

Want Proof That They Claim You Are Chattel?

By Anna Von Reitz

Look at Executive Order 13037. Humans (legal persons) are "human capital". That is all she wrote, end of story, right there in your face.

And if that isn't enough, go read the 1940 Buck Act.

Okay, so there you have it.

Stop arguing. Stop asking for proof. The proof is in the public record. It has been in the public record staring you in the face for decades.

Your own military was twisted, misled, and coerced by foreign agents and middleman politicians into doing this to you.

And now that you know the truth and have all the proof anyone could need that your "Persons" have been bought and sold as chattel --- what are you doing to do about it?
