Dear Taxpayer:

Thank you for the inquiry dated Dec. 04, 2007.

We received your correspondence concerning the penalty charged to your account. Our records show that we charged you a failure to pay estimated tax penalty. This penalty is charged when tax on the original return (minus withholding) is \$1,000.00 or more and required payments are not paid by the due date.

Our records do not show that you are a federal privileged employee, however, in general employers are required to withhold federal income taxes from their employee wages unless that request to be exempt, including Texas.

If you have any questions, please call us toll free at 1-800-829-0922.
