the bank the money that was yours to begin with and interest. The bank put nothing up, took no risk and profits from your payments or default by taking your car or house from you. The catch to all this is that the banks only loan the money for the principle and not the interest. So where does the money come from for you to pay the interest? Someone else must borrow money into circulation for you to get the funds you need to pay the interest if no loans are made the whole system collapses and does so by design, at the whim of the bankers. It is a scam a crime against humanity of mega-proportions which causes an auto-genocide of people in society taking their lives or starving to death on the streets due to lack of funds in circulation to discharge alleged debts. It is a form of genocide which goes unchallenged and those that benefit from it have no desire at all to change it. In fact they get a kick out of the fact that you apply for your own money, which apply is defined as to beg for something.

The fact that we carry on commerce on land by purchasing items gives them the excuse they wanted by design to impose Admiralty Merchant Law on everyone. Since it only has force and
effect with matters related to the Sea the need to make Countries into Ships becomes paramount and was the same System used in Ancient Rome. Again everything that is happening is happening in an imaginary world, their private society. The Lawyers private society has no name but contains the countries their in and they are gate keepers of the BARs that hold us as their slaves.

The World bank and Swiss banks are nothing more than facades they are just instruments that the criminal elite that pose as our leaders use to facilitate desparity throughout the world. There is some competition between which currency would be used as the dominant currency such as the US Dollar. The Weapons of mass destruction in Iraq were not weapons of physical destruction but the Federal Reserve Plates the USA gave him to print money for the oil that he sold to them. Saddam was printing that stuff like it was going out of style and enriching himself and friends with it as well as buying as many weapons from Russia etc. as he could. The fact that he was about to switch over to the Euro Dollar just before the invasion of Iraq was very telling. I don't know this, but I would assume he was printing the dollars and exchanging them for Euros as fast as he could, which was assisting the slide of the US Dollar against the other currencies. Today the US Dollar is about to collapse and the Federal Reserve has stopped reporting on how much money it is actually printing. It is totally worthless and some point I think in 2007 we will see a collapse of the US Dollar if they do not take over Iran and stop them from pumping Oil into world markets.

Some Final Thoughts

In the end all this debt can easily be discharged with a stroke of a pen as the money spent has caused inflation which is a form of taxation. There is no debt. The interest on the private money can also be eliminated with a stroke of a pen by putting the central banks out of business of creating money, which John F. Kennedy did just prior to his assassination. Why they don’t do this is simply because the Ruling Elite want WW III and mass destruction of the planet every living thing on it. They are a cult of death and live in a very unbalanced world indeed. The notion that we have to work for a living is perhaps reserved for primitive times, but today the technologies that they are holding back from us would set our world free. We would be able to create all the food and fresh water we needed and energy on individual basis with that technology. Advances in medical technologies that have been suppressed such as the Rife Machine and others would easily and cheaply cure people with little intervention from doctors or the health care System.

Commerce itself is a tool of misdirection. We can only exchange the earth for the earth. Everything around us comes from the Earth and simply molding it into something different doesn't detract from that. The plants are God’s Gifts as it states in Genesis Chapter 1 and 2 for that matter. You can not charge people for something that God has given to them. Again it is all happening in an imaginary world and when enough people finally wake up to this fact, we will be free.
Chapter 5

History Lessons you were never Taught

So up to now I have been talking about HER MAJESTY QUEEN ELIZABETH II as the Crown for the Commonwealth Countries and thus the Head of State of those Countries. Canada in particular has a Governor General and Lieutenant Governor for each Province. As I showed early on in the book that all executive power was lost to the Corporation called Canada after Queen VICTORIA died in 1901 due to extraction of Section 2 of the BNA Act which extended the provisions of the Act to her Heirs and Successors. Thus 2 days after she died the Bankers moved in and claimed salvage rights over the lost ship at sea called Canada and created the Crown in Right of Canada I am guessing at this point. But they did seize the corporation called Canada 2 days after from what I have read although haven’t quite confirmed myself as that information is difficult to access as you may imagine.

The question remaining is well if the Queen did not have any power over Canada then who does? Also how does this relate to other Countries around the world? Have other Countries been taken over the same way? As I mentioned earlier everything is all written in Legalese which is the language of the Lawyers or rather Attorneys of the Bar Association. The Different Bar Associations throughout the world are just Franchises of the Temple Bar in London, England. These are foreign controlled corporations pretending to be Courts of jurisdiction within each Country they are set up in. The truth being that all Countries are created through the Bar Association. Which makes them entities owned by the Bar and thus the Bankers in Switzerland, the mainstay of the World Banking System.

Since the time of King John circa 1215 all royal sovereignty of the old British Crown was passed to the Crown Temple in Chancery. The Barons had King John inside the inner Temple of the Church demanding that he confirm the rights of the Barons enshrined in the Magna Carta. What happened from there of course the Barons aka Bankers got the Sovereignty of the British Crown. The Barons were the Land LORDS and kept the people in a perpetual state of Slavery through their Oaths to the Barons for use of their land. As mentioned before this is a fraud because unless they can provide a deed with the Creators Signature on it the land belongs to everyone. Of course they kept people ignorant through not allowing them to read and write via the Catholic Church Cannons and kept them busy slaving many hours a day to make a living. With all the wars and crusades etc going on things were never quiet enough for people to figure out the ruse going on.

The Bankers are hiding behind the British Crown using it as a puppet institution to gain control over the world. The nature behind the expansion of Europeans into all parts of the world during the 1500 onward was mainly about spreading the Catholic Religion along with ceasing land through conquest and extortion. Using their fraudulent LEGAL system they overlayed the imaginary onto the real and killed or incarcerated those who opposed it. The decimation of culture and spiritual practices of “Savages” or other races was high on the agenda. With them came diseases such as small pox and the common cold. The common cold nearly wiped out the Eskimos in the far north of Canada. So rather than helping other people through out the world with knowledge that would help them they went on a rampage of rape and pillaging the Earth of anything of value such as gold and other items. So much for being the head of a Church or defender of the Faith. Love thy Neighbour as thyself is only an fading thought to these people who would call them leaders of the world. Much of the wealth the QUEEN sits on
today was stolen throughout the world through armed conquest against people who had little or no means to protect themselves from the level of weaponry pointed at them. For the most part many did not even know the concept of war or stealing for that matter. Things were shared amongst the communities of people too ensure survival of the people overall.

Knights Templar and Temple Bar

There have been a number of excellent papers written on the Knights Templar and Temple Bar and truly I am just walking in their footsteps here. I really just want to summerize some of what I have read for you and point you in the direction for further information on the topic. As I was discussing above the Crown of the Bankers usurped power of the British Crown and thus used it their cover for creating a world based on Countries of Fiction. The purpose being to create a deceptive level of thievery by equity (chancery) contracts and ultimately to enslave humanity. This is very serious stuff here and they play for keeps. It is not something one takes lightly or overlooks. These people down the generations have been at war against humanity and care little of the harm they do to achieve their objectives. Primarily using illusions and worthless money backed by fraudulent courts to manipulate their will.

The Knights Templars were created by the Pope initially to provide security over trade routes in Europe.
